Kaalam Keeper of Reign Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Fascinated with accounts of the prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years.

Anthropology has long shied away from examining how human beings may lead

happy and fulfilling lives. This book, however, shows that the ethnographic examination of well-being--defined as "the optimal state for an individual, a community, and a society"--and the comparison of well-being within and across societies is a new and important area for anthropological inquiry. Distinctly different in different places, but also reflecting our common humanity, well-being is intimately linked to the idea of happiness and its pursuits. Noted anthropological researchers have come together in this volume to examine well-being in a range of diverse ways and to investigate it in a range of settings: from the Peruvian Amazon, the Australian outback, and the Canadian north, to India, China, Indonesia, Japan, and the United States.

The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri,

whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodirias daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi

Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.

COROMANDEL. A name which has been long applied by Europeans to the Northern Tamil Country, or (more comprehensively) to the eastern coast of the Peninsula of India. This is the India highly acclaimed historian Charles Allen visits in this fascinating book. Coromandel journeys south, exploring the less well known, often neglected and very different history and identity of the pre-Aryan Dravidian south. During Allen's exploration of the Indian south he meets local historians, gurus and politicians and with their help uncovers some extraordinary stories about the past. His sweeping narrative takes in the archaeology, religion, linguistics and anthropology of the region - and how these have influenced contemporary politics. Known for his vivid storytelling, for decades Allen has travelled the length and breadth of India, revealing the spirit of the sub-continent through its history and people. In Coromandel, he moves through modern-day India, discovering as much about the present as he does about the past.

Sixteen year old Jules Blaze, heir of a Keeper, suspects his family hides a forgotten secret. It's bad enough that his people, the Elfies of Reign, triggered a curse which reduced the entire inhabitants to a mere inch centuries ago. All because of one Keeper who failed his purpose. Even the King's Books, penned with the Majesty's own blood, did not help ward off this anathema. Now, Gehzurolle, the evil lord, and his armies of Scorpents, seem bent on destroying Jules and his family. Why? Gehzurolle's agents hunt for Jules as he journeys into enemy land to find the truth. Truth that could save him and his family, and possibly even reverse the age-long curse. Provided Jules doesn't get himself killed first.

Perhaps the only novel to have been reprinted nearly every year for over a hundred years, *Indulekha* (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, *Indulekha* is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.

The Otherness of English APH Publishing From a Maratha prince who parodied caste to a Muslim deity in a Hindu temple; from a courtesan who became a warrior princess to another who sang for the gramophone; from a woman with no breasts to a goddess with three; and from an Englishman who venerated sacred Sanskrit to imperious Victoria Maharani--the essays in this collection open a window into India's past, and to a world of such astonishing richness that it is surprising how much of it has been forgotten or expunged. To dip into these essays is to be absorbed in India's story and reflect on the experiences of men and women whose lives were full of drama and action. We discover the advent of the railways, just as we learn about the history of Indian football; we hear of the hated Lord Curzon's love of India's monuments, even as we unravel the story of the photographer who was Jaipur's maharajah. In the hands of a consummate historian and storyteller, these men and women speak also of the concerns and perspectives of the present, showing us what was and what might have been.

Native Life in Travancore Atlantic Publishers & Dist

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.
