 We are all called to a wedding. We all come from a royal bloodline. We all need to see and take our positions As princes and princesses and walk as one. This is a book of poetry, each

poem connecting to another. It tells the story of a Prince who called His princess to come away from poverty to her rightful place as the daughter of the King. But the princess forgot who she was, And the Prince found her begging for bread on the streets. With one kiss of His lips, She awoke from her deep sleep. The Prince brought her back to the palace Where a royal wedding took place- The wedding she always saw in her dreams

SONGS TO SING AND PICTURE

University of Oklahoma Press

New Zealanders love to sing together, and we've done so in choirs for over 200 years. In *Sing New Zealand*, Guy E. Jansen describes our country's choral music trajectory, from the amateur efforts of the nineteenth century to today's internationally renowned choirs. It's a story about striving for excellence—and achieving it. This book is the first to bring together the stories and history of this significant aspect of New Zealand's culture.
