Bedford Introduction To Drama 6th Edition

OMB No. 1472734801626 edited by

KARSYN KARTER

New Histories, New Historiographies Cambridge Scholars Publishing

Providing a unique combination of well-written, up-to-date background information and intriguing selections from primary documents, *The Bedford Companion to Shakespeare* introduces students to the topics most important to the study of Shakespeare in their full historical and cultural context. This new edition contains many new documents, particularly by women and other marginalized voices from the early modern period. There is also a new chapter on Shakespeare in performance, which introduces students to the great variety of productions of Shakespeare's works over the centuries.

An Engaging Guide to Unraveling Symbols, Signs and Meanings in Great Works Penn State Press

Widely praised for its balanced treatment of computer ethics, *Ethics for the Information Age* offers a modern presentation of the moral controversies surrounding information technology. Topics such as privacy and intellectual property are explored through multiple ethical theories, encouraging readers to think critically about these issues and to make their own ethical decisions.

The Drama of the Double McFarland

In one of the most rapidly growing areas of literary study, this volume provides the first comprehensive guide to teaching Latino/a literature in all variety of learning environments. Essays

by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel, short story, plays, poetry, autobiography, testimonial, comic book, children and young adult literature, film, performance art, and multi-media digital texts, among others. The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to: Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods, linguistic communities, and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice.

THE TAMING OF THE SHREW

Macmillan

The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time. Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax, safely ignored and without contemporary relevance. The inevitable practical result, not only for church members, but for their ministers as well, is a canonical book stripped bare of canonical authority. In this volume, six contributors collectively attempt to provide a path toward re-canoning Revelation, reclaiming its authority and relevance through christological foundations. The result is a book not only useful in the collegiate and seminary classroom, but also for serious small-group Bible studies wanting to glean from Revelation something deeper than a fear of being "left behind."
The Handy Literature Answer Book Longman Publishing Group

This three-part study covers the history of interpretation, theological foundations, and exegesis. Copious illustrations from the author's worldwide travels enhance discussion of Rome's emperors, empire, and ideology as the premier horizon for understanding John's immediate context and meaning. Distinctive contributions include Stevens's effort to re-canonize Revelation by insisting on gospel concord, methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation's imagery consistently relates more to the incarnation than the Parousia. Stevens bypasses traditional millennial options to argue that Revelation is "passion-millennial"-the passion of Jesus predicates the passion of the church. Under Stevens's hands, Revelation becomes eminently sensible to the original audience and powerfully pertinent for today's church.

CHARLOTTE PERKINS GILMAN'S THE YELLOW WALL-PAPER AND THE HISTORY OF ITS PUBLICATION AND RECEPTION

Routledge

American adaptations of Aristophanes' enduring comedy *Lysistrata* have used laughter to critique sex, war, and feminism for nearly a century. Unlike almost any other play circulating in contemporary theatres, *Lysistrata* has outlived its classical origins in 411 BCE and continues to shock and delight audiences to this day. The play's "make love not war" message and bawdy humor render it endlessly appealing to college campuses, activist groups, and community theatres – so much so that none of Aristophanes' plays are performed in the West as frequently as *Lysistrata*. Starting with the play's first mainstream production in the U.S. in 1930, Emily B. Klein explores the varied iterations of *Lysistrata* that have graced the American stage, page, and screen since the Great Depression. These include the Federal Theatre's 1936 Negro Repertory production, the 1955 movie musical *The Second Greatest Sex* and *Spiderwoman Theater*'s openly political *Lysistrata Numbah!*, as well as Douglas Carter Beane's Broadway musical, *Lysistrata Jones*, and the international *Lysistrata Project* protests, which updated the classic in the contemporary context of the Iraq War. Although Aristophanes' oeuvre has been the subject of much classical scholarship, *Lysistrata* has received little attention from feminist theatre scholars or performance theorists. In response, this book maps current debates over *Lysistrata*'s dubious feminist underpinnings and uses performance theory, cultural studies, and gender studies to investigate how new adaptations reveal the socio-political climates of their origins. Emily B. Klein is Assistant Professor of English and Drama at Saint Mary's College of California. Her work has appeared in *Women and Performance* and *Frontiers* as well as *Political and Protest Theater After 9/11: Patriotic Dissent* (Routledge, 2012).

THE PRACTICE OF STATISTICS

Routledge

Since the 1979 discovery of her work in a slush pile at Little, Brown, Martha Grimes has gone on to publish more than 30 books, win international acclaim (and a Nero Wolfe Award) for her detective series, and develop a following of readers whose loyalty translates to repeated stays on the best-sellers lists. This collection of 10 critical essays provides an in-depth analysis of Grimes' oeuvre, principally the Richard Jury, Emma Graham, and Andi Oliver series. The essays address Grimes' themes of parental abandonment, loneliness, obsession, greed, mistaken and dual identity, the resilience of children, stunted romantic relationships and animal cruelty. Particular attention is paid to her engaging characters, strong sense of place and the comedy, which feature so strongly in her novels.

PART THREE

"O'Reilly Media, Inc."

First published in 2000, this collection of essays focuses on women theatre artists in the romantic period.

Critical Approaches Bedford Books

Tailored to mirror the AP Statistics course, "The Practice of Statistics" became a classroom favorite. This edition incorporates a number of first-time features to help students prepare for the AP exam, plus more simulations and statistical thinking help, and instructions for the TI-89 graphic calculator."

HOW PLAYS WORK

Vintage

Why are readers who are generally at home with narrative and discursive prose, and even readily responsive to poetry, far less confident and intuitive when it comes to plays? The complication lies in the twofold character of the play as it exists on the page – as a script or score to be realized, and as literature. Martin Meisel's engaging account of how we read play plays on the page shows that the path to the fullest imaginative response is an understanding of how plays work. What is entailed is something like learning a language – vocabulary, grammar, syntax – but learning also how the language operates in those concrete situations where it is deployed. Meisel begins with a look at matters often taken for granted in coding and convention, and then – under 'Beginnings' – at what is entailed in establishing and entering the invented world of the play. Each succeeding chapter is a gesture at enlarging the scope: 'Seeing and Hearing', 'The Uses of Place', 'The Role of the Audience', 'The Shape of the Action', and 'The Action of Words'. The final chapters, 'Reading Meanings' and 'Primal Attractions', explore ways in which both the drive for significant understanding and the appetite for wonder can and do find satisfaction and delight. Cultivated in tone and jargon-free, *How Plays Work* is illuminated by dozens of judiciously chosen examples from western drama – from classical Greek dramatists to contemporary playwrights, both canonical and relatively obscure. It will appeal as much to the serious student of the theatre as to the playgoer who likes to read a play before seeing it performed.

Permeable Boundaries Bedford/St. Martin's

Offering a carefully chosen selection of plays from the ancient Greeks to the present – including many new contemporary prize-winners – *The Compact Bedford Introduction to Drama* has the plays you want to teach and the features students need at a compact size and an affordable price. Twenty-eight chronologically arranged plays are illuminated by insightful commentaries and casebooks that enrich students' contextual understanding and encourage critical thinking. Concise introductions for each historical period and play emphasize theater design, staging, and acting style, and a wealth of photographs and illustrations help students visualize plays in performance. A fresh new design highlights the contextual features and additional help for students including a guide to writing about drama, a glossary, and new cross-references to a robust companion Web site.

Reading, Thinking, and Writing Macmillan Higher Education

Kennedy/Gioia's *An Introduction to Fiction*, 10e continues to inspire readers and writers with a rich collection of fiction and engaging insights on reading, analyzing, and writing about stories. This bestselling anthology includes sixty-six superlative short stories, blending classic works and contemporary selections. Written by noted poets X.J. Kennedy and Dana Gioia, the text reflects the authors' wit and contagious enthusiasm for their subject.

Informative, accessible apparatus presents readable discussions

of the literary devices, illustrated by apt works, and supported by interludes with the anthologized writers. This edition features 11 new stories, three new masterwork casebooks, extensively revised and expanded chapters on writing, and a fresh new design. New students of fiction.

[Data Wrangling with Pandas, NumPy, and IPython](#) Wipf and Stock Publishers

The first and bestselling reader of its kind, *A World of Ideas* introduces students to great thinkers whose ideas have shaped civilizations throughout history. When students hear names like Aristotle, Martin Luther King, Jr., or Sigmund Freud, they recognize the author as important — and they rise to the challenge of engaging with the text and evaluating it critically. No other composition reader offers a comparable collection of essential readings along with the supportive apparatus students need to understand, analyze, and respond to them.

Ethics for the Information Age Addison-Wesley

This analysis of Luke's post-ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul. Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost, the Hellenists, and the character development of Saul-Paul to reveal Luke's insight that the future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel. These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost. Further, the Saul-Paul of Acts is not what most readers presume from Paul's letters. For Luke, Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment. Paul himself becomes Luke's premier example of the God active, God resisted theme of the speech of Stephen that drives the plot of Acts. This plot mechanism provides illuminating exegesis of Paul's insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul. Stevens concludes by integrating the ending of Acts into Luke's three major themes and overall narrative strategy—an impressive, compelling, and thoroughly fresh reading of Acts.

The Bedford Companion to Shakespeare Macmillan

Literature is a conversation — between writers and other writers, and between writers and readers. In *Literature and Its Writers*, Ann and Samuel Charters complement a rich and varied selection of stories, poems, and plays with an unparalleled array of commentaries about that literature by the writers themselves. Such "writer talk" inspires students to respond as it models ways for them to enter the conversation. In the sixth edition, the Charters continue to entice students to join the conversation, with adventurous and intriguing new literary works, more detailed coverage of literary elements, and more help with reading and writing. This anthology is now available with video! Learn more about VideoCentral for Literature.

Appropriating Yesterday's Apocalypse in Today's World

Wipf and Stock Publishers

This collection addresses key questions in women's theatre history and retrieves a number of previously "hidden" histories of women performers. The essays range across the past 300 years—topics covered include Susanna Centlivre and the notion of intertheatricality; gender and theatrical space; the repositioning of women performers such as Wagner's Muse, Willhelmina Schröder-Devrient, the Comédie Française's "Mademoiselle Mars," Mme. Arnould-Plessey, and the actresses of the Russian serf

theatre.

An Introduction with Documents Macmillan

The future of theatre history studies requires consideration of theatre as a global phenomenon. *The Challenge of World Theatre History* offers the first full-scale argument for abandoning an obsolete and parochial Eurocentric approach to theatre history in favor of a more global perspective. This book exposes the fallacies that reinforce the conventional approach and defends the global perspective against possible objections. It moves beyond the conventional nation-based geography of theatre in favor of a regional geography and develops a new way to demarcate the periods of theatre history. Finally, the book outlines a history that recognizes the often-connected developments in theatre across Eurasia and around the world. It makes the case that world theatre history is necessary not only for itself, but for the powerful comparative and contextual insights it offers to all theatre scholars and students, whatever their special areas of interest.

Python for Data Analysis Manchester University Press

Crown Island is the magical world of Marie Wainwright and Peter Chello. Their love defies their differences in class, status, age, and culture. While married to others, they keep their love alive for 30 years.

Women, Theatre and Performance Springer

Get complete instructions for manipulating, processing, cleaning, and crunching datasets in Python. Updated for Python 3.6, the second edition of this hands-on guide is packed with practical case studies that show you how to solve a broad set of data analysis problems effectively. You'll learn the latest versions of pandas, NumPy, IPython, and Jupyter in the process. Written by Wes McKinney, the creator of the Python pandas project, this book is a practical, modern introduction to data science tools in Python. It's ideal for analysts new to Python and for Python programmers new to data science and scientific computing. Data files and related material are available on GitHub. Use the IPython shell and Jupyter notebook for exploratory computing. Learn basic and advanced features in NumPy (Numerical Python). Get started with data analysis tools in the pandas library. Use flexible tools to load, clean, transform, merge, and reshape data. Create informative visualizations with matplotlib. Apply the pandas groupby facility to slice, dice, and summarize datasets. Analyze and manipulate regular and irregular time series data. Learn how to solve real-world data analysis problems with thorough, detailed examples.

LYSISTRATA IN PERFORMANCE 1930-2012

Visible Ink Press

Offering a broad survey of drama from the ancient Greeks to the present — including many new contemporary prize-winners — *The Bedford Introduction to Drama* has the plays you want to teach in a collection flexible enough to serve your needs in a variety of courses. Fifty-four chronologically arranged plays are illuminated by insightful commentaries and casebooks that enrich students' contextual understanding and encourage critical thinking. Concise introductions for each historical period and play emphasize theater design, staging, and acting style, and a wealth of photographs and illustrations help students visualize plays in performance. A fresh new design highlights the rich contextual features and additional help for students including a guide to writing about drama, a glossary, and new cross-references to a robust companion Web site.
