Necessity for Ruins: And Other Topics [Paperback] [US ...That is what I mean when I refer to the necessity for ruins: ruins provide the incentive for restoration, and for a return to origins...The old farmhouse has to decay before we can restore it and lead an alternative life style in the country; the landscape has to be plundered and stripped before we can restore the natural ecosystem; the neighborhood has to be a slum before we can rediscover it and gentrify it.

Wellspring of Ruins: J.B. Jackson: The Necessity for Ruins

The title article, "The Necessity For Ruins" analyzes historic objects and monuments, stating that they are actually a reflection of our nostalgia and vernacular past, rather than admiration of beauty or an event. This chapter concludes by suggesting the preservation movement is a new form of interpreting history.

In the introduction to

Everyday America: Cultural Landscape Studies after J.B. Jackson

(2003), editors Chris Wilson and Paul Groth note that the term 'cultural landscape' rarely appeared in print prior to the 1950s. But between 1959 and 1990, they note, writers across disciplines have come to realize the importance of the built environment. Learning about landscapes --Nearer than Eden --Gardens to decipher and gardens to admire --The discovery of the street -- Landscape as theater --The sacred grove in America --The necessity for ruins --The domestication of the garage --By way of conclusion: how to study the landscape.
