**Quote, Unquote** Createspace Independent Publishing Platform  
Ode to Boy Vol. 1 is a refreshingly readable collection of literature

devoted to same-sex attraction from the ancient Greeks through the Eighteenth Century. Includes works from Homer, Solon, Sappho, the Old Testament, Anacreon, Theognis, Pindar, Plato, Xenophon, Callimachus, Meleager, Catullus, Virgil, Horace, Petronius, Plutarch, Ovid, Aelian, Strato, Agathius, Rumi, Hafiz, Michelangelo, Montaigne, Marlowe, Shakespeare, Richard

Barnfield, Katherine Philips, Aphra Behn, and Anna Seward. Hale's introductions to the authors are to the point and sometimes witty, specifying why the author or work is included in the volume and sometimes providing a larger biographical scope.

## BIBLIOGRAPHIC GUIDE TO ART AND ARCHITECTURE

Yearling

When a young boy at a bowling alley has his cheeseburger delivered by a handsome future air force cadet, an infatuation develops so strong that three years later, when he learns the older boy's home town, he sets off on his bike to find him. The relationship that develops between the two boys is one of the most heart-warming and seductive in coming of age literature. Keith Hale, the author of *Cody* known for his honest portrayals of young adult lives and sexuality, has written a beautiful story with characters readers will want to befriend.

**Edleston** Createspace Independent Pub

Winner of the Paul Sidwell Memorial Award, *Letters to a Shooting Star* follows Arkansas country boy Ben Goodman through childhood and adolescence, focusing primarily on the period when he crosses paths with the book's other protagonists, Pennsylvania-raised brothers Ethan and Daniel Henry. Each boy has a compelling story, and when the stories are set side-by-side, then merged, the result is both heartwarming and hopeful. The book is both a coming of age novel and a love story told in fine, understated Southern tradition, reminiscent of Eudora Welty, Thomas Hal Phillips, and Flannery O'Connor.

**Selected Poems** Alyson Books

A likeable, intelligent high school senior, Mateo Bernard is new to Little Rock. Cody Redan has lived there all his life. Yet, when they meet, there's a familiarity, a sense they've known each other before. By turns funny, romantic, insightful, and sad, this evocative novel brilliantly recreates the landscape of late adolescence, when friendships seem eternal and loves reincarnate. *Memory and Madness* is a unique contribution to coming of age literature. Earlier versions of the novel were published under the titles of *Cody* and *Clicking Beat on the Brink of Nada*. A haunting vision of young friendship shattered by an outrageously cruel world. The novel aches with adolescent first loves. It is tender, funny, and true.- William S. Burroughs, author of *Naked Lunch* Commands much of J.R. Ackerley's honesty, intimacy, and ease of style. Real warmth.- Jonathan Williams, *Musings* A sense of life, the search for identity, intellectual militancy, the ambiguity of human relationships, unsatisfied desire, and weakness in facing existence are just some of the

facets of life that the author evokes with precision.- Livres (Brussels) This novel is a must.- RFD (Asheville, NC) Poetically evokes the pathos of early friendships and the frailty of adolescent dreams.- The Advocate The author has given his novel characters with tenderness, wit, and humanity. You should rush to purchase this book-a remarkable novel that deserves wide readership.- Bay Area Reporter (San Francisco) Top of the heap of gay fiction.- Gay Community News (Boston) The message transcends common reality. ... The author charts the victory of substance over appearance, of everlasting truths over transient physical relationships. His characters give off warmth and forthrightness in equal portions.- This Week in Texas (Houston) One of the best of its generation, this novel is beautifully written, exciting (and sexy), and full of incident and charm. Even minor characters are treated with Dickensian relish.- Gay Star (Belfast) A novel about individualism, the right to be whatever you want to be. ... This book should be read by kids and adults alike ... A gay teen coming out classic.- Lambda Rising Book Report (D.C.) The real triumph of the novel is its portraits of adolescent love. This reviewer can think of no recent novel that has done it better... A very considerable achievement.- English Language Book Review (Amsterdam) This book is about being gay, and being straight, and a teenager, in Little Rock, Arkansas, but it is about so much more that it defies definition. ... It contains exquisite poetry, beautiful prose, very little sex, and lots of love. ... I recommend this book without hesitation.- SAFE teen (London, Ontario) I urge everyone to get a copy of this book.- Arkansas Advisor The realistic loves of young people and the moving plot keep the reader interested throughout the novel.- Tulsa Week Evokes the pain, strong emotions, and exclusiveness of adolescence. It deserves a broad audience.- Voice of Youth Advocates (Virginia Beach) Packs a powerful punch in its darkly realistic portrayal of adolescent sexuality; it will leave you shaken in its honest examination of the evolution... of friendship. Don't miss this one.- TLN (Eugene, OR) This story evolves into a quietly poignant and painful portrait of young love and loss with surprisingly little pretension.- OUT! (Pittsburgh) The novel is strongly written.- The Calendar (San Antonio) What takes this novel above the pack is its unique combination of teenage angst, political controversy, and male/male love.- The Weekly News (Miami) Tragic, moving, and at times powerful.- OUT (Madison,

WI) What the book does so well is to portray the way teenagers look at the world they are about to face. ... There is even salvation in a series of events near the end that offer a life-long memory to be cherished despite the pain.- Edge (Los Angeles) A triumphant portrait of adolescent love. - Just Out (Portland) *Clicking Beat on the Brink of Nada* Createspace Independent Publishing Platform

The inside story of how the Dodgers won their first championship in more than thirty years—but helped cripple the sport of baseball in the process After years of frustrating playoff runs, the Los Angeles Dodgers finally reclaimed the World Series trophy after more than thirty years, led by star pitcher Clayton Kershaw, electric outfielder Mookie Betts, and a bevy of impressive young players assembled by team president Andrew Friedman. No team is better positioned to win now and in the future. Yet winning at modern baseball is nothing like it was even twenty years ago. In the years since the famous Moneyball revolution, baseball has grown to look less like a sport than a Wall Street firm that traded its boiler room for a field. Teams relentlessly chase every tiny advantage to win games and make money, even as it hurts fans, TV ratings, and players, courting bigger problems in the long run. This dramatic and insightful book takes you into the clubhouse with the championship players, as well as into the offices where teams constantly seek new ways to win—even when it hurts the game. *How to Beat a Broken Game* shows not only what it takes to win, but what it will take to save the sport.

**Clicking Beat on the Brink of Nada** *Clicking Beat on the Brink of Nada* By turns funny, romantic, erotic, and sad, this evocative novel brilliantly recreates the landscape of late adolescence, when friendships seem eternal and loves reincarnate. Set in Arkansas but first published in Amsterdam, *Clicking Beat on the Brink of Nada* (published under the title of *Cody* in United States) quickly won praise from reviewers and readers across Europe and North America. So beautiful, brave, and ahead of its time that William S. Burroughs was an early fan, *Clicking Beat* remains remarkably current and continues to be unique in coming of age literature. Please note that the interior of this edition has been replaced with that of *Cody Redux*, a completely revised version of the novel published in 2017 with an additional thirty-five pages of material incorporated throughout the book. A haunting vision of young friendship shattered by an outrageously cruel world. Keith

Hale's novel aches with adolescent first loves. It is tender, funny, and true. - William S. Burroughs Don't overlook Keith Hale's Clicking Beat on the Brink of Nada. Hale commands much of J.R. Although hormone replacement therapy (HRT) is routinely prescribed for millions of American women with menopause, little is known about its long-term efficacy or its side effects. As more women seek alternatives to the synthetic or animal estrogens used in HRT, a growing body of scientific research suggests that the effects of menopause can be countered naturally through diet. Using the latest research on nutrition for women, including antioxidant vitamins, calcium, and fats, the authors provide a symptom-by-symptom breakdown to help women recognize and address their nutritional needs. Discover: Nutrients that nourish your skin from the inside out What to eat to beat hot flashes and fatigue Foods that produce natural tranquilizers for your body. More than 200 wholesome and fresh recipes reflect both nutrition and cooking expertise, with dishes like Full of Vegetables Beef Stew, Garlic Soup with Bruschetta, Curried Barley with Caramelized Onions, and Peach Crumble. All are vibrantly flavored with juices, herbs, and spices from around the world. Recipes for Change opens up a new world of feeling and eating well-meeting the challenges of menopause, and providing the wisdom and enthusiasm for good food and good nutrition without the use of HRT. Nominated for the 1996 IACP "Health and Special Diet" award and "Books for a Better Life" award. Forthcoming from Plume is SOS for PMS, by Lissa DeAngelis and Molly Siple.

**Recipes for Change** Createspace Independent Publishing Platform

The world as we know it is undergoing a sudden and violent transformation, unlike anything the planet has experienced since the Cretaceous Extinction. The evidence is all around us: vast droughts that last decades, super-storms and floods that destroy cities, dwindling aquifers, vanishing glaciers, toxic water supplies, raging wildfires, obscure new diseases, vanishing species and indigenous communities. Our planet is changing faster than evolution can keep up. The forces driving this radical transformation are not natural. The earth has been brought to the brink by a greed-based predatory economic system that chews up anything in its path and spits it out to the bitter end. Environmental journalists Jeffrey St. Clair and Joshua Frank take you on a sobering field trip through the danger zones; from the

strip mines of Appalachia to last refuge of the grizzly, from the dirty fracking fields to the world's most dangerous place, the Hanford Nuclear Site in the Pacific Northwest. The Big Heat charts the battle lines for the future of the planet, from corporate villains to corrupt politicians and the fearless environmentalists who are standing up against the pillaging. This is an unflinching chronicle of the last fight that really matters.

**Cody Redux** Createspace Independent Publishing Platform

New York Times bestselling author John Feinstein goes behind closed doors at the US Open . . . When teen sportswriters Stevie Thomas and Susan Carol Anderson score press passes to the U.S. Open they expect drama. They expect blistering serves, smashed returns and fierce competition. What they don't expect is kidnapping. Russian tennis phenom Nadia Symanova was supposed to win it all, but she never even made it onto the court. Now the whole stadium is in an uproar trying to find her. Can Stevie and Susan Carol get to Nadia before it's too late? "Feinstein expertly combines tennis action, life in the Big Apple, media coverage, and a realistic plot to explore the fierce competition of tennis." —Chicago Sun-Times

Change-Up: Mystery at the World Series (The Sports Beat, 4)

Createspace Independent Publishing Platform

A behind-the-scenes mystery at the World Series from bestseller John Feinstein. Bestselling author, journalist, and Edgar Award winner John Feinstein is back with another high-stakes sports mystery. Teen reporters Stevie Thomas and Susan Carol Anderson are covering baseball's World Series, and during the course of an interview with a new hot pitcher, they discover more than a few contradictions in his life story. What's he hiding? An embarrassing secret? A possible crime? Let the investigation begin!

Brink Book Three Read Books Ltd

Yusuf Parish Jimmy: Two stories from the Heart of Texas and one from the Arkansas Delta collects three of Keith Hale's shorter works of fiction into one volume. In "Breathless," a high school senior in small town Arkansas finds a new boy in class on the first day of school--a handsome exchange student from Turkey whose presence in town causes a stir. As the friendship develops, hearts and minds are stirred as well, especially when the young Turk attempts to teach his new American friend the traditional Turkish

sport of oil wrestling. "Nothing Strikes Back" asks the question, "What do you do when your girlfriend's younger brother is the best-looking person on the planet and has a thing for you?" Parish doesn't know what he's going to do, but he's about to find out. Hale pieces together an Austin short story that is both charming and sexy. As usual, the narrative voice is winsome and the characters are inviting in this tale of friendship between a younger male who knows he's gay and the guy getting dumped by his sister. "Truck" is a Waco tale in which Hale explores the relationship between gay and straight best friends. Chris has been in love with his best friend Jimmy since childhood. While Chris is at college, Jimmy is sent to prison. Now Jimmy is free once more and the two meet again. Chris, or "Topi," as Jimmy calls him, begins to understand that Jimmy is not the only one who has made mistakes. With eyes wide open, both men re-examine their friendship in a narrative as sparse as the Central Texas setting.
