Buying and Selling a Home For Canadians For Dummies John Wiley & Sons

"...a book for every Canadian in a small or home-based business who is struggling with complex tax rules and regulations." —Dale Ennis, Canadian MoneySaver "...easy-going style and avoidance of the more mind-numbing details make for a solid primer on the perks and pitfalls of self-employment. The...one-sentence tips in the appendix are probably worth the price of admission alone." —Gordon Powers, The Globe and Mail "...one of the better books I've seen on the market for small-business owners and better yet, it's all Canadian content." —Linda A. Fox, The Toronto Sun As a small-business owner or a home-based entrepreneur, you have lots of questions about taxes, but very few answers. Fortunately for you, 167 Tax Tips for Canadian Small Business contains a wealth of tax planning advice and strategies to help you save on your business tax bill. So whether you want to do it yourself or reduce what you pay your accountant - not to mention the government - this is how you'll keep more money in your pocket, where it belongs. Packed with tax tips that will save you hundreds, or even thousands, of dollars year-round. Written in a question-and-answer format that's easy to understand, practical, and easy to apply. Features 167 "Tax Beaters" - quick-reference tips that highlight key points - plus three bonus tips to help you save even more! Explains how to save taxes in every aspect and at every stage of your business. Features a Year-Round Tax-Planning Calendar. Coverage includes: business start-up, corporate tax planning, GST/HST, deductibility of home and automobile expenses, what to do if you are audited by the Canada Revenue Agency, CPP and QPP deductions for self-employed entrepreneurs, and much more. The ultimate "tax coach" for every Canadian in a small or home-based business, this

book will help you to beat the taxman at his own game!

The Little Black Book of Scams John Wiley & Sons

Small business taxes taxing you out? For most business owners, their single biggest "expense" (and headache) is dealing with their taxes. And while the just passed Congressional tax bill reduced taxes for many of the estimated 30 million small business owners in the U.S., the nation's taxes continue to be complex. Not being up-to-speed on tax rules and strategies can lead to mistakes that cost business owners thousands of dollars in fines and penalties every year. Small Business Taxes For Dummies assists both current and aspiring small business owners with important tax planning issues, including complete coverage of the tax changes taking effect in 2018, creating an ongoing tax routine, dealing with the IRS, and navigating audits and notices. Includes issues influencing incorporated small businesses, partnerships, and LLCs Offers expanded coverage of other business taxes including payroll and sales taxes Provides websites and other online tax resources Gives guidance to millennials juggling multiple gigs If you're a current or aspiring small business owner looking for the most up-to-date tax planning issues, this book keeps you covered.

New Realities for Boomer Women John Wiley & Sons

Whether you're new at the home-buying or selling game in Canada, or whether you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of Buying and Selling a Home For Canadians For Dummies prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent, to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you: Market your home and sell for the highest possible price Negotiate the best price and terms of sale Find the right new

neighbourhood with reasonable prices and the type of housing to suit you and your family Decide whether or not to hire an agent and tips on how to choose a good one Select the best mortgage and understand tax considerations Updated in the 2nd Edition: Examining zero percent down payments, lines of credit and other alternatives to conventional mortgages Using the 'Net: New, useful sites - and what to watch out for Buying condominiums: An expanded chapter full of useful information on what you need to know before you buy Selling your home on your own: Expanded online resources and tips Fixing up your home to sell: Tips from the designers on how to make your home as sellable as possible

Sole Proprietorship John Wiley & Sons

**Small Business Finance All-in-One For Dummies** John Wiley & Sons

Looking for a safe haven from the dreaded stock market? Why not consider investing in Canadian real estate? In the past five years, house prices in Canada have risen an average of 38% and, in the last year, the price of new homes surged by a whopping 4.1%, the largest annual increase since 1989. In fact, investment advisors are now suggesting that any well-diversified portfolio should contain some type of real estate investment. With all of these facts in mind, we'd like to introduce investors to the new financial wave of the future. *Real Estate Investing For Canadians For Dummies* is your answer to reliable investing for your hard-earned retirement nest egg. From real estate investing cycles to types of properties and investments, this book is full of useful tips, checklists and worksheets designed to help you make your investments happen. Whether you're interested in single-family homes, recreational facilities, or commercial properties, this complete guide will provide you with pros, cons and how-to considerations for every real estate investing strategy.

**Wills and Estate Planning For Canadians For Dummies** John Wiley & Sons

**Small Business Taxes For Dummies** John Wiley & Sons

Morrissey's acclaimed, bestselling debut. "A Dickensian brawl of a novel . . . never a dull moment! The reader is willingly swept along in the tide." —St. Louis Post-Dispatch In this powerful novel from one of the most gifted storytellers to emerge from Canada since Carol Shields, we find "all the old-fashioned virtues: a vivid sense of place, an intricate and suspenseful plot, and a feisty heroine whom we can't help rooting for on every page" (Margot Livesey). Kit Pitman is fourteen and lives in a ramshackle cottage on the outer banks of Newfoundland, where isolation is all she knows. The only visitors are fogbound fishermen and an occasional young man brought ashore to keep the bloodlines clean. But Kit's isolation is compounded by the mystery that surrounds her family and her illegitimate birth. Her mother, Josie, is mentally disabled and often runs wild among the clapboard houses that dot the shore. Meanwhile, her grandmother Lizzie staunchly guards them both from the disapproving glances pious townsfolk cast their way. But when Lizzie dies suddenly, Kit and her childlike mother are left vulnerable to life's harsh realities and to unexpected dangers that repeatedly threaten to break them apart. A wrenching story ensues, as Morrissey depicts with exceptional grace the way the lines between mother and daughter in this unlikely relationship, although blurred, are deeply felt. *Kit's Law* is a novel of extraordinary, almost mythical power and marks the debut of an enormous new talent. "An extraordinary trinity of women." —Thomas Keneally, #1 bestselling author of *Schindler's List* "A stunning debut." —The Telegraph "Impossible to put down." —The Sunday Business Post "Speaks directly to the heart." —The Globe and Mail
