The National Industrial Security Program Operating Manual (NISPOM) is the Department of Defense's instruction to contractors of how to protect classified information. The NISPOM addresses a cleared contractor's responsibilities including: Security Clearances, Required Training and Briefings, Classification and Markings, Safeguarding Classified Information, Visits and Meetings, Subcontracting, Information System Security, Special Requirements, International Security Requirements and much more. It's not just for the FSO. Every Cleared employee should have a copy. Red Bike Publishing has published a book store quality NISPOM. A sleek new professionally designed cover adorns our product. Red Bike Publishing has added a professional edge to the NISPOM for about the same as it costs to print your own. Our publisher quality books have crisp writing that is refreshing to read.

The backbone of Henle Latin Second Year is intensive language study, including review of the first year plus new materials. Separated into four parts, Henle Latin Second Year includes readings from Caesar's Commentaries, extensive exercises, and Latin-English vocabularies. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.
