 The power of faith  
 “Now faith is the full assurance of things hoped for, the evidence of things not seen.” Hebrews 11:1.  
 Faith in God is a life-saving power. It’s not a feeling. No, it’s a belief in the power of God to save us to the uttermost from sin that we must fight to get a hold of, and then fight to hold onto for our entire life.  
 How we benefit from the tremendous power of faith  
 The Power of Faith By Christy Wimber The Vineyard Churches.  
 CBN.com - How important is faith? It takes faith to even believe in Christ; it takes faith to believe that what God says is always right and true; and it takes faith to trust and walk in that each and every

day.  
 The Power of Faith: Spiritual Life in God  
 It was faith in God’s power that caused Caleb, the Jewish spy, to look at the land of Canaan, with its giants, and say this in Numbers 13:30, “Let us go up at once and possess it, for we are well able to overcome it.” That was faith in God’s power.  
 The Power of Faith  
 Power of Faith-Filled Words  
 If we want to start seeing the power of God manifest in our lives, we will have to start paying attention to what we say. Words have power—more than any of us realize, but we often speak them as though they are meaningless. Because of that, most believers at one time or another have been hung by their tongue.
