The True Story of the Auschwitz Protocol Grove/Atlantic
Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, Auschwitz Report details the authors' harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. Auschwitz Report is a major literary and historical discovery.

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba's memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an

astounding story of heroism and courage in the face of seemingly hopeless circumstances.

A New York Times bestseller The unforgettable story of two unsung heroes of World War II: sisters Janny and Lien Brilleslijper who joined the Dutch Resistance, helped save dozens of lives, were captured by the Nazis, and ultimately survived the Holocaust. Eight months after Germany's invasion of Poland, the Nazis roll into The Netherlands, expanding their reign of brutality to the Dutch. But by the Winter of 1943, resistance is growing. Among those fighting their brutal Nazi occupiers are two Jewish sisters, Janny and Lien Brilleslijper from Amsterdam. Risking arrest and death, the sisters help save others, sheltering them in a clandestine safehouse in the woods, they called “The High Nest.” This secret refuge would become one of the most important Jewish safehouses in the country, serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler. From The High Nest, an underground web of artists arises, giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre-war life of Amsterdam and The Hague. When the house and its occupants are eventually betrayed, the most terrifying time of the sisters' lives begins. As Allied troops close in, the Brilleslijper family are rushed onto the last train to Auschwitz, along with Anne Frank and her family. The journey will bring Janny and Lien close to Anne and her older sister Margot. The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage, their resilience, and their love for each other. Based on meticulous research and unprecedented access to the Brilleslijpers' personal archives of memoirs and photos, *Sisters of Auschwitz* is a long-overdue homage to two young women's heroism and moral bravery—and a reminder of the power each of us has to change the world.

Escape from Auschwitz Henry Holt and Company (BYR)

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a

tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

'That nickname . . . ' "Little bird." It wasn't mine. I found out later he gave it to every little girl that came in to be injected. "Little Bird" didn't mean anything. It was a trick. There were thousands of "little birds", just like me, all thinking they were the only one.'

As a reporter, Jacques Peretti has spent his life investigating important stories. But there was one story, heard in scattered fragments throughout his childhood, that he never thought to investigate. The story of how his mother survived Auschwitz. In the few last months of the Second World War, thirteen-year-old Alina Peretti, along with her mother and sister, was one of thirteen thousand non-Jewish Poles sent to Auschwitz. Her experiences there cast a shadow over the rest of her life. Now ninety, Alina has been diagnosed with dementia. Together, mother and son begin a race against time to record her memories and preserve her family's story. Along the way, Jacques learns long-hidden secrets about his mother's family. He gains an understanding of his mother through retracing her past, learning more about the woman who would never let him call her 'Mum'. *Auschwitz #34207* Scholastic Inc.

"Klara Wizel is full of life at sixteen years old. But a horrific chain of events puts her in one of the most terrifying places imaginable: Auschwitz-Birkenau. There she comes face to face with one of history's most infamous Nazi doctors, nicknamed the Angel of Death, Josef Mengele. With her parents and two of her siblings already killed in the gas chambers, Klara and her two remaining sisters struggle to survive in the women's barracks until Mengele sentences Klara herself to die. But as she waits in the holding room of the chambers, she manages to orchestrate a remarkable death-defying escape. Already the subject of an award-winning documentary, *Auschwitz Escape: The Klara Wizel Story* is based on dozens of personal interviews, and it recounts the inspirational tale of a girl who escapes imminent death at the hands of one of the world's most notorious war criminals."--Back cover.

Of the countless stories of resistance, ingenuity, and personal risk to emerge in the years following the Holocaust, among the most remarkable, yet largely overlooked, are those of the hundreds of Jewish deportees who escaped from moving trains bound for the extermination camps. In France, Belgium, and the Netherlands alone over 750 men, women and children undertook such dramatic escape attempts, despite the extraordinary uncertainty and physical danger they often faced. Drawing upon extensive interviews and a wealth of new historical evidence, *Escapees* gives a fascinating collective account of this hitherto neglected form of resistance to Nazi persecution.

Beyond Bravery Praeger

Escaping Hell is the compelling and true story of a heroic young Polish officer who survived the terror of five years in the prisons of Auschwitz and Buchenwald – where violence was meaningless because human life had lost all value. During World War II, Kon Piekarski was a member of the Polish Underground Army, a clandestine resistance movement which operated even inside Auschwitz – organizing spectacular escapes, operating a secret radio network and matching wits with the Gestapo. After Auschwitz, Piekarski became a prisoner of war at Buchenwald and spent time working in a factory where Russian prisoners of war were used for labour. In the face of constant danger, he and his comrades took every possible opportunity to sabotage the German war industry. He was finally transferred to a small camp near the French border, and escaped three months before the end of the war.

September 1940. Polish Army officer Witold Pilecki deliberately walked into a Nazi German street round-up in Warsaw and became Auschwitz Prisoner No. 4859. He had volunteered for a secret undercover mission: smuggle out intelligence about the new German concentration camp, and build a resistance organization among prisoners. Pilecki's clandestine intelligence, received by the Allies in 1941, was among earliest. He escaped in 1943 after accomplishing his mission. Dramatic eyewitness report, written in 1945 for Pilecki's Polish Army superiors, published in English for first time. --amazon.com.

On 6 November 1942 70 captured Red Army soldiers staged an extraordinary mass escape from Auschwitz. Among these men was prisoner number 1418 Andrey Pogozhev. He survived, and this is his story. Pogozhev was caught by the Germans in 1941 and was sent to Auschwitz. The fact that Pogozhev survived the appalling conditions in the camp is remarkable in itself. That he should also have taken part in one of the few successful escapes makes his gripping narrative rare indeed. His description of the escape and his subsequent journey as a fugitive to the east, through the Carpathian mountains into the Ukraine, is unforgettable reading. "AUTHOR: Andrey Pogozhev was born in 1912 at Donsk in the Ukraine, and before the war he worked as a miner and mining engineer. He was mobilized in June 1941 and fought as a platoon commander of regimental artillery, but he was recaptured in September. He spent a year at Auschwitz, escaped, was recaptured, and then escaped from the Germans again. He finally reached the Soviet lines in 1943. After the war he went back to his work as a mining engineer. Andrey Pogozhev died in 1990. "SELLING POINTS: Rare memoir of a Soviet soldier's escape from a concentration camp. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life's work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from "Wild" Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling.

THE JOE RUBINSTEIN STORY : A REMARKABLE JOURNEY OF TRIUMPH AND SURVIVAL

Dundurn

The controversial English-language debut of celebrated Israeli novelist Yishai Sarid is a harrowing, ironic parable of how we reckon with human horror, in which a young, present-day historian becomes consumed by the memory of the Holocaust. Written as a report to the chairman of Yad Vashem, Israel's memorial to the victims of the Holocaust, our unnamed narrator recounts his own undoing. Hired as a promising young historian, he soon becomes a leading expert on Nazi methods of extermination at concentration camps in Poland during World War II and guides tours through the sites for students and visiting dignitaries. He hungrily devours every detail of life and death in the camps and takes pride in being able to recreate for his

audience the excruciating last moments of the victims' lives. The job becomes a mission, and then an obsession. Spending so much time immersed in death, his connections with the living begin to deteriorate. He resents the students lost in their iPhones, singing sentimental songs, not expressing sufficient outrage at the genocide committed by the Nazis. In fact, he even begins to detect, in the students as well as himself, a hint of admiration for the murderers—their efficiency, audacity, and determination. Force is the only way to resist force, he comes to think, and one must be prepared to kill. With the perspicuity of Kafka's *The Trial* and the obsessions of DeLillo's *White Noise*, *The Memory Monster* confronts difficult questions that are all too relevant to Israel and the world today: How do we process human brutality? What makes us choose sides in conflict? And how do we honor the memory of horror without becoming consumed by it? Praise for *The Memory Monster*: "Award-winning Israeli novelist Sarid's latest work is a slim but powerful novel, rendered beautifully in English by translator Greenspan.... Propelled by the narrator's distinctive voice, the novel is an original variation on one of the most essential themes of post-Holocaust literature: While countless writers have asked the question of where, or if, humanity can be found within the profoundly inhumane, Sarid incisively shows how preoccupation and obsession with the inhumane can take a toll on one's own humanity.... it is, if not an indictment of Holocaust memorialization, a nuanced and trenchant consideration of its layered politics. Ultimately, Sarid both refuses to apologize for Jewish rage and condemns the nefarious forms it sometimes takes. A bold, masterful exploration of the banality of evil and the nature of revenge, controversial no matter how it is read." —Kirkus Reviews, Starred Review "[A] record of a breakdown, an impassioned consideration of memory and its risks, and a critique of Israel's use of the Holocaust to shape national identity.... Sarid's unrelenting examination of how narratives of the Holocaust are shaped makes for much more than the average confessional tale." —Publishers Weekly "Reading *The Memory Monster*, which is written as a report to the director of Yad Vashem, felt like both an extremely intimate experience and an eerily clinical Holocaust history lesson. Perfectly treading the fine line between these two approaches, Sarid creates a haunting exploration of collective memory and an important commentary on humanity. How do we remember the Holocaust? What tolls do we pay to carry on memory? This book hit me viscerally, emotionally, and personally. *The Memory Monster* is brief, but in its short account Sarid manages to lay bare the tensions between memory and morals, history and nationalism, humanity and victimhood. An absolute must-read." —Julia DeVarti, *Literati Bookstore* (Ann Arbor, MI) "In Yishai Sarid's dark, thoughtful novel *The Memory Monster*, a Holocaust historian struggles with the weight of his profession.... *The Memory Monster* is a novel that pulls no punches in its exploration of the responsibility—and the cost—of holding vigil over the past." —Eileen Gonzalez, *Foreword Reviews*

"Brilliantly written, vivid, a powerful and often uncomfortable true story that deserves to be read and remembered. It beautifully captures the strength of the bond between a father and son."—Heather Morris, author of #1 New York Times bestseller *The Tattooist of Auschwitz* The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are

arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis' murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable.

For many a trip to the dreaded death camps created by the Nazi's in World War II was a death sentence. Many wouldn't live for long after disembarking their train. These men weighted the odds and were determined to do what few managed to do, escape. They were determined to make it out and warn those that might be next for the camps. Would they make it out? Would anyone listen to what they had to say? Read more and find out. The next story is that of not one or two men finding their way out of a camp, but an all-out revolt. Can the son of a Rabbi and a former Soviet music major rally enough men to entertain certain death? Will they succeed and at what cost? Learn more about their story and find out if they made it to freedom. There is no doubt that the Holocaust was one of the most shameful events in human history. There were triumphs though. Find out what became of these men who were desperate for survival. Comments From Other Readers "Sometimes it is easy to forget the brutality of the Nazis during World War II. The struggle that the Jews went through has been cast in shadow as we move on in time. The camps were a very real thing though. Very few found a way to escape the horror of these concentration camps. This book will help to enlighten the readers about what lengths men will go to in order to save themselves and the lives of others. Excellent story." - Phillip (Washington, United States) "This book is based on the true stories of those who were sent to death camps. They could be considered the fortunate few that were allowed to live. The story of those prisoners in Auschwitz who saw the atrocities there day after day saw trainloads of people brought in. It was the rumor that hundreds of thousands of other Jews were to be sent there to die immediately upon arrival that spurred a plan to escape and tell the world what was truly happening. This is a difficult book to read at times but it's a story that needs to be told! I encourage everyone to get this book today and read it!" - Valerie (Texas, United States)

Escaping Hell Simon and Schuster

"Alfred Wetzler was a true hero. His escape from Auschwitz, and the report he helped compile, telling for the first time the truth about the camp as a place of mass murder, led directly to saving the lives of 120,000 Jews: the Jews of Budapest who were about

to be deported to their deaths. No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them. This book tells Wetzler's story." · Sir Martin Gilbert "Wetzler is a master at evoking the universe of Auschwitz, and especially, his and Vrba's harrowing flight to Slovakia. The day-by-day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching. [...] Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men, who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans." · [From Introduction by Dr Robert Rozett] Together with another young Slovak Jew, both of them deported in 1942, the author succeeded in escaping from the notorious death camp in the spring of 1944. There were some very few successful escapes from Auschwitz during the war, but it was these two who smuggled out the damning evidence – a ground plan of the camp, constructional details of the gas chambers and crematoriums and, most convincingly, a label from a canister of Cyclone gas. The present book is cast in the form of a novel to allow factual information not personally collected by the two fugitives, but provided for them by a handful of reliable friends, to be included. Nothing, however, has been invented. It is a shocking account of Nazi genocide and of the inhuman conditions in the camp, but equally shocking is the initial disbelief

the fugitive's revelations met with after their return.
