Summarizing an Age of Fracture | Society for US ... Age Of Fracture Daniel T In this wide-ranging narrative, Daniel T. Rodgers shows how the collective purposes and meanings that had framed social debate became unhinged and uncertain. Age of Fracture offers a powerful reinterpretation of the ways in which the decades surrounding the 1980s changed America. Through a contagion of visions and metaphors, on both the intellectual right and the intellectual left, earlier notions of history and society that stressed solidity, collective institutions, and social ...Age of Fracture: Daniel T. Through a contagion of visions and metaphors, on both the intellectual right and the intellectual left, earlier notions of history and society that stressed solidity, collective institutions, and social ...Age of Fracture — Daniel T. Rodgers | Harvard University Press"Age of Fracture" covers the history of ideas in the United States during the last quarter of the 20th century. Daniel T. Rodgers discusses how thought and theories affecting large topics such as economics, race, gender, language and power rapidly shifted, were rearranged and fell out of favour.Age of Fracture by Daniel T. Rodgers - GoodreadsDaniel T. Rodgers, a historian at Princeton, offers an interpretation that helps us understand the concerns currently dominating political, intellectual, and cultural life. In Age of Fracture, the 2012 winner of the Bancroft Prize, Rodgers argues that, between 1970 and 2001, a key intellectual and cultural shift took place. The dominant tendency of the age, Rodgers contends, was toward disaggregation.Age of Fracture, by Daniel T. Rodgers (2011) - Not Even PastHence Daniel T. Rodgers's masterly sweep of intellectual history. His age of fracture is "the last quarter of the twentieth century" (p. 2), bounded roughly by the mid-1970s economic crisis and the attacks of September 11, 2001—although he suggests that the latter age-changer was something less than it appeared and that key traits of the "age of fracture" persisted down to his moment, circa 2010.Daniel T. Rodgers. Age of Fracture | The American ...In essence, it is a foreshortened history of ideas in a very specific time and place, with the underlying thesis that, uniquely in American history, this period (roughly 1975 to 2000) represents a deep fracture of American society. By "fracture," the author, Daniel Rodgers, does not mean social fracture or atomization.Age of Fracture (Daniel T. Rodgers) • The Worthy House"Age of Fracture" by Daniel T. Rodgers (Harvard University Press, 2011) " Age of Fracture is an extraordinary book-an engrossing story of the new age of markets, a new kind of history of ideas, traversing the frontiers between intellectual, political, and public worlds, and a brilliant explanation of contemporary public life."Age of Fracture | Daniel T. Rodgers - The Montreal ReviewPreview — Age of Fracture by Daniel T. Rodgers. Age of Fracture Quotes (showing 1-7 of 7) "Whereas the structural trend toward increased inequality was gradual and went for a long time unobserved, the crises in the lives of the urban poor were public and dramatic.Age of Fracture Quotes by Daniel T.
