EVENT CALENDAR

Independently Published

Each year of our lives is filled with special days. Special moments. The ones we want to remember always. Maybe they're birthdays of our favorite friends and all our family members. Or anniversaries of those couples we love to celebrate. Perhaps they're the events that happen during a year that we know we'll forget if we don't record them! This unique organizer was designed to help

you remember these special dates. Use this handy book to write down all the days throughout a month, every month, that need remembering. We've sized it at 6" x 9" so you can keep it close by; store in your command center, bookcase, or throw in your bag. Reach for it when you need to record a memorable occasion. Use it to remember to send a birthday card. And if applicable, record gift ideas in the third column to make gift-giving nice and easy! Features five pages for each month of the year. Multiple lines for each day provide you flexibility in recording any and all important dates! This is one organizational tool that will not only help you stay at the top of your game; it will

also serve as a memory keeper for the things (and people) that matter most to you.
