Baptism of Fire Bantam

Prayers for use by the laity in waging spiritual warfare from the public domain and the Church's treasury.

THE SCIENCE OF DELIVERANCE

The Battle Cry Christian Ministries

This 125 chapter, page turner accurately diagnoses and proffers fail-proof prayers for breakthroughs in diverse, challenging life-situations; ranging from Prayers for Spiritual growth, Profitable sales, Divine favour, Marital breakthroughs, Salvation of loved ones, Victory in Court, Success in Exams, Career Breakthroughs, Victory over Nightmares, Success in Ministry, Breaking Curses, Divine Healing leading to Divine health guarantees, Deliverance

from satanic attacks and many more. Prayer Rain provides a way out for all those wallowing helplessly under satanic harassment. Knowing what to do and, and doing it right could make a difference between who sinks or swims in the river of life. Prayer Rain is a spiritual life-jacket. Endeavour to own your own copy! Christian Prayer Manual. Spiritual Warfare Manual. Prayer for Deliverance. Gethsemanic Prayer Model. Kingdom Prayer Style. Apostolic Decrees. Prayer Points.

DELIVERANCE FROM TOXIC MEMORIES

InterVarsity Press

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a

struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental

illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

CRUCIFIXION OF POVERTY

Deliverance of the Brain

This book is a spiritual warfare manual

specifically targeted at destroying diseases and infirmities. The secrets of using artillery of prayers against bad health are clearly outlined. You do not have to be a slave to the spirit of infirmity any more. This is a book that will deal a deadly and destructive blow on the spirits of death and hell. Every Christian, home, prayer group, intercessor, healing minister, hospital and clinic should have a copy of this book. Prayers from this book has been released by the Holy Spirit to kill every sickness and disease.

DELIVERANCE FOR THE HEAD

Simon and Schuster
101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and

spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high spate of demonic hostilities. Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

FINAL EXIT

Mountain of Fire and Miracles Ministries

"You're hooked, you feel every cut, grope up every cliff, swallow water with every spill of the canoe, sweat with every draw of the bowstring. Wholly absorbing [and] dramatic."—Harper's Magazine The setting is the Georgia wilderness, where the states most remote white-water river awaits. In the thundering froth of that river, in its echoing stone canyons, four men on a canoe trip discover a freedom and exhilaration beyond compare. And then, in a moment of horror, the adventure turns into a struggle for survival as one man becomes a human hunter who is offered his own harrowing deliverance. Praise for Deliverance "Once read, never

forgotten."—Newport News Daily Press "A tour de force . . . How a man acts when shot by an arrow, what it feels like to scale a cliff or to capsize, the ironic psychology of fear: these things are conveyed with remarkable descriptive writing."—The New Republic "Freshly and intensely alive . . . with questions that haunt modern urban man."—Southern Review "A fine and honest book that hits the reader's mind with the sting of a baseball just caught in the hand."—The Nation "[James Dickey's] language has descriptive power not often matched in contemporary American writing."—Time "A harrowing trip few readers will forget."—Asheville Citizen-Times "A novel that will curl your toes . . . Dickey's canoe rides to the limits of dramatic

tension."—New York Times Book Review

"A brilliant and breathtaking
adventure."—The New Yorker

Minds, Brains and Science Thomas

Nelson Publishers

To this day, the low, thin wail of an infant can be heard in Keldale's lush green valleys. Three hundred years ago, as legend goes, the frightened Yorkshire villagers smothered a crying babe in Keldale Abbey, where they'd hidden to escape the ravages of Cromwell's raiders. Now into Keldale's pastoral web of old houses and older secrets comes Scotland Yard Inspector Thomas Lynley, the eighth earl of Asherton. Along with the redoubtable Detective Sergeant Barbara Havers, Lynley has been sent to solve a savage murder that has stunned the peaceful countryside. For fat,

unlovely Roberta Teys has been found in her best dress, an axe in her lap, seated in the old stone barn beside her father's headless corpse. Her first and last words were "I did it. And I'm not sorry." Yet as Lynley and Havers wind their way through Keldale's dark labyrinth of secret scandals and appalling crimes, they uncover a shattering series of revelations that will reverberate through this tranquil English valley—and in their own lives as well.

I Love Jesus, But I Want to Die Mountain

Deliverance of the Brain is without a doubt, a masterpiece. Reading it will add value to your brain. It brings to the fore, the depth of your intellectual endowment and shows you what it takes to obtain, and experience and retain

sound mental health. While this book will show you how to maximize your mental capacity, it will also lead you unto deliverance from every form of mental affliction. This book will move every reader forward. It will put an end to every activity of the enemy in the area of the brain

Deliverance of the Brain Mountain of Fire and Miracles Ministries
In *Adapted Brains and Imaginary Worlds*, Donald Beecher explores the characteristics and idiosyncrasies of the brain as they affect the study of fiction. He builds upon insights from the cognitive sciences to explain how we actualize imaginary persons, read the clues to their intentional states, assess their representations of selfhood, and empathize with their felt experiences in

imaginary environments. He considers how our own faculty of memory, in all its selective particularity and planned oblivion, becomes an increasingly significant dimension of the critical act, and how our own emotions become aggressive readers of literary experience, culminating in states which define the genres of literature. Beecher illustrates his points with examples from major works of the Renaissance period, including *Dr Faustus*, *The Faerie Queene*, *Measure for Measure*, *The Yorkshire Tragedy*, *Menaphon*, *The Dialogue of Solomon and Marcolphus*, and *The Moral Philosophy of Doni*. In this volume, studies in the science of mind come into their own in explaining the architectures of the brain that shape such emergent properties as empathy, suspense,

curiosity, the formation of communities, gossip, rationalization, confabulation, and so much more that pertains to the behaviour of characters, the orientation of readers, and the construction of meaning. Discussing a breadth of topics – from the mysteries of the criminal mind to the psychology of tears – *Adapted Brains and Imaginary Worlds* is the most comprehensive work available on the study of fictional worlds and their relation to the constitution of the human brain.

Imperiled Destinies Diane Books Publishing Company

Depression: The chemical imbalance in the brain that attacks the very soul. Yet, as late as 1974, the American Psychiatric Association listed in their diagnostic manual "strong religious belief" as a

disorder. Is depression exclusively a chemical imbalance? And as recently as today many pastors in the religious community discourage their parishioners from seeking medical help. Is depression exclusively a spiritual attack? From Depression to Deliverance is a spiritual companion to your doctor's advice demonstrating that depression is an attack on the mind, body and spirit. Thus, in order to win this battle, we have to attack it on all three fronts embracing both the scientific and spiritual communities. You are not alone in this battle. So join us on this pilgrimage from a psychiatrist's office, to the great outdoors with a few church sermons on the way; from mourning to joy, from torment to peace, from darkness into God's wonderful light.

Deliverance of the blood.

**Power to Magnetise Money and
Reject Poverty** Mountain of Fire and
Miracles Ministries

Baptism of Fire Life changing books are rare. This class of books comes once in a while. Baptism of Fire addresses a much sought after topic in this generation. The dynamics of the Baptism of fire are offered in a digestible form. The approach is practical. The prayer points are coated with fire and are acidic in nature and are as well dangerous to the kingdom of darkness. This book will provoke a mighty conflagration in the lives of every reader. As you go through this book be poised for the baptism of fire.

Memoirs of an Addicted Brain Anchor
From her first breath of fresh air beyond the pit, it has never been enough for Beth Moore to be free. This best-selling author and Bible teacher who has opened the riches of Scripture to millions longs for you to be free as well—to know the Love and Presence that are better than life and the power of God’s Word that defies all darkness. Beth’s journey out of the pit has been heart-rending. But from this and the poetic expressions of Psalm 40 has come the reward: a new song for her soul, given by her Saviour and offered to you in *Get Out of That Pit*—friend to friend. This is Beth’s most stirring message yet of the sheer hope, utter deliverance, and complete and glorious freedom of God: I waited patiently for the Lord He turned to me

and heard my cry He lifted me out of the slimy pit He set my feet on a rock He put a new song in my mouth It is a story, a song—a salvation—that you can know too.

**Deliverance From Spirit Husband
And Spirit Wife** The Battle Cry
Christian Ministries

Bondage to the past is not God’s plan for your present When a young elephant is chained up by its trainer, the animal’s initial response is to try and escape. Several attempts later, the elephant recognizes that freedom is not possible and accepts the chains as normal. Once this is “learned”, the trainer can use a simple rope to hold one of the most

powerful animals. The same thing happens to many people with their minds. They become used to unhealthy patterns of thinking and destructive memories. Sadly, it becomes embraced as “normal life.” This is not God’s perfect will for you! Authors Ken and Jeanne Harrington provide extensive research and relevant Bible teaching empowering you to experience freedom today by: Understanding how toxic memories negatively impact your physical and spiritual health Exposing the lies you believe about yourself and replace them with transformational Truth Positioning you to live in the love and complete forgiveness of God Reclaim your memories and take your life back!
From Depression to Deliverance
Mountain of Fire and Miracles Ministries

Summer of Deliverance is a powerful and moving memoir of anger, love, and reconciliation between a son and his father. Hailed as a literary genius of his generation, James Dickey created his art and lived his life with a ferocious passion. He was a heavy drinker, a destructive husband and father, a poet of grace and sensitivity, and, after the publication and subsequent film of his novel, Deliverance, a wildly popular literary star. Drawing on letters, notebooks, diaries, and his explicit conversations with his father, Christopher Dickey has crafted a superb memoir of the corrosive effects of fame, a moving remembrance of a crisis that united a family, and an inspiring celebration of love between father and son.

Deliverance Mountain of Fire and Miracles Ministries

Unknown to most of us what happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations.

Prayer Rain GOD'S LINK VENTURES

The author's approach to depression, anxiety, and obsessive-compulsive disorder demonstrates how to strengthen sections of the brain connected to spiritual well-being through

exercise, meditation, and breathing techniques.

Financial Deliverance Mountain of Fire and Miracles Ministries

Money flows to some Christians and flows away from others. One first lesson you must learn is that money flows. It can flow away from a person. It can be magnetized or repelled. A lot of people like money, but it flows away. Beloved the truth of the matter is that there are angels of prosperity. There are also angels of poverty. They can work for or against a person. Which one is working for you?

Deliverance GOD'S LINK VENTURES

Prayer Passport is a compendium of rare

and powerful prayer points. It has been divinely designed to turn tragedy to triumph, sickness to health, failure to success, powerlessness to uncommon strengths as well as problems to testimonies. Prayer Passport addresses the root of complex problems and provides total solutions to recurrent attacks from the kingdom of darkness. This is a unique spiritual warfare manual. This book will lead you into a glorious destiny. With Prayer Passport in your hands, the Kingdom of darkness is in trouble. This is indeed your passport to breakthrough, prosperity, peace, power, uncommon testimonies and an entrance into the realm where you will possess your possessions.
