Halsman on the Creation

of Photographic Ideas  
 Cambridge University  
 Press

A top performance expert  
 reveals the secret behind

many top athletes and  
 executives: creating a  
 heroic alter ego to  
 activate when the chips  
 are down. There's only

one person in the way of you untapping your potential: You. There's also one person who can move you out of the way so you can perform at your peak. That person is already inside you. You just need to unlock them. This other part of you is your Alter Ego. After twenty-one years of working with elite athletes, performers and leaders, Todd Herman has discovered how you can use your alter ego to achieve the seemingly impossible. It all clicked for Todd when he met Bo Jackson. When Herman met Bo Jackson, the professional athlete told him, "Bo Jackson never played a down of football in his entire life." Bo explained that when he was young, he'd get into trouble because chaos caused by his anger issues. Then, he saw Friday the 13th and became fascinated by the cold, calculating nature of Jason Vorhees. In that moment, he resolved to stop being Bo Jackson, and start being Jason the moment he stepped on the field. In this transformative guide, Herman teaches you how to create and control an Alter Ego like Bo—and the thousands of other athletes, business

leaders, entrepreneurs, and entertainers who have used this simple tool to change their lives. Herman also shares his own story: he knew that inside was a confident, self-assured, intelligent person who could help others get better results in their lives. When he started using superman's classic trick—putting on a pair of glasses—he learned to trigger the specific traits he needed to achieve his goals. The Alter Ego Effect is not about creating a false mask—it's about finding the hero already inside you. It's a proven way of overcoming the self-doubt, negativity, and insecurity that hold you back, and empowering you to ultimately become your best self.

### **The Alter Ego Effect**

Pearson Education India Reviews over 9,500 films, and includes star, director, genre, country, and theme indexes *The Counterfeiters* Lulu.com

One more journey to the universe of Roberto Bolaño, an essential voice of contemporary Latin American literature *Cowboy Graves* is an unexpected treasure from the vault of a revolutionary talent. Roberto Bolaño's

boundless imagination and seemingly inexhaustible gift for shaping the chaos of his reality into fiction is unmistakable in these three novellas. In "Cowboy Graves," Arturo Belano--Bolaño's alter ego--returns to Chile after the coup to fight with his comrades for socialism. "French Comedy of Horrors" takes the reader to French Guiana on the night after an eclipse where a seventeen year old answers a pay phone and finds himself recruited into the Clandestine Surrealist Group, a secret society of artists based in the sewers of Paris. And in "Fatherland," a young poet reckons with the fascist overthrow of his country, as the woman he is obsessed with disappears in the ensuing violence and a Third Reich fighter plane mysteriously writes her poetry in the sky overhead. These three fiercely original tales bear the signatures of Bolaño's extraordinary body of work, echoing the strange characters and uncanny scenes of his triumphs, while deepening our reverence for his gifts. **The Stars My Destination** Hodder Education The long-awaited follow-

up to the Pulitzer Prize-winning *The Sympathizer*, which has sold more than one million copies worldwide, *The Committed* follows the man of two minds as he arrives in Paris in the early 1980s with his blood brother Bon. The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the *Sympathizer* finds Paris both seductive and disturbing. As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese "aunt," he finds stimulation for his mind but also customers for his narcotic merchandise. But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. The *Sympathizer* will need all his wits, resourcefulness,

and moral flexibility if he is to prevail. Both highly suspenseful and existential, *The Committed* is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen's position in the firmament of American letters.

book has never been out of print and is a must-read for any man.

Anthem Guide to the Art Galleries and Museums of Europe Springer Science & Business Media

They thought they had escaped. They were wrong. After fleeing the Branch with Sam, Cas, and Nick, Anna is learning how to survive in hiding, following Sam's rules: Don't draw attention to yourself. Always carry a weapon. Know your surroundings. Watch your back. When memories from Anna's old life begin to resurface--and a figure from her childhood reappears--Anna's loyalties are tested. Is it a Branch set-up, or could it be the reunion Anna has hoped for? Ultimately, the answers hinge on one question: What was the real reason her memories were erased in the first place? Jennifer Rush delivers a thrilling sequel to *Altered* in a novel packed with mysteries, lies, and surprises that are sure to keep readers guessing until the last page is turned.

Langston Hughes has been an inspiration to generations of readers and writers seeking a passionate, intelligent, and socially responsible art. In this volume, Steven C. Tracy has gathered a broad range of critics to produce an interdisciplinary approach to the important historical and cultural elements reflected in Hughes's work. Their essays, all previously unpublished, place Hughes in the

context of Harlem, his preferred geographical and spiritual home base, as well as the larger political, social, musical, and artistic milieu of his rapidly changing times.
