*(a dog memoir)* Yearling Books

A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm – and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the

Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes – the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain – create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic.

## LET DOGS BE DOGS

Convergent Books

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

**A New Earth** Watkins Media Limited

Presents the adventures of Earl the dog and Mooch the cat as they interact with humans, their friends, and other animals.

**Cats and the Meaning of Life** Algonquin Books

This title is translated in French late 2011- Revision3! 10-11  
*Animal Reincarnation: Everything You Always Wanted to Know!*  
about Pet reincarnation plus MORE "how to" techniques to see, feel, touch & communicate with your deceased pet. This book will help you discover your pet's, cat's or dog's purpose for reincarnation and help your pet loss healing. Brent Atwater spent decades researching animal reincarnation including animals

afterlife, animals soul contracts, pet death and pets past lives. This book teaches you how to ask your pet if they are going to reincarnate, how to touch your deceased animal's energy on the other side and ways to communicate with, find and recognize your pet when they reincarnate and lots more! The full color companion books - "I'm Home!" a Never Ending Love Story trilogy (cats, dogs, and horses) are collections of beautiful, real life soul touching irrefutable and ongoing love stories about the human animal bond and spiritual soul arrangements. These tales introduce you to the pets and people who exemplify the nuances and examples of animal reincarnation. As the foremost authority on pet reincarnation and animal reincarnation Ms. Atwater can determine if or when your animal will reincarnate and what they will look like! Brent and her dog Friend, with a "B" on his Bottom that matches her signature, and who has reincarnated 5 times in this lifetime, are the experts on animal and pet reincarnation. ### **The Spiritual Child** New World Library

Part puzzle, part revenge tale, part ghost story, this ingenious novel spins half a century of Vietnamese history and folklore into "a thrilling read, acrobatic and filled with verve" (The New York Times). FINALIST FOR THE CENTER FOR FICTION'S FIRST NOVEL PRIZE • LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times

Book Review, NPR, Good Housekeeping, and Kirkus Reviews • "Fiction as daring and accomplished as Violet Kupersmith's first novel reignites my love of the form and its kaleidoscopic possibilities."—David Mitchell, author of *Cloud Atlas* Two young women go missing decades apart. Both are fearless, both are lost. And both will have their revenge. 1986: The teenage daughter of a wealthy Vietnamese family loses her way in an abandoned rubber plantation while fleeing her angry father and is forever changed. 2011: A young, unhappy Vietnamese American woman disappears from her new home in Saigon without a trace. The fates of these two women are inescapably linked, bound together by past generations, by ghosts and ancestors, by the history of possessed bodies and possessed lands. Alongside them, we meet a young boy who is sent to a boarding school for the métis children of French expatriates, just before Vietnam declares its independence from colonial rule; two Frenchmen who are trying to start a business with the Vietnam War on the horizon; and the employees of the Saigon Spirit Eradication Co., who find themselves investigating strange occurrences in a farmhouse on the edge of a forest. Each new character and timeline brings us one step closer to understanding what binds them all. *Build Your House Around My Body* takes us from colonial mansions to ramshackle zoos, from sweaty nightclubs to the jostling seats of motorbikes, from ex-pat flats to sizzling back-alley street carts. Spanning more than fifty years of Vietnamese history and barreling toward an unforgettable conclusion, this is a time-traveling, heart-pounding, border-crossing fever dream of a novel that will haunt you long after the last page.

*McMindfulness* Little, Brown

“A ravishingly strange and gorgeous book about a dog that’s really about life and everything there is...astonishing.” —Helen Macdonald, New York Times-bestselling author of *H Is for Hawk* In 1990, poet Eileen Myles chose Rosie from a litter of pit bulls on the street, and their connection instantly became central to the writer's life and work. During the course of their sixteen years together, Myles was madly devoted to the dog’s well-being, especially in her final days. Starting from the emptiness following Rosie's death, *Afterglow* launches a heartfelt and fabulist investigation into the true nature of the bond between pet and pet owner. Through this lens, we witness Myles’s experiences with intimacy and spirituality, celebrity and politics, alcoholism and recovery, fathers and family history, as well as the fantastical myths we spin to get to the heart of grief. Moving from an imaginary talk show where Rosie is interviewed by Myles’s childhood puppet to a critical reenactment of the night Rosie mated with another pit bull, from lyrical transcriptions of their walks to Rosie’s enlightened narration from the afterlife, *Afterglow* illuminates all that it can mean when we dedicate our existence to a dog. “Myles gets at something no other dog book I’ve read has gotten at quite this distinctly: The sense of wordless connection and spiritual expansion you feel when you love and are loved by a creature who’s not human...raw and affecting.”  
 ?Maureen Corrigan, *Fresh Air*, NPR

Afterglow Macmillan

"[Nightbitch] feels like reading a deliciously long text from your smartest friend, with a hint of Kafka, if Kafka lived in the age of mommy bloggers . . . Yoder writes about contemporary anxieties with so much intelligence and charm that she can cause you to

reflect without spiraling into deep depression. That’s a feat, these days, greater than metamorphosis."—*Glamour* In this blazingly smart and voracious debut, an artist turned stay-at-home mom becomes convinced she's turning into a dog. One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her temptation to give in to her new dog impulses peak, she struggles to keep her alter-canine-identity secret. Seeking a cure at the library, she discovers the mysterious academic tome which becomes her bible, *A Field Guide to Magical Women: A Mythical Ethnography*, and meets a group of mommies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, *Nightbitch* will make you want to howl in laughter and recognition. And you should. You should howl as much as you want.

Orion

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.” - Elizabeth Egan,

The New York Times From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. "What do you want to be when you grow up?" asked the mole. "Kind," said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages.

Mutts Little, Brown Books for Young Readers

Presents author-selected inspirational passages from "A New Earth" enhanced by commissioned artwork.

*The Only Road* Scholastic Inc.

'An otherworldly genius' Chris Evans' BBC Radio 2 Breakfast Show This is the follow up to the bestselling self-help book of its generation *The Power of Now*. Eckhart Tolle's *A New Earth* will be a cornerstone for personal spirituality and self-improvement for years to come, leading readers to new levels of consciousness and inner peace. Taking off from the introspective work *The Power of Now*, which is a number one bestseller and has sold millions of copies worldwide, Tolle provides the spiritual framework for people to move beyond themselves in order to make this world a better, more spiritually evolved place to live. Shattering modern ideas of ego and entitlement, self and society, Tolle lifts the veil of fear that has hung over humanity during this

new millennium, and shines an illuminating light that leads to happiness and health that every reader can follow. 'A wake-up call for the entire planet . . . [A New Earth] helps us to stop creating our own suffering and obsessing over the past and what the future might be, and to put ourselves in the now' Oprah Winfrey

And Other Stories from a Child Psychiatrist's Notebook--What Traumatized Children Can Teach Us About Bantam

PURA BELPRÉ HONOR BOOK ALA NOTABLE BOOK "An important, must-have addition to the growing body of literature with immigrant themes." —School Library Journal (starred review) Twelve-year-old Jaime makes the treacherous and life-changing journey from his home in Guatemala to live with his older brother in the United States in this "powerful and timely" (Booklist, starred review) middle grade novel. Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime's small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that's known for violence and drug trafficking. Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There's only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, *The Only Road* is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is "told with heartbreaking honesty," Booklist raved, and "will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it

means to be human.”

**How a Forgotten Reality Can Change Everything We See, Hope For, and Believe** Guardians of Being

From Connie Willis, winner of multiple Hugo and Nebula Awards, comes a comedic romp through an unpredictable world of mystery, love, and time travel . . . Ned Henry is badly in need of a rest. He’s been shuttling between the 21st century and the 1940s searching for a Victorian atrocity called the bishop's bird stump. It’s part of a project to restore the famed Coventry Cathedral, destroyed in a Nazi air raid over a hundred years earlier. But then Verity Kindle, a fellow time traveler, inadvertently brings back something from the past. Now Ned must jump back to the Victorian era to help Verity put things right—not only to save the project but to prevent altering history itself.

Immortal Guardians (Spirit Animals: Fall of the Beasts, Book 1)

Simon and Schuster

“A book that offers hope.” —The New York Times Book Review “A wondrous tapestry.” —Carl Safina, author of *Beyond Words: What Animals Think and Feel* Audubon Medal winner Richard Louv’s landmark book *Last Child in the Woods* inspired an international movement to connect children and nature. Now he redefines the future of human-animal coexistence. In *Our Wild Calling*, Louv interviews researchers, theologians, wildlife experts, indigenous healers, psychologists, and others to show how people are connecting with animals in ancient and new ways, and how this serves as an antidote to the growing epidemic of human loneliness; how dogs can teach children ethical behavior; how animal-assisted therapy may yet transform the mental health field; and what role the human-animal relationship plays in our

spiritual health. He reports on wildlife relocation and on how the growing populations of wild species in urban areas are blurring the lines between domestic and wild animals. *Our Wild Calling* makes the case for protecting, promoting, and creating a sustainable and shared habitat for all creatures—not out of fear, but out of love. Includes a new interview with the author, discussion questions, and a resource guide.

*A Big Little Life* Hampton Roads Publishing

For the first time ever, bestselling author Eckhart Tolle brings the core of his teachings to children, ages 7 to 100. Beautifully illustrated and artfully expressed, this charming story will bring joy to children and their parents for decades to come. Milton, who is about eight years old, is experiencing bullying on the school playground at the hands of a boy named Carter. Because he is being picked on, Milton no longer enjoys going to school. In fact, he dreads each morning because of his fear of Carter. By discovering the difference between Then, When, and the Now, Milton is able to shed his fear of being bullied. Living in the Now, he no longer dreads encountering Carter—and this changes everything. *Milton's Secret* will not only appeal to the millions of adult readers of Tolle's other books, but also to any parent who wants to introduce their children to the core of Tolle's teachings: Living in the Now is the quickest path to ending fear and suffering.

*Native American Traditional Ecological Knowledge and Ethnozoology* HarperCollins

This text examines the traditional Navajo relationship to the natural world. Specifically, how the tribe once related to the Animal People, and particularly a category of animals, which they

collectively referred to as the naatl' eetsoh - the "ones who hunt." These animals, like Native Americans, were once viewed as impediments to progress requiring extermination.

Parenting with Presence Little, Brown Books for Young Readers

A lively and razor-sharp critique of mindfulness as it has been enthusiastically co-opted by corporations, public schools, and the US military. Mindfulness is now all the rage. From celebrity endorsements to monks, neuroscientists and meditation coaches rubbing shoulders with CEOs at the World Economic Forum in Davos, it is clear that mindfulness has gone mainstream. Some have even called it a revolution. But what if, instead of changing the world, mindfulness has become a banal form of capitalist spirituality that mindlessly avoids social and political transformation, reinforcing the neoliberal status quo? In *McMindfulness*, Ronald Purser debunks the so-called "mindfulness revolution," exposing how corporations, schools, governments and the military have co-opted it as technique for social control and self-pacification. A lively and razor-sharp critique, Purser busts the myths its salesmen rely on, challenging the narrative that stress is self-imposed and mindfulness is the cure-all. If we are to harness the truly revolutionary potential of mindfulness, we have to cast off its neoliberal shackles, liberating mindfulness for a collective awakening.

*The Curious Incident of the Dog in the Night-Time* New World Library

A warm and entertaining memoir about what happens when you foster fifty dogs in less than two years—and how the dogs save you as much as you save them. When Cara felt her teenaged children slipping away and saw an empty nest on the horizon, she

decided the best way to fill that void was with dogs—lots of them—and so her foster journey began. In 2015, her Pennsylvania farm became a haven for Operation Paws for Homes. There were the nine puppies at once, which arrived with less than a day's notice; a heart- worm positive dog; a deeply traumatized stray pup from Iraq; and countless others who just needed a gentle touch and a warm place to sleep. Operation Paws for Homes rescues dogs from high-kill shelters in the rural south and shuttles them north to foster homes like Cara's on the way to their forever homes. What started as a search for a good dog, led to an epiphany that there wasn't just one that could fill the hole left in her heart from her children gaining independence—she could save dozens along the way. The stories of these remarkable dogs— including an eighty-pound bloodhound who sang arias for the neighbors—and the joy they bring to Cara and her family (along with a few chewed sofa cushions) fill the pages of this touching and inspiring new book that reveals the wonderful rewards of fostering. When asked how she can possibly say goodbye to that many loveable pups, Cara says, "If I don't give this one away, I can't possibly save another." Filled with humanity and hope, *Another Good Dog* will take the reader on a journey of smiles, laughs, and tears—and lead us to wonder how many other good dogs are out there and what we can do to help.

A Memoir of a Joyful Dog Named Trixie Houghton Mifflin Harcourt  
NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who

strives to put their faith into action will find encouragement and inspiration in the pages of this book.”—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus’s last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God’s constant, unfolding work in the world. “God loves things by becoming them,” he writes, and Jesus’s life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator’s presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

A Novel St. Martin's Press

INTERNATIONAL BESTSELLER • “Merlin Sheldrake’s marvelous tour of these diverse and extraordinary life forms is eye-opening on why humans should consider fungi among the greatest of earth’s marvels. . . . Wondrous.”—Time A mind-bending journey into the hidden universe of fungi, “one of those rare books that can truly change the way you see the world around you” (Helen

Macdonald, author of *H Is for Hawk*). WINNER OF THE ROYAL SOCIETY SCIENCE BOOK PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • BBC Science Focus • The Daily Mail • Geographical • The Times • The Telegraph • New Statesman • London Evening Standard • Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake’s vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the “Wood Wide Web,” to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life’s processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. SHORTLISTED FOR THE BRITISH BOOK AWARD • LONGLISTED FOR THE RATHBONES FOLIO PRIZE “*Entangled Life* is a gorgeous book of literary nature writing in the tradition of [Robert] Macfarlane and John Fowles, ripe with

insight and erudition. . . . Food for the soul.”—Eugenia Bone, Wall Street Journal “[An] ebullient and ambitious exploration . . . This book may not be a psychedelic—and unlike Sheldrake, I haven’t dared to consume my copy (yet)—but reading it left me not just

moved but altered, eager to disseminate its message of what fungi can do.”—Jennifer Szalai, The New York Times
