An erotic, science-fiction horror epic, Hiroya Oku's *Gantz* is a sensation in Japan, setting the bar for outrageous, shocking, and bizarre manga, not for children or the easily offended! Fighting an endless stream of bizarre alien monstrosities in a deadly game, will they win their freedom or die for the final time?

One of the top-selling manga in Japan today, with the first four volumes having sold more than 2,300,000 units since March 2013, now hits North American shores. *AJIN* combines super-natural themes with sci-fi action for a very modern high-paced yarn that should compete with most popular current manga and comic titles. How might one silence a nation's command structure in just two hours? By being devious and undying, for starters—and taking over Japan is exactly what Sato threatens for his "final wave," now that Iruma Base has fallen to his merry gang. Goodbye, Prime Minister.
