KENDAL ANGIE

The Brothers Karamazov e-artnow 'A daring and mesmerizing twist on the art of biography' – Douglas Smith, author of *Rasputin: The Biography* 'Anyone who loves [Dostoevsky's] novels will be fascinated by this book' – Sue Prideaux, author of *I Am Dynamite! A Life of Friedrich Nietzsche* Dostoevsky's life was marked by brilliance and brutality. Sentenced to death as a young revolutionary, he survived mock execution and Siberian exile to live through a time of seismic change in Russia, eventually being accepted into the Tsar's inner circle. He had three great love affairs, each overshadowed by debilitating epilepsy and addiction to gambling. Somehow, amidst all this, he found time to write short

stories, journalism and novels such as *Crime and Punishment*, *The Idiot* and *The Brothers Karamazov*, works now recognised as among the finest ever written. In *Dostoevsky in Love* Alex Christofi weaves carefully chosen excerpts of the author's work with the historical context to form an illuminating and often surprising whole. The result is a novelistic life that immerses the reader in a grand vista of Dostoevsky's world: from the Siberian prison camp to the gambling halls of Europe; from the dank prison cells of the Tsar's fortress to the refined salons of St Petersburg. Along the way, Christofi relates the stories of the three women whose lives were so deeply intertwined with Dostoevsky's: the consumptive widow Maria; the impetuous Polina who had visions of assassinating the Tsar; and the faithful stenographer Anna, who did so much to secure his literary legacy.

Reading between the lines of his fiction, Christofi reconstructs the memoir Dostoevsky might have written had life – and literary stardom – not intervened. He gives us a new portrait of the artist as never before seen: a shy but devoted lover, an empathetic friend of the people, a loyal brother and friend, and a writer able to penetrate to the very depths of the human soul.

Writer's Diary Volume 1 Knopf More than half a century after its translation into English, Erich Auerbach's *Mimesis* remains a masterpiece of literary criticism. A brilliant display of erudition, wit, and wisdom, his exploration of how great European writers from Homer to Virginia Woolf depicted reality has taught generations how to read Western literature. This new expanded edition includes a substantial essay in introduction by Edward Said as well as an

essay, never before translated into English, in which Auerbach responds to his critics. A German Jew, Auerbach was forced out of his professorship at the University of Marburg in 1935. He left for Turkey, where he taught at the state university in Istanbul. There he wrote *Mimesis*, publishing it in German after the end of the war. Displaced as he was, Auerbach produced a work of great erudition that contains no footnotes, basing his arguments instead on searching, illuminating readings of key passages from his primary texts. His aim was to show how from antiquity to the twentieth century literature progressed toward ever more naturalistic and democratic forms of representation. This essentially optimistic view of European history now appears as a defensive--and impassioned--response to the inhumanity he saw in the Third Reich. Ranging over works in Greek, Latin, Spanish, French, Italian, German, and English, Auerbach used his remarkable skills in philology and comparative literature to refute any narrow form of nationalism or chauvinism, in his own day and ours. For many readers, both inside and outside the academy, *Mimesis* is among the finest works of literary criticism ever written. This Princeton Classics edition includes a substantial introduction by Edward Said as well as an essay in which Auerbach responds to his critics.

1873-1876 □□□

Joseph Frank's award-winning, five-volume *Dostoevsky* is widely recognized as the best biography of the writer in any language--and one of the greatest literary biographies of the past half-century. Now Frank's monumental, 2500-page work has been skillfully abridged and condensed in this single, highly readable volume with a new preface by the author. Carefully preserving the original work's acclaimed narrative style and combination of biography, intellectual history, and literary criticism, *Dostoevsky: A Writer in His Time* illuminates the writer's works--from his first novel *Poor Folk* to *Crime and Punishment* and *The Brothers Karamazov*--by setting them in their personal, historical, and above all ideological context. More than a biography in the usual sense, this is a cultural history of nineteenth-century Russia, providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work.

A WRITER'S DIARY: 1873-1876

University of Toronto Press

A stunning new edition featuring fresh translations of six of this classic Russian

writer's most thrilling short stories in a beautiful Pushkin Collection edition. This vivid collection of new translations by Nicolas Pasternak Slater and Maya Slater illuminates Dostoevsky's dazzling versatility as a writer. His remarkable short fiction swings from wickedly sharp humour to gripping psychological intensity, from cynical social mockery to moments of unexpected tenderness. The stories in this collection range from impossible fantasy to scorching satire. • A civil servant finds a new passion for his work when he's swallowed alive by a crocodile. • A struggling writer stumbles on a cemetery where the dead still talk to each other. • An arrogant but well-intentioned gentleman provokes an uproar at an aide's wedding, and in the marital bed. • A young boy finds unexpected salvation on a cold and desolate Christmas Eve.

A Bad Business Random House

This is the second volume of the complete collection of writings that has been called Dostoevsky's boldest experiment with literary form; it is a uniquely encyclopedic forum of fictional and nonfictional genres. The Diary's radical format was matched by the extreme range of its contents. In a single frame it incorporated an astonishing variety of material: short stories; humorous sketches; reports on sensational crimes; historical predictions; portraits of famous people; autobiographical pieces; and plans for stories, some of which were never written while others appeared in the Diary itself.

The Russian Soul Pushkin Collection

This second book in a three-volume work on the young Fyodor Dostoevsky is a diary-portrait of his early years drawn from letters, memoirs, and criticism of the writer, as well as from the testimony and witness of family and friends, readers and reviewers, and observers and participants in his life. The result of an exhaustive search of published materials on Dostoevsky, this volume sheds crucial light on the many unexplored corners of Dostoevsky's life in the time between the success of his first novel, *Poor Folk*, and the failure of his next four works. Thomas Gaiton Marullo lets the original writers speak for themselves--the good and the bad, the truth and the lies--and adds extensive notes with correctives, counterarguments, and other pertinent information. Marullo looks closely at Dostoevsky's increasingly tense ties with Vissarion Belinsky, Nikolai Nekrasov, Ivan Turgenev, and other figures of the Russian literary world. He then turns to the individuals who afforded Dostoevsky security and peace amid the often

negative reception from fellow writers and readers of his early fiction. Finally, Marullo shows us Dostoevsky's break with the Belinsky circle; his struggle to stay afloat emotionally and financially; and his determination to succeed as a writer while staying true to his vision, most notably, his insights into human psychology that would become a hallmark of his later fiction. This clear and comprehensive portrait of one of the world's greatest writers provides a window into his younger years in a way no other biography has to date.

A WRITER'S DIARY VOLUME 2

Northwestern University Press

Entries assess the life and literary career of the famous Russian writer, covering writers who influenced his work, literary movements with which he is associated, and ideas and themes that appear throughout his writings.

Fyodor Dostoevsky—The Gathering Storm (1846-1847) Cornell University Press

When *Edie* was first published, it quickly became an international bestseller and then took its place among the classic books about the 1960s. *Edie Sedgwick* exploded into the public eye like a comet. She seemed to have it all: she was aristocratic and glamorous, vivacious and young, Andy Warhol's superstar. But within a few years she flared out as quickly as she had appeared, and before she turned twenty-nine she was dead from a drug overdose. In a dazzling tapestry of voices—family, friends, lovers, rivals—the entire meteoric trajectory of *Edie Sedgwick's* life is brilliantly captured. And so is the Pop Art world of the '60s: the sex, drugs, fashion, music—the mad rush for pleasure and fame. All glitter and flash on the outside, it was hollow and desperate within—like *Edie* herself, and like her mentor, Andy Warhol. Alternately mesmerizing, tragic, and horrifying, this book shattered many myths about the '60s experience in America.

Dostoevsky Chelsea House

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are

drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoyevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

The Dostoyevsky Encyclopedia Library of Alexandria

From the author of the definitive biography of Fyodor Dostoyevsky, never-before-published lectures that provide an accessible introduction to the Russian writer's major works Joseph Frank (1918-2013) was perhaps the most important Dostoyevsky biographer, scholar, and critic of his time. His never-before-published Stanford lectures on the Russian novelist's major works provide an unparalleled and accessible introduction to some of literature's greatest masterpieces. Presented here for the first time, these illuminating lectures begin with an introduction to Dostoyevsky's life and literary influences and go on to explore the breadth of his career—from Poor Folk, The Double, and The House of the Dead to Notes from Underground, Crime and Punishment, The Idiot, and The Brothers Karamazov. Written in a conversational style that combines literary analysis and cultural history, Lectures on Dostoyevsky places the novels and their key characters and scenes in a rich context. Bringing Joseph Frank's unmatched knowledge and understanding of Dostoyevsky's life and writings to a new generation of readers, this remarkable book will appeal to anyone seeking to understand Dostoyevsky and his times. The book also includes Frank's favorite review of his Dostoyevsky biography, "Joseph Frank's Dostoyevsky" by David Foster Wallace, originally published in the Village Voice.

This unique collection of Fyodor Dostoyevsky's complete works has been formatted to the highest digital standards and adjusted for readability on all devices. Fyodor Dostoyevsky (1821-1881) was a Russian novelist, short story writer, essayist, journalist and philosopher. His literary works explore human psychology in the troubled political, social, and spiritual atmosphere of 19th-century Russia. Many of his works contain a strong emphasis on Christianity, and its message of absolute love, forgiveness and charity, explored within the realm of the individual, confronted with all of life's hardships and beauty. His major works include Crime and Punishment, The Idiot, Demons and The Brothers Karamazov. Many literary critics rate him as one of the greatest and most prominent psychologists in world literature. His novella Notes from Underground is considered to be one of the first works of existentialist literature. NOVELS: Netochka Nezvanova The Village of Stepanchikovo The Insulted and Humiliated The House of the Dead Crime and Punishment The Idiot The Possessed (Demons) The Raw Youth (The Adolescent) The Brothers Karamazov NOVELLAS: Poor Folk The Double The Landlady Uncle's Dream Notes from Underground The Gambler The Permanent Husband SHORT STORIES: The Grand Inquisitor (Chapter from The Brothers Karamazov) Mr. Prohartchin A Novel in Nine Letters Another Man's Wife or, The Husband under the Bed A Faint Heart Polzunkov The Honest Thief The Christmas Tree and The Wedding White Nights A Little Hero An Unpleasant Predicament (A Nasty Story)

Collects several stories and features "Notes from Underground," in which the narrator leaves his life as an official and goes underground, where he makes obsessive observations on utopianism and the irrational nature of humankind.

Dostoyevsky's Occasional Writings Ann Arbor : Ardis

From the acclaimed biographer of Jane Jacobs and Srinivasa Ramanujan comes the first full life and work of arguably the most influential classical scholar of the twentieth century, who overturned long-entrenched notions of ancient epic poetry and enlarged the very idea of literature. In this literary detective story, Robert Kanigel gives us a long overdue portrait of an Oakland druggist's son who became known as the "Darwin of Homeric studies." So thoroughly did Milman Parry change our thinking about the origins of Homer's Iliad and Odyssey that scholars today refer to a "before" Parry and an "after." Kanigel describes the "before," when centuries of readers, all the way up until Parry's trailblazing work in the 1930's, assumed that the Homeric epics were "written" texts, the way we think of most literature; and the "after" that we now live in, where we take it for granted that they are the result of a long and winding oral tradition. Parry made it his life's work to develop and prove this revolutionary theory, and Kanigel brilliantly tells his remarkable story--cut short by Parry's mysterious death by gunshot wound at the age of thirty-three. From UC Berkeley to the Sorbonne to Harvard to Yugoslavia--where he traveled to prove his idea definitively by studying its traditional singers of heroic poetry--we follow Parry on his idiosyncratic journey, observing just how his early notions blossomed into a full-fledged theory. Kanigel gives us an intimate portrait of Parry's marriage to Marian Thanouser and their struggles as young parents in Paris, and explores the mystery surrounding Parry's tragic death at the Palms Hotel in Los Angeles. Tracing Parry's legacy to the modern day, Kanigel explores how what began as a way to understand the Homeric epics became the new field of "oral theory," which today illuminates everything from Beowulf to jazz improvisation, from the Old Testament to hip-hop.
