### BEHIND THE CUTS

HarperCollins

'A modern philosopher who has never once suspected himself of being a charlatan,' writes Leszek Kolakowski at the start of this endlessly stimulating book, 'must be such a shallow mind that his work is probably not worth reading.' For over a century, philosophers have argued that philosophy is impossible or useless, or both. Although the basic agenda dates back to the days of Socrates, there is still disagreement about the nature of truth, reality, knowledge, good and God. This may make little practical difference to our lives, but it leaves us with a feeling of radical uncertainty described by Kolakowski as 'metaphysical horror'. Is there any way out of this cul-de-sac? This trenchant analysis confronts these dilemmas head on. Philosophy may not provide definitive answers to the fundamental questions, yet the quest itself transforms our lives. It may undermine most of our certainties, yet it still leaves room for our spiritual yearnings and religious beliefs. Kolakowski has forged a dazzling demonstration of philosophy in action. It is up to readers to take up the challenge of his arguments.

*Being Jazz* Little, Brown Books for Young Readers

"A seventeen year old barely escapes her abusive parents and creates a new identity that is quickly compromised when her attempt to save a young girl attracts a deadly stalker"--

*The Janitor's Boy* Little, Brown Books for Young Readers

When Private Matt Duffy wakes up in an army hospital in Iraq, he's honored with a Purple Heart. But he doesn't feel like a hero. There's a memory that haunts him: an image of a young Iraqi boy as a bullet hits his chest. Matt can't shake the feeling that he was somehow involved in his death. But because of a head injury he sustained just moments after the boy was shot, Matt can't quite put all the pieces together. Eventually Matt is sent back into combat with his squad—Justin, Wolf, and Charlene—the soldiers who have become his family during his time in Iraq. He just wants to go back to being the soldier he once was. But he sees potential threats everywhere and lives in fear of not being able to pull the trigger when the time comes. In combat there is no black-and-white, and Matt soon discovers that the notion of who is guilty is very complicated indeed. National Book Award Finalist Patricia McCormick has written a visceral and compelling portrait of life in a war zone, where loyalty is valued above all, and death is terrifyingly commonplace.

*Echo* Harper Collins

While confined to a mental hospital, thirteen-year-old Callie slowly comes to understand some of the reasons behind her self-mutilation, and gradually starts to get better.

### NEVER FALL DOWN

namelos llc

Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's

stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt—then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words— Simply to endure is to triumph—and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision—will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes, this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.

### HOW ONE GIRL STOOD UP FOR EDUCATION AND CHANGED THE WORLD; TEEN EDITION RETOLD BY MALALA FOR HER OWN GENERATION

Vintage

Bullied at school and ignored at home, Travis has a secret: cutting himself with a razor blade is the only thing that lets him control the pain in his life and find some peace. When he becomes friends with Chyverne, a new girl at school, he doesn't know how to get close to her without revealing his secret and making himself even more vulnerable. Spending time with Chyverne spurs Travis to try to discover why his mother can't seem to face his very existence. It's only when he learns about the art form of paper cutting that he realizes there might be other ways to make himself feel adrenalin-fueled and in control. Although self-harm through cutting is a problem usually associated with teenage girls, many young men are involved in different sorts of self-injury. This story explores a teenager's motivations for cutting and the options for overcoming the need to self-injure.

*Purple Heart* Scholastic UK

This is a largely autobiographical account of a young woman's battle with self-harm. It explores the complex nature of her relationship with the therapist, her initial resistance to recovery and her progression towards self-knowledge and taking responsibility for her own actions.

*Cut* Macmillan

Will steroids tear the team apart?

*Prince Across the Water* Little, Brown Books for Young Readers

This is one young woman's story about her desire to stop cutting, or self-harming. Perhaps you may relate to Megan's story, or to her parents, or to her therapists. As Megan shares her story, you may be able to feel her hope. Profound healing, knowing that one is not alone, is in full operation throughout this book. Megan graciously and courageously shares her journey from years of self-harm to finding healthier ways to cope with her emotions.

Vampires have always lived in Eastern Europe. But with the fall of the Soviet Union, they began to spread across the continent, then the world, turning whole populations into vampires--or human cattle. Having overrun India, the far East, and the great cities of North and South America, the forces of Night are now spreading into the countryside to consolidate their conquest. In a town on the New Jersey shore, the vampires have just arrived, along with

their human henchmen, the cowboys, who round up human cattle for the overlords in return for the promise of eternal life--later. For the vampires wish only a few of their own kind to rule, and feed. The rest of humanity are to be helpless herds, the source of the blood of life. Falsely accused of abuse, Father Dan is drunk in a basement waiting for the end. His superior has betrayed the local Catholic congregation and become a vampire. Sister Carolyn has become a formidable killer of cowboys and vampires. Dan's niece, escaped from the conquest of New York, has made her way south to find him. Brought together by Rabbi Zev Wolpin, who is shaken by the vampires' fear of the cross and holy water, they plan their resistance. Against all odds, they discover that there just might be a way for humanity to really fight back. But first they will have to kill the vampire king of New York. *Cut Me Free* Harper Collins

How can I know what's going to happen? But somehow he did know. The feeling was like déjà vu but stronger...and scarier. It told him that without a doubt something was going to happen. And it was going to be bad. \*\*\* In the year since Justin's younger brother, Mark, died in a horrific accident, Justin's life has unraveled. Justin used to be one of the school's star athletes, but now he's not even on any of the teams. He used to be part of the popular crowd, but now everyone at school treats him like he's a monster. He used to date one of the prettiest girls at school, but now she will barely speak to him. Then on the anniversary of his brother's death he gets into a fight with his former best friend, and things spiral out of control -- with terrible consequences. But that's not the worst. Now Justin is hearing a voice that's making him relive the day of the accident over and over again. In this dark thriller, Edgar Award nominee Kate Morgenroth explores the thin line between reality and illusion inside a troubled young mind.

Ordinarily, no one would have imagined that Jack Rankin would vandalize a desk. But this was not an ordinary school year for Jack.... When Jack Rankin learns that he is going to spend the fifth grade in the old high school -- the building where his father works as a janitor -- he dreads the start of school. Jack manages to get through the first month without the kids catching on. Then comes the disastrous day when one of his classmates loses his lunch all over the floor. John the janitor is called in to clean up, and he does the unthinkable -- he turns to Jack with a big smile and says, "Hi, son." Jack performs an act of revenge and gets himself into a sticky situation. His punishment is to assist the janitor after school for three weeks. The work is tedious, not to mention humiliating. But there is one perk, janitors have access to keys, keys to secret places....

This National Book Award nominee from two-time finalist Patricia McCormick is the unforgettable story of Arn Chorn-Pond, who defied the odds to survive the Cambodian genocide of 1975-1979 and the labor camps of the Khmer Rouge. Based on the true story of Cambodian advocate Arn Chorn-Pond, and authentically told from his point of view as a young boy, this is an achingly raw and powerful historical novel about a child of war who becomes a man of peace. It includes an author's note and acknowledgments from Arn Chorn-Pond himself. When soldiers arrive in his hometown, Arn is just a normal little boy. But after the soldiers march the entire population into the countryside, his life is changed forever. Arn is separated from his family and assigned to a labor camp:

working in the rice paddies under a blazing sun, he sees the other children dying before his eyes. One day, the soldiers ask if any of the kids can play an instrument. Arn's never played a note in his life, but he volunteers. This decision will save his life, but it will pull him into the very center of what we know today as the Killing Fields. And just as the country is about to be liberated, Arn is handed a gun and forced to become a soldier. Supports the Common Core State Standards.

### **METAPHYSICAL HORROR**

Simon and Schuster

A Highland lad comes of age at the brutal battle of Culloden in 18th-century Scotland. In the year 1745, the cry goes out across the Scottish Highlands for every able-bodied Scotsman to take up arms in support of Bonnie Prince Charlie. Stalwart and brave but prone to sudden seizures, young Duncan longs to join his da and the other men of clan MacDonald in the noble fight against the English. His father decrees the boy must remain behind, but the call to war is impossible to ignore, and when Duncan learns of his uncle's death in battle, he joins his cousin Ewan and sets out to fight for their country and their prince. But the reality of war is not the glorious undertaking Duncan has long heard spoken of and sung in stirring ballads and stories—and on the battlefield of Culloden he will be tested in ways he never could have imagined and leave boyhood behind forever amid the blood, fire, and death. Critically acclaimed, award-winning authors Jane Yolen and Robert J. Harris merge their considerable storytelling talents in a riveting, moving tale of a young boy's rocky and perilous road to manhood. Richly atmospheric and firmly based in fact, *Prince Across the Water* is enthralling historical fiction—a powerful and unforgettable journey back in time and an unflinching look at the

true face of war.

### **MY STORY OF STANDING UP FOR GIRLS' RIGHTS**

Simon and Schuster

In *Teen Angst! Naaah . . .* Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many teens experience, and which often is dismissed as simple 'angst'. In this classic testament to high school, Ned invites you into his world of school, parents, cool (and almost cool), music (the good and bad), friends, fame, camp, sex (sort of), Cancún (almost), prom, beer, video games, and more. With wit, irony, and honesty, Vizzini presents the weird, funny, and sometimes mortifying moments that made up his teen years. From the author of Broadway musical sensation *Be More Chill* and *It's Kind of a Funny Story*, this is a quasi-autobiographical examination of one high schooler's battle with social anxiety, written when the author was just nineteen. "Fiercely intelligent and introspective . . . Insightful, and thoroughly charming." —SLJ

*Teen Angst? Naaah . . .* Hachette UK

Perfect for fans of suspenseful nonfiction such as books by Steve Sheinkin, this is a page-turning narrative about Dietrich Bonhoeffer, a pastor and pacifist who became an unlikely hero during World War II and took part in a plot to kill Hitler. Written by two-time National Book Award finalist Patricia McCormick, author of *Sold* and *Never Fall Down* and coauthor of the young reader's edition of *I Am Malala*. It was April 5, 1943, and the Gestapo would arrive any minute. Dietrich Bonhoeffer had been expecting this day for a long time. He had put his papers in order—and left a few notes specifically for Hitler's men to see. Two SS agents climbed the stairs and told the boyish-looking Bonhoeffer to come

with them. He calmly said good-bye to his parents, put his Bible under his arm, and left. Upstairs there was proof, in his own handwriting, that this quiet young minister was part of a conspiracy to kill Adolf Hitler. This compelling, brilliantly researched account includes the remarkable discovery that Bonhoeffer was one of the first people to provide evidence to the Allies that Jews were being deported to death camps. It takes readers from his privileged early childhood to the studies and travel that would introduce him to peace activists around the world—eventually putting this gentle, scholarly pacifist on a deadly course to assassinate one of the most ruthless dictators in history. *The Plot to Kill Hitler* provides fascinating insights into what makes someone stand up for what's right when no one else is standing with you. It is a question that every generation must answer again and again. With black-and-white photographs, fascinating sidebars, and thoroughly researched details, this book should be essential reading.
