First published in 1888,
“The Romance of a Shop”

is a novel by Amy Levy that tells the story of the Lorimer sisters who, following the death of their father, decide to

open a photography business to avoid a life of poverty. An interesting exploration of the vagaries and vicissitudes of life for the “New Women” in the late 1900s that will appeal to those with an interest in history and feminism. Contents include: “In the Beginning”, “Friends in Need”, “Ways and Means”, “Number Twenty B”, “This Working-Day World”, “To the Rescue”, “A New Customer”, “A Distinguished Person”, “Show Sunday”, “Summing Up”, “A

Confidence”, etc. Amy Judith Levy (1861–1889) was a British poet, novelist, and essayist. She was notably the first Jewish woman to study at Cambridge university, and she became well-known for her feminist positions as well as her romantic relationships with both male and female political and literature figures. Other works by this author include: “Xantippe and Other Verse” (1881), “Reuben Sachs” (1888), and “Miss Meredith” (1889). Read & Co. Classics is proudly

republishing this classic novel now in a new edition complete with an introductory biography of the author by Richard Garnett.

When new legislation threatens to destroy her family's operations in the black-market organ trade, Maggie finds herself falling in love with Alex, a computer whiz who makes a shocking revelation.

HOW TO HEAL

YOURSELF WHEN NO ONE ELSE CAN

Forever Promised Jobless and forced home to Wisconsin, journalist Sabrina Monroe can tolerate reunions with frenemies and kisses from old boyfriends, but not the literal ghosts that greet her in this heartwarming tale of the power of love and connection from acclaimed author Amy E. Reichert. For Sabrina Monroe, moving back home to the Wisconsin Dells--the self-described Waterpark Capital of the

World--means returning to the Monroe family curse: the women in her family can see spirits who come to them for help with unfinished business. But Sabrina's always redirected the needy spirits to her mom, who's much better suited for the job. The one exception has always been Molly, a bubbly rom-com loving ghost, who stuck by Sabrina's side all through her lonely childhood. Her personal life starts looking up when Ray, the new local restaurateur, invites Sabrina to his supper

club, where he flirts with her over his famous Brandy Old-Fashioneds. He's charming and handsome, but Sabrina tells herself she doesn't have time for romance--she needs to focus on finding a job. Except the longer she's in the Dells, the harder it is to resist her feelings for Ray. Who can turn down a cute guy with a fondness for rescue dogs and an obsession with perfecting his fried cheese curds recipe? When the Dells starts to feel like home for the first time and with Ray in her

corner, Sabrina begins to realize that she can make a difference and help others wherever she is.

Carrick Francis has spent most of his life jumping into trouble with both feet. The only thing saving him from prison or worse is his absolute devotion to Deacon Winters. Deacon was

Crick's sanity and salvation during a miserable, abusive childhood, and Crick would do anything to stay with him forever. So when Deacon's father dies, Crick puts his college plans on hold to help Deacon as Deacon has helped him. Deacon's greatest wish is to see Crick escape his memories and the town they grew up in so Crick can enjoy a shining future. But after two years of growing feelings and temptation, the painfully shy Deacon finally

succumbs to Crick's determined advances and admits he sees himself as part of Crick's life. It nearly destroys Deacon when he discovers Crick has been waiting for him to push him away, just like Crick's family did in the past. When Crick's knack for volatile decisions lands him far away from home, Deacon is left, shell-shocked and alone, struggling to reforge his heart in a world where love with Crick is a promise, but by no means a certainty.

SOMEWHERE OUT THERE

Penguin

What happens when two sisters who were torn apart when their young mother abandoned them—and grew up in tragically different circumstances—reunite thirty-five years later to find her? For readers who love Jodi Picoult, acclaimed author Amy Hatvany fearlessly explores complex family issues in her gripping, provocative new novel. Natalie Clark knew never

to ask her sensitive adoptive mother questions about her past. She doesn't even know her birth mother's name—only that the young woman signed parental rights over to the state when Natalie was a baby. Now Natalie's own daughter must complete a family tree project for school, and Natalie is determined to unearth the truth about her roots. Brooke Walker doesn't have a family. At least, that's what she tells herself after being separated from her

mother and her little sister at age four. Having grown up in a state facility and countless foster homes, Brooke survives the only way she knows how, by relying on herself. So when she discovers she's pregnant, Brooke faces a heart-wrenching decision: give up her baby or raise the child completely on her own. Scared and confused, she feels lost until a surprise encounter gives her hope for the future. How do our early experiences—the subtle and the traumatic—define us as

adults? How do we build relationships when we've been deprived of real connection? Critically acclaimed author Amy Hatvany considers controversial and complicated questions about childhood through the lens of her finely crafted characters in this astute novel about mending wounds by diving into the truth of what first tore us apart.

MAKING PROMISES

Simon and Schuster
Will and Kenny have had sort of a day. After

knocking over a trash can, Will asks Kenny out for a beer. Friendship and infatuation bloom.

Losing the Moon
Bloomsbury Publishing

When perfectionist Cassidy gets distracted and hit by a tree, he comes under the care of his neighbor, doctor Mark—the distraction. Mark sees Cassidy's loneliness, but also his surprising kindness and creativity. Can he convince Cassidy he doesn't have to be perfect to be loved?

FOREVER PROMISED

Simon and Schuster
"Though the story takes place in the '80s, it feels eerily timely."-Bustle
Arkansas, 1984- The town of Griffin Flat is known for almost nothing other than its nuclear missile silos. MAD-Mutually Assured Destruction-is a fear every local lives with and tries to ignore. Unfortunately that's impossible now that film moguls have picked Griffin Flat as the location for a new nuclear holocaust movie, aptly titled *The Eve of*

Destruction. When sixteen-year-old Laura Ratliff wins a walk-on role (with a plus-one!) thanks to a radio call-in contest, she is more relieved than excited. Mingling with Hollywood stars on the set of a phony nuclear war is a perfect distraction from being the only child in her real nuclear family—which has also been annihilated. Her parents are divorced, and her mother has recently remarried. Her father, an officer in the Strategic Air Command, is absent . . . except when he phones at odd hours to

hint at an impending catastrophe. But isn't that his job? Laura's only real friend is her new stepbrother, Terrence. She picks him as her plus-one for the film shoot, enraging her fair-weather friends. But their anger is nothing compared to what happens on set after the scripted nuclear explosion. Because nobody seems to know if a real nuclear bomb has detonated or not.

Peony in Love Oxford University Press
A bittersweet homecoming holds dark

secrets in this heart-wrenching story of loss, love, and survival for readers of *Room* When sixteen-year-old Amy returns home, she can't tell her family what's happened to her. She can't tell them where she's been since she and her best friend, her cousin Dee, were kidnapped six years ago—who stole them from their families or what's become of Dee. She has to stay silent because she's afraid of what might happen next, and she's desperate to protect her secrets at any

cost. Amy tries to readjust to life at “home,” but nothing she does feels right. She’s a stranger in her own family, and the guilt that she’s the one who returned is insurmountable. Amy soon realizes that keeping secrets won’t change what’s happened, and they may end up hurting those she loves the most. She has to go back in order to move forward, risking everything along the way. Amy Chelsea Stacie Dee is a riveting, affecting story of loss and hope.

The Locker Room Feiwel & Friends

"Keeping Promise Rock: Book Four" Crick has been home from Iraq for five years, Jeff and Collin are finally married, and Shane and Mikhail are quietly making lives better for the dispossessed teenagers who come their way. Everything is right in Deacon's world, but nothing ever stays the same. When Deacon's best friends, Jon and Amy, answer the call of an opportunity in Washington, DC, Deacon figures that's life. You love

people, and they leave you, and you survive. Even Benny, Crick's little sister, is close to grown and ready to start her own future. But Benny loves Deacon, and she owes him-she may move beyond The Pulpit and Levee Oaks one day, but not without leaving something of herself behind. And so she offers Deacon and Crick an amazing gift... and a terrifying decision. Benny's offer forces Deacon and Crick to dredge up every past mistake and offer of

redemption. And not just the two of them- everybody is forced to examine the chances they've been given and the promises they've made. In a real family, a child is a promise, and to the men and women of Promise Rock, keeping that promise will change their lives forever.

How to Eat a Small

Country Read Books Ltd Carrick Francis besaß schon immer die zweifelhafte Gabe, Ärger und Probleme jeder Art wie ein Magnet anzuziehen. Das einzige,

was ihn vor Haftstrafen oder Schlimmerem bewahrte, ist seine unverbrüchliche Freundschaft zu Deacon Winters. Deacon war seine Rettung und half ihm, seine unglückliche Kindheit und die Misshandlungen durch seinen Vater zu überstehen. Crick würde alles tun, um für immer bei Deacon bleiben zu können. Deshalb schiebt er seine Studienpläne auf, als Deacons Vater stirbt. Er springt ein und hilft seinem Freund, so wie der

ihm geholfen hat. Deacon wünscht sich nichts mehr, als dass Crick seinen schlechten Erinnerungen und ihrer kleinen Stadt entflieht und eine strahlende Zukunft findet. Aber nach zwei Jahren, in denen seine Gefühle für seinen Freund immer tiefer werden, kann er der Versuchung nicht mehr widerstehen und gibt Cricks Annäherungsversuchen nach. Der schüchterne Deacon gibt endlich zu, dass er ein Teil von Cricks Leben werden möchte. Aber Crick wartet nur

darauf, von Deacon wieder verstoßen zu werden – so wie er in der Vergangenheit von seiner Familie verstoßen wurde. Eine seiner typischen, spontanen Fehlentscheidungen lässt ihn weit weg von zuhause enden. Deacon bleibt allein zurück. Er ist am Boden zerstört und muss hart kämpfen, bis er sein gebrochenes Herz wieder heilen und er in einer Welt überleben kann, in der Cricks Liebe einewiges Versprechen ist, das vielleicht niemals in Erfüllung gehen wird.

Break Me Like a Promise
Simon and Schuster
The "wisest and most captivating novel" (Boston Globe) from the author of the bestselling *The Valley of Amazement* and the new memoir *Where the Past Begins* Set in San Francisco and in a remote village of Southwestern China, Amy Tan's *The Hundred Secret Senses* is a tale of American assumptions shaken by Chinese ghosts and broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed,

eighteen-year-old Kwan from China, who sees ghosts with her "yin eyes." Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.

THE HIP GUIDE TO LOOKING GORGEOUS THROUGH ALL NINE MONTHS AND BEYOND

Dreamspinner Press
A memoir in bite-size chunks from the author of the viral Modern Love column “You May Want to Marry My Husband.” “[Rosenthal] shines her generous light of humanity on the seemingly humdrum moments of life and shows how delightfully precious they actually are.” —The Chicago Sun-Times How do you conjure

a life? Give the truest account of what you saw, felt, learned, loved, strived for? For Amy Krouse Rosenthal, the surprising answer came in the form of an encyclopedia. In *Encyclopedia of an Ordinary Life* she has ingeniously adapted this centuries-old format for conveying knowledge into a poignant, wise, often funny, fully realized memoir. Using mostly short entries organized from A to Z, many of which are cross-referenced, Rosenthal

captures in wonderful and episodic detail the moments, observations, and emotions that comprise a contemporary life. Start anywhere—preferably at the beginning—and see how one young woman’s alphabetized existence can open up and define the world in new and unexpected ways. An ordinary life, perhaps, but an extraordinary book.

 * "A gripping story of psychological defeat and resilience" (Bob Woodward, The Washington Post)—an intimate account of the fallout from the closing of a General Motors assembly plant in Janesville, Wisconsin, and

a larger story of the hollowing of the American middle class. This is the story of what happens to an industrial town in the American heartland when its main factory shuts down—but it's not the familiar tale. Most observers record the immediate shock of vanished jobs, but few stay around long enough to notice what happens next when a community with a can-do spirit tries to pick itself up. Pulitzer Prize-winning reporter Amy Goldstein spent years immersed in

Janesville, Wisconsin, where the nation's oldest operating General Motors assembly plant shut down in the midst of the Great Recession. Now, with intelligence, sympathy, and insight into what connects and divides people in an era of economic upheaval, Goldstein shows the consequences of one of America's biggest political issues. Her reporting takes the reader deep into the lives of autoworkers, educators, bankers, politicians, and job re-trainers to show why it's

so hard in the twenty-first century to recreate a healthy, prosperous working class. "Moving and magnificently well-researched...Janesville joins a growing family of books about the evisceration of the working class in the United States. What sets it apart is the sophistication of its storytelling and analysis" (Jennifer Senior, *The New York Times*). "Anyone tempted to generalize about the American working class ought to meet the people in

Janesville. The reporting behind this book is extraordinary and the story—a stark, heartbreaking reminder that political ideologies have real consequences—is told with rare sympathy and insight” (Tracy Kidder, Pulitzer Prize-winning author of *The Soul of a New Machine*).
A Memoir Soho Teen
Peony has neither seen nor spoken to any man other than her father, a wealthy Chinese nobleman. Nor has she ever ventured outside the

cloistered women's quarters of the family villa. As her sixteenth birthday approaches she finds herself betrothed to a man she does not know, but Peony has dreams of her own. Her father engages a theatrical troupe to perform scenes from *The Peony Pavilion*, a Chinese epic opera, in their garden amidst the scent of ginger, green tea and jasmine. 'Unmarried girls should not be seen in public,' says Peony's mother, but her father allows the women to watch from behind a

screen. Here, Peony catches sight of an elegant, handsome man and is immediately bewitched. So begins her unforgettable journey of love, desire, sorrow and redemption.

Chase Summers: Golden boy. Beautiful girlfriend, good friends, and a promising future. Nobody knows the real Chase. Chase Summers has a razor blade to his wrist and the smell of his lover's goodbye clinging to his skin. He has a door

in his heart so frightening he'd rather die than open it, and the lies he's used to block it shut are thinning with every forbidden touch. Chase has spent his entire life unraveling, and his decision to set his sexuality free in secret has only torn his mind apart faster. Chase has one chance for true love and salvation. He may have met Tommy Halloran in the world of gay-for-pay—where the number of lovers doesn't matter as long as the come-shot's good—but if he

wants the healing that Tommy's love has to offer, he'll need the courage to leave the shadows for the sunlight. That may be too much to ask from a man who's spent his entire life hiding his true self. Chase knows all too well that the only things thriving in a heart's darkness are the bitter personal demons that love to watch us bleed.
