Bantam

NEW YORK TIMES BESTSELLER • Jane Hawk—fiction’s most relentless, resourceful, stunning new heroine—continues her battle against a murderous conspiracy in the riveting sequel to *The Silent Corner*. “No time to delay. Do what you were born to do. Fame will be yours when you do this.” These are the words that ring in the mind of mild-mannered, beloved schoolteacher Cora Gundersun—just before she takes her own life, and many others’, in a shocking act of carnage. When the disturbing contents of her secret journal are discovered, it seems certain that she must have been insane. But Jane Hawk knows better. In the wake of her husband’s inexplicable suicide—and the equally mysterious deaths of scores of other exemplary individuals—Jane picks up the trail of a secret cabal of powerful players who think themselves above the law and beyond punishment. But the ruthless people bent on hijacking America’s future for their own monstrous ends never banked on a highly trained FBI agent willing to go rogue—and become the nation’s most wanted fugitive—in order to derail their insidious plans to gain absolute power with a terrifying technological breakthrough. Driven by love for her lost husband and by fear for the five-year-old son she has sent into hiding, Jane Hawk has become an unstoppable predator. Those she is hunting will have nowhere to run when her shadow falls across them. Don’t miss any of Dean Koontz’s gripping Jane Hawk thrillers: *THE SILENT CORNER* • *THE WHISPERING ROOM* • *THE CROOKED STAIRCASE* • *THE FORBIDDEN DOOR* • *THE NIGHT WINDOW* Praise for *The Whispering Room* “Koontz has never exactly shied away from complex characters or situations. And this situation gets very complex indeed, as Jane pursues the people behind the conspiracy with the kind of single-minded relentlessness that makes the book absolutely spellbinding. As good as *The Silent Corner* was, this one’s even better. . . . Koontz is on another roll with a new series that boasts a juicy premise and a compelling star. . . . Pure gold.”—Booklist (starred review) “A deeply layered, satisfying thriller that is character-driven and nearly impossible to put down . . . grounded in many real-world, current issues . . . [The Whispering Room] never loses sight of the classic political/sci-fi/thriller elements that make it so much fun to read.”—Bookreporter

### Shadowfires Penguin

Innocence By Dean KoontzSummary By Gyorgy Martin Dean Koontz, one of the most horrifying authors of all times, returns with his latest suspense novel, *Innocence*. Only the depraved mind of Koontz could imagine a main character whose facial features are so unattractive that they insight anger and rage in everyday citizens. The ugly man, Addison Goodheart, resides in a secluded part of town and he is convinced the solitude is a gift. When Addison meets a young lady, Gwyneth, his life takes a turn for a worse as he suddenly finds himself involved in a murder plot as thick as anything Koontz has ever written. Though this story isn't as terrifying as other Koontz classics, it is a return to the macabre which the iconic writer seemed to shy away from with novels such as his *Frankenstein* series. *Innocence* is a fast read and you'll find yourself longing for more before you even finish the last page. The digital eBook saves time and money yet it's every bit as terrifying as the paperback so any true Dean Koontz fan will definitely want to read this story. The Summary of *Innocence* is a great idea because it features a shortened version of the story at a discounted rate. This means it can be read much faster than the paperback, which saves time, and the eBook format means it can be delivered in an instant.

### Phantoms Bantam

### Whispers Penguin

In this chilling original stand-alone novella, available exclusively as an eBook, #1 New York Times bestselling author Dean Koontz offers a taste of what's to come in his new novel, *77 Shadow Street*, with a mesmerizing tale of a homeless boy at large in a city fraught with threats . . . both human and otherwise. Twelve-year-old Crispin has lived on the streets since he was nine—with only his wits and his daring to sustain him, and only his silent dog, Harley, to call his friend. He is always on the move, never lingering in any one place long enough to risk being discovered. Still, there are certain places he returns to. In the midst of the tumultuous city, they are havens of solitude: like the hushed environs of St. Mary Salome Cemetery, a place where Crispin can feel at peace—safe, at least for a while, from the fearsome memories that plague him . . . and seep into his darkest nightmares. But not only his dreams are haunted. The city he roams with Harley has secrets and mysteries, things unexplainable and maybe unimaginable. Crispin has seen ghosts in the dead of night, and sensed dimensions beyond reason in broad daylight. Hints of things disturbing and strange nibble at the edges of his existence, even as dangers wholly natural and earthbound cast their shadows across his path. Alone, drifting, and scavenging to survive is no life for a boy. But the life Crispin has left behind, and is still running scared from, is an unspeakable alternative . . . that may yet catch up with him. There is more to this world, and its darkest corners yet to be encountered, in this eBook's special bonus: a spine-tingling excerpt from Dean Koontz's forthcoming novel, *77 Shadow Street*.
