BooksWith publication of The Religion War, millions of long-time fans of Scott Adams's Dilbert cartoons and business best sellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums. The Religion War by Scott Adams (2004, Hardcover) for sale ... 'The Religion War' is great entertainment, where 'Gods Debris' is mostly philosophy. This book is an action fantasy novel, set in the near future, and the story really rocks. The pace is fast, the characters are interesting, and the messages are powerful. Amazon.com: Customer reviews: The Religion War The Religion War starts

with a great premise: What would happen if the terrorists were successful to the point of threatening the existence of the West? One plausible result, and the one that Adams picks up, is that a Hitler-like character would rise to power in the Christian-dominated countries and would seek to end the problem of terror at any price to civilians on the other side. The Religion War book by Scott Adams - ThriftBooks The Religion War finds the deliveryman turned Avatar from God's Debris facing a world bent on destroying itself. It seems the world has been divided up between the Christians and the Muslims. It seems the world has been divided up between the

Christians and the Muslims. The Religion War by Scott Adams | Collected Miscellany Instead, Adams chose to write a fast-moving narrative replete with explosions, nerve gas, gun violence, unbelievably stereotypical characters, and a disdain for religion that offended even me, an atheist. I felt like I was reading the next frenetic bowel movement from James Patterson, not something witty, cohesive, and mind-expanding. Amazon.com: Customer reviews: The Religion War According to Adams, The Religion War targets "bright readers with short attention spans- everyone from lazy students to busy book

clubs." But while the book may be a three-hour read, it's packed with concepts that will be discussed long after, including a list of "Questions to Ponder in the Shower" that reinforce the story's purpose of highlighting the most important-yet most ignored-questions in the world.

With publication of The Religion War, millions of long-time fans of Scott Adams's Dilbert cartoons and business best sellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums.
