From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo Named a Best Book of Summer by Cosmopolitan * InStyle * Redbook * Us Weekly * PopSugar * BuzzFeed * Bustle * Brit+Co * Parade "No one does life and love better." -InStyle "Earth-shaking...you will flip for this epic love story." -Cosmopolitan

“Reid's heartwrenching tale asks if it's possible to have multiple soul mates.” —Us Weekly

From the author of *Maybe in Another Life*—named a People Magazine pick—comes a breathtaking new love story about a woman unexpectedly forced to choose between the husband she has long thought dead and the fiancé who has finally brought her back to life. In her twenties, Emma Blair marries her high school sweetheart, Jesse. They build a life for themselves, far away from the expectations of their parents and the people of their hometown in Massachusetts. They travel the world together, living life to the fullest and seizing every opportunity for adventure. On their

first wedding anniversary, Jesse is on a helicopter over the Pacific when it goes missing. Just like that, Jesse is gone forever. Emma quits her job and moves home in an effort to put her life back together. Years later, now in her thirties, Emma runs into an old friend, Sam, and finds herself falling in love again. When Emma and Sam get engaged, it feels like Emma's second chance at happiness. That is, until Jesse is found. He's alive, and he's been trying all these years to come home to her. With a husband and a fiancé, Emma has to now figure out who she is and what she wants, while trying to protect the ones she loves. Who is her one true love? What does it mean to love truly?

Emma knows she has to listen to her heart. She's just not sure what it's saying.

Meet Me in Another Life Simon and Schuster

A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis. Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids

at Yugen. Until she meets Greggory "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners--and when she turns to the most forbidden

practice of all, necromancy, even Grey might not be able to pull her from the darkness.

Daisy Jones and the Six HarperCollins Friday Night Lights meets Mare of Easttown in this small-town mystery about an unlikely private investigator searching for a missing waitress. *Pay Dirt Road* is the mesmerizing debut from the 2019 Tony Hillerman Prize recipient Samantha Jayne Allen. Annie McIntyre has a love/hate relationship with Garnett, Texas. Recently graduated from college and home waitressing, lacking not in ambition but certainly in direction, Annie is lured into the family business—a private investigation firm—by her supposed-

to-be-retired grandfather, Leroy, despite the rest of the clan's misgivings. When a waitress at the café goes missing, Annie and Leroy begin an investigation that leads them down rural routes and haunted byways, to noxious-smelling oil fields and to the glowing neon of local honky-tonks. As Annie works to uncover the truth she finds herself identifying with the victim in increasing, unsettling ways, and realizes she must confront her own past—failed romances, a disturbing experience she'd rather forget, and the trick mirror of nostalgia itself—if she wants to survive this homecoming.

BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Time*, *Marie Claire*, *PopSugar*, *Parade*, *Teen Vogue*, *Self*, *She Reads* • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—*People* Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives will change forever. *Malibu: August 1983*. It’s the day of Nina Riva’s

annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long

past time for him to confess something to the brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in

the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

In the vein of Mary Beth Keane's *Ask Again, Yes* and Cynthia D'Aprix Sweeney's *The Nest*, Tracey Lange's *We Are the Brennans* explores the staying power of shame—and the redemptive power of love—in an Irish Catholic family torn apart by secrets. When twenty-nine-year-old Sunday Brennan wakes up in a Los Angeles hospital, bruised and battered after a drunk driving accident she caused, she swallows her pride and goes home to her family in New York. But it's not

easy. She deserted them all—and her high school sweetheart—five years before with little explanation, and they've got questions. Sunday is determined to rebuild her life back on the east coast, even if it does mean tiptoeing around resentful brothers and an ex-fiancé. The longer she stays, however, the more she realizes they need her just as much as she needs them. When a dangerous man from her past brings her family's pub business to the brink of financial ruin, the only way to protect them is to upend all their secrets—secrets that have damaged the family for generations and will threaten everything they know about their lives. In the

aftermath, the Brennan family is forced to confront painful mistakes—and ultimately find a way forward, together.

“Breathtaking... so much more than a thriller.” —Josh Malerman, bestselling author of *Bird Box* and *Malorie* “Hits the thriller trifecta: a natural disaster, danger around every corner, and compelling well-drawn characters.” —Heather Gudenkauf, New York Times bestselling author A one-more-page, up-all-night story about two

strangers who need each other's help to survive the night after a devastating earthquake shakes Los Angeles. Beegie is riding the bus when the quake hits. The teenager was heading back to her unhappy foster home, but then she's thrown into a broken world. Roads crumble, storefronts shatter and people run wild. Dessa, a single mom, is enjoying a rare night out when it strikes. Cell towers are down, so without even knowing if her three-year-old daughter is dead or alive, she races to get back across town. As danger escalates in the chaotic streets, Beegie and Dessa meet by a twist of fate and an act of violence. The two form a fragile partnership, relying on each other

in ways they never thought possible, and learn who they really are when there's only one goal: just get home. "A flat-out thriller [that is] also smart and insightful on timely, important ideas.... Heartbreaking and complicated in the best way... This is addictive reading that changes you as you turn the pages and stays with you long after you've finished."
—Laurie Frankel, New York Times bestselling author of *This Is How It Always Is*
We Came Here to Forget Pink Bloom Press

A leading behavioral economist reveals the tools that will improve our decision making on screens Office workers spend the majority of their waking hours staring at screens.

Unfortunately, few of us are aware of the visual biases and behavioral patterns that influence our thinking when we're on our laptops, iPads, smartphones, or smartwatches. The sheer volume of information and choices available online, combined with the ease of tapping "buy," often make for poor decision making on screens. In *The Smarter Screen*, behavioral economist Shlomo Benartzi reveals a tool kit of interventions for the digital age. Using engaging reader exercises and provocative case studies, Benartzi shows how digital designs can influence our decision making on screens in all sorts of surprising ways. For example: •

You're more likely to add bacon to your pizza if you order online. • If you read this book on a screen, you're less likely to remember its content. • You might buy an item just because it's located in a screen hot spot, even if better options are available. • If you shop using a touch screen, you'll probably overvalue the product you're considering. • You're more likely to remember a factoid like this one if it's displayed in an ugly, difficult-to-read font. Drawing on the latest research on digital nudging, Benartzi reveals how we can create an online world that helps us think better, not worse. [A Novel](#) HarperCollins From the author of *She Regrets Nothing*, which

BuzzFeed called a “sharp, glittering story of wealth, family, and fate,” a vivid novel about a young Olympic skier who loses everything and reinvents herself in Buenos Aires, where she meets a man keeping dark secrets of his own. Katie Cleary has always known exactly what she wants: to be the best skier in the world. As a teenager, she leaves her home to live and train full time with her two best friends, brothers Luke and Blair. Their wealthy father hires the best coaches money can buy and after years of training, the three friends are the USA’s best shot at bringing home Olympic gold. But as the upward trajectory of Katie’s elite skiing career

nears its zenith, a terrifying truth about her sister becomes impossible to ignore—one that will lay ruin not only to Katie’s career but to her family and her relationship with Luke and Blair. With her life shattered and nothing left to lose, Katie flees the snowy mountainsides of home for Buenos Aires. There, she reinvents herself and meets a colorful group of expats and the alluring, charismatic Gianluca Fortunado, a tango teacher with secrets of his own. This beautiful city, with its dark history and wild promise, seems like the perfect refuge, but can she really outrun her demons? “Searing, gripping...a complicated story of sisterhood unlike any

told before” (Taylor Jenkins Reid, author of *Daisy Jones & The Six*), *We Came Here to Forget* explores what it means to dream, to desire, to achieve—and what’s left behind after it all disappears.

Luck, Love & Lemon Pie Doubleday

From the New York Times bestselling author of *Always and Blackberry Winter*, a heartbroken woman stumbles upon a diary and steps into the life of its anonymous author. In her twenties, Emily Wilson was on top of the world: she had a bestselling novel, a husband plucked from the pages of *GQ*, and a one-way ticket to happily ever after. Ten years later, the tide has turned on Emily's good fortune. So when her great-aunt Bee

invites her to spend the month of March on Bainbridge Island in Washington State, Emily accepts, longing to be healed by the sea. Researching her next book, Emily discovers a red velvet diary, dated 1943, whose contents reveal startling connections to her own life. A mesmerizing debut with an idyllic setting and intriguing dual story line, *The Violets of March* announces Sarah Jio as a writer to watch.

IN SOME OTHER WORLD, MAYBE

Minotaur Books

Last night was the most embarrassing night of my life. I was that girl. You know, the highly intoxicated chick celebrating her thirtieth birthday with her two best friends—who are happily married. And the more I drank, the more I wanted to do something reckless to celebrate. By reckless, I mean the sexy and alluring man dressed in a business suit standing near the bar. You know his type—tall, dark,

handsome. I was sure he was out of my league, but I'd had just enough alcohol that things like that no longer seemed to matter. I'm not fat, mind you, but you can tell I like french fries, so there's that. He took me home, and I enjoyed the hottest birthday sex of my life. Well, until it came to a screeching and rather unwelcome halt. There's nothing quite like being interrupted mid-ride with a little voice asking, "What are you doing to my daddy?" Just kill me now . . . or so I thought. Come to find out, the man I rode like a bull at the rodeo is my new landlord.

The Best of Us Maybe in Another Life A Novel From the New York Times bestselling author of The Seven

Husbands of Evelyn Hugo A People Magazine Pick * US Weekly "Must" Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of

leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale

consequences for Hannah, as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she's found him. *Definitely, Maybe in Love* Andrews Mcmeel+ORM If you could return to the road not taken...would you? Quinn Braverman has a perfect life, with a loving husband, an adorable son, and another baby on the way. Quinn also has an ominous secret: she

knows that another version of her life exists...one in which she made totally different life choices. But she's never been tempted to switch lives-until a shocking turn of events pushes her to cross over, and she discovers the one person she thought she'd lost forever: Her mother. But Quinn can't have both lives. Soon, she must decide which she really wants-the one she has...or the other life...

A NOVEL

HarperCollins
An exquisite new literary voice—wryly funny, nakedly honest, beautifully observational, in the vein of Jenny Offill and Elizabeth Strout—depicts one woman's attempt to keep her four chickens

alive while reflecting on a recent loss. “Full of nuance and humor and strangeness...[Polzin] writes beautifully about everything.” —The New York Times
Over the course of a single year, our nameless narrator heroically tries to keep her small brood of four chickens alive despite the seemingly endless challenges that caring for another creature entails. From the forty-below nights of a brutal Minnesota winter to a sweltering summer which brings a surprise tornado, she battles predators, bad luck, and the uncertainty of a future that may not look anything like the one she always imagined. Intimate and startlingly original, this slender novel is filled with wisdom, sorrow

and joy. As the year unfolds, we come to know the small band of loved ones who comprise the narrator's circumscribed life at this moment. Her mother, a flinty former home-ec teacher who may have to take over the chickens; her best friend, a real estate agent with a burgeoning family of her own; and her husband whose own coping mechanisms for dealing with the miscarriage that haunts his wife are more than a little unfathomable to her. A stunning and brilliantly insightful meditation on life and longing that will stand beside such modern classics as *H* is for Hawk and *Gilead*, *Brood* rewards its readers with the richness of reflection and unrelenting hope.

After I Do Simon and Schuster

A propulsive and chillingly prescient novel of suspense and terror from the Bram Stoker award-winning author of *The Cabin at the End of the World* and *A Head Full of Ghosts*. "Absolutely riveting." — Stephen King In a matter of weeks, Massachusetts has been overrun by an insidious rabies-like virus that is spread by saliva. But unlike rabies, the disease has a terrifyingly short incubation period of an hour or less. Those infected quickly lose their minds and are driven to bite and infect as many others as they can before they inevitably succumb. Hospitals are inundated with the sick and dying, and hysteria has taken hold. To try

to limit its spread, the commonwealth is under quarantine and curfew. But society is breaking down and the government's emergency protocols are faltering. Dr. Ramola "Rams" Sherman, a soft-spoken pediatrician in her mid-thirties, receives a frantic phone call from Natalie, a friend who is eight months pregnant. Natalie's husband has been killed—viciously attacked by an infected neighbor—and in a failed attempt to save him, Natalie, too, was bitten. Natalie's only chance of survival is to get to a hospital as quickly as possible to receive a rabies vaccine. The clock is ticking for her and for her unborn child. Natalie's fight for life becomes a desperate

odyssey as she and Rams make their way through a hostile landscape filled with dangers beyond their worst nightmares—terrifying, strange, and sometimes deadly challenges that push them to the brink. Paul Tremblay once again demonstrates his mastery in this chilling and all-too-plausible novel that will leave readers racing through the pages . . . and shake them to their core.

A Novel Simon and Schuster

She's not just my ex-girlfriend. She's my new coworker. I knew Lucy Dillard was *The One* the first time I met her. Yes, I'm enough of a sap to believe in love at first sight. When I fell for Lucy, I fell hard. Everything was great

between us—until the moment she dumped me. Now I just want to forget about her. Instead, I'm stuck staring at her face all day. But I need this job, so I'll find a way to be civil and professional. There's just one small problem: I'm nowhere close to being over her. First, we were lovers. Then enemies. Now we're trying to work together. I didn't set out to break Tanner King's heart, but you know what they say about the road to hell. I've got too many responsibilities and no room in my life for love. I can deal with Tanner's resentment until he starts working at the desk directly

across from mine. Obviously, a truce of some kind is required. We're both grownups. We can handle this situation like professionals. There's only one thing threatening this fragile peace we've negotiated: all these inconvenient feelings I apparently still have for him. Cream and Punishment is book #2 in the King Family series set in the small town of Crowder, Texas, home of the King's Creamery ice cream company. Each book is a standalone, full-length contemporary romance that follows one of the six King siblings as they find and fight for love.
