### ARIANA JACOBS

**A novel** Wizards of the Coast

Terry Goodkind returns to the lives of Richard Rahl and Kahlan Amnell—in *The Third Kingdom*, the direct sequel to his #1 New York Times bestseller *The Omen Machine*. Richard saw the point of a sword blade sticking out from between the man's shoulder blades. He spun back toward Richard after throwing the woman out the opening, ready to attack. It seemed impossible, but the man looked unaffected by the blade that had impaled him through the chest. It was then, in the weak light from the fire pit off to the side, that Richard got his first good look at the killer. Three knives were buried up to their brass cross-guards in the man's chest. Only the handles were showing. Richard saw, too, the broken end of a sword blade jutting out from the center of the man's chest. The point of that same blade stuck out from the man's back. Richard recognized the knife handles. All three were the style carried by the men of the First File. He looked from those blades that should have killed the big man, up into his face. That was when he realized the true horror of the situation, and the reason for the unbearable stench of death.

### A SWORD OF TRUTH NOVEL

Macmillan

"Severed Souls -- A sweeping new novel of Richard Rahl, Kahlan Amnell, and their world from New York Times Bestselling author, Terry Goodkind"--

**Debt of Bones** Tor Books

A haunting, gloriously imagined novel by the acclaimed author of *History of a Pleasure Seeker* ("a classic" —The Washington Post), set in early twentieth-century colonial Cape Town, and a forest full of witch doctors, stingless bees, and hungry leopards. It is 1914. Germany has just declared war on France. Piet Barol was a tutor before he came to South Africa, his wife, Stacey, an opera singer. In Cape Town they are living the high life, impersonating French aristocrats—but their lies are catching up with them. The Barols' furniture business is on the verge of collapse. They need top-quality wood, and they need it cheap. Piet enlists two Xhosa [pron. KO-sa] men to lead him into a vast forest, in search of a fabled tree. The Natives Land Act has just abolished property rights for the majority of black South Africans, and whole families have been ripped apart. Piet's guides have their own reasons to lead him through the trees, and to keep him alive while he's useful to them. Far from the

comforting certainties of his privileged existence, Piet finds the prospect of riches beyond measure—and the chance to make great art. He is sure he'll be able to buy what he needs for a few glass trinkets. But he's underestimating the Xhosa, who believe the spirits of their ancestors live in this sacred forest. Battle lines are drawn. When Piet's powers of persuasion fail him, he resorts to darker, more dangerous talents to get what he is determined to have. As the story moves to its devastating conclusion, every character becomes a suspect, and Piet's arrogance and guile put him on a collision course with forces he cannot understand and that threaten his seemingly enchanted existence.
