THE EXTRAORDINARY LIFE OF FIGHTING SHIRLEY CHISHOLM

The Experiment

Speak Up and Get Along! If getting along were easy, everyone would do it. No one would fight, argue, bully, or tease. We'd all know how to make and keep friends. And we'd feel a lot better about ourselves. But

getting along isn't easy. In fact, it can be really HARD. Wouldn't it be great to have a toolbox of ways to get along with others? You could reach in and pull out words and ideas to try at school, at home, in your neighborhood, or wherever you're with other people. This book is your toolbox. Look inside to find... the Power I - a way to tell others what you think, what you want, and how you feel.... the Sherlock Holmes - a way to start, join, or continue a conversation.... the Coin Toss - a way to quickly resolve a small conflict before it gets big.... the Squeaky Wheel - a way to get what you need.... the Mighty Might - a way to end teasing.... the But Twist - a

way to talk back to negative thoughts the Balloon Belly - a way to feel calm and relaxed and more - 21 cool tools in all True-to-life stories show the tools in action. Ways to Say It sections suggest words and phrases you can use. Practice Time activities make you a pro. There's a Note to Adults you can share with your parents and teachers, and resources for when you want to know more. So open your toolbox. Reach right in. And start speaking up and getting along. *Turning Bystanders Into Moral Rebels* St. Martin's Griffin
Stories, tips, and ideas show them why and how boundaries help them behave in

positive, responsible ways.

How to Build Teams of Micro-Innovators, Problem Solvers, and Customer Advocates
Disney Electronic Content

From executives complaining that their teams don't contribute ideas to employees throwing up their hands because their input isn't sought--company culture is the culprit. *Courageous Cultures* provides a road map to build a high-performance, high-engagement culture around sharing ideas, solving problems, and rewarding contributions from all levels. Many leaders are convinced they have an open environment that encourages employees to speak up and are shocked when they learn that employees are holding back. Employees have ideas and want to be heard. Leadership wants to hear them. Too often, however, employees and leaders both feel that no one cares about making things better. The disconnect typically only widens over time, with both sides becoming more firmly entrenched in their viewpoints. Becoming a courageous culture means building teams of microinnovators, problem solvers, and customer advocates working together. A microinnovator is the employee who

consistently seeks out small, but powerful, ways to improve the business. A problem solver is the employee who cares about what's not working and wants to make it better. They uncover and speak openly about what's not working and think critically about how to fix it. A customer advocate is the employee who sees through your customers' eyes and speaks up on their behalf. They actively look for ways to improve customers' experience and minimize customer frustrations. In our world of rapid change, a courageous culture is your competitive advantage. It ensures that your company is "sticky" for both customers and employees. In this book you'll learn practical tools to uncover, leverage, and scale the best ideas from every level of your organization. See how the latest research conducted by the authors confirms why organizations struggle when it comes to creating strong cultures where employees are encouraged to contribute their best thinking. Learn proven models and tools that leaders can apply throughout all levels of the organization, to reengage and motivate employees. Understand best practices from companies around the

world and learn how to apply these strategies and techniques in your own organization.

White Lion Publishing

Kids have superpowers! This title guides kids to their inner powers to help them be bold and brave! They will discover how to find courage and be adventurous, learn to face their fears, and find out why it's fun to try new things, even if they fail.

Readers will learn to become the best they can be, a kid hero! Aligned to Common Core Standards and correlated to state standards. Super Sandcastle is an imprint of Abdo Publishing, a division of ABDO.

THE LITTLE BOOK OF SPEAKING UP

InterVarsity Press

It can be hard to speak up when power dynamics keep us silent and marginalized, especially when race, ethnicity, and gender are factors. Activist Kathy Khang roots our voice and identity in the image of God, showing how we can raise our voices for the sake of God's justice. We are created to speak, and we can both speak

up for ourselves and speak out on behalf of others.

Anti-bullying advocate Cooper presents a guide to getting along with others.

Speak Up and Get Along! Ember

The beloved modern classic character, Molly Lou Melon, is tackling the timely topic of speaking up for yourself and others. Molly Lou Melon's mother taught her to use her big voice for good--to speak up for what's right, for those who can't, and even when it's hard. So she does. When school starts and a bully begins teasing everyone, including a new student, Molly Lou knows just what to do. From standing up for a friend to admitting when you've made a mistake, Molly Lou shows us how speaking up is always the right choice. The beloved classic character has another important message to share, and David Catrow's vibrant and spunky illustrations continue to expand Molly Lou's larger-than-life personality.

Courageous Cultures Farrar, Straus and

Giroux (BYR)

"I love to talk with people!" announces the toddler narrator of this charming board book. Language is an essential communication skill and an important avenue for self-expression, meeting needs, conversation, problem-solving, and cooperation. "My friend and I talk about things we both like. We get along." Through simple text and engaging, realistic illustrations, young children learn when, why, and how to speak up: in order to share feelings, wants, and interests; to say thank you and ask for help; and to offer kind words and feel a sense of belonging. Includes tips and information for teachers, parents, and caregivers and downloadable bonus activities.

SPEAK UP, SPEAK OUT!

Belknap Press

The insider's guide for women who want to master the art of business, professional, and public speaking Whether speaking one-on-one or one to one thousand, women have specific challenges that can get in the way of their ability to convey ideas and engage an audience. Public speaking professionals Cyndi Maxey and

Kevin O'Connor give women the tips and tools they need to be able to speak clearly, with confidence and conviction, and present information effectively. In SPEAK UP!, you'll learn how to: Deal with difficult colleagues Speak on the spot Use technology in support of your message Sell your ideas with passion and power Connect confidently with your superiors For any woman who wants to get her point across, from the boss' office, to the conference room, to a convention center, SPEAK UP! will help you polish your presentation skills, get heard, and get what you want.

7 WAYS YOUR CHILD CAN DEAL WITH TEASING, CONFLICT, AND OTHER HARD TIMES

Storey Publishing

A joyful, inspiring picture book that introduces readers to eleven young people from around the world who didn't wait until they were grown to speak up about things that matter to them and change the world for the better, from an award-winning author and New York Times best-selling illustrator. From climate activist Greta Thunberg to anti-bullying advocate

Jaylen Arnold to peace activist Bana Alabed and more, these short profiles of young people and their causes will inspire readers to think about what matters most to them. An author's note, Actions to Make a Difference, and additional resources are also included, providing a roadmap for any kid who wants to make change and help others too.

A Book about Self-Expression and Communication HarperCollins Leadership Offers advice to parents on how to teach their children to stop bullying, overcome shyness, resolve disputes, resist peer pressure, and accept blame.

MY FAVOURITE ELOCUTION PIECES AND HOW TO DELIVER THEM

Free Spirit Publishing

Speak Up! is a joyful celebration of 45 speeches by children and teenagers who have stood up for causes they passionately believe in and challenged adults in power to take note. This

collection is testament to the hopefulness and spirit of the next generation, and the positive belief that we can, and should, act to protect the things we love. From ground-breaking scientific inventions to pleas for the environment, anti-war speeches to incredible testimony of lived experiences, the speeches collected here demonstrate the profound wisdom of youth and why it is important to speak up and out on what concerns us. 'A society that cuts itself off from its youth severs its own lifeline; it is condemned to bleed to death.' - Kofi Annan

A Kid's Guide to Super-Useful Social Skills to Help You Get Along and Express Yourself; Speak Up, Speak Out, Talk about Hard Things, and Be a Good Friend Harmony

Written by professors with 40+ combined years' experience teaching the course, Speak Up! connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and

often humorous illustrations that help students understand and retain concepts from the text. The new edition features a brand new case study feature that guides students through all steps of the public speaking process. The Speech Choices boxes follow Mia and Jacob as they make choices that affect the final outcome of their speech—and show students what to do, and what not to do. They culminate in two brand-new, full-length speech videos on cutting edge topics. The feature expands further online in LaunchPad with video clips from the speeches, case study questions, and case study activities that instructors can use in the classroom or assign as homework. Speak Up contains other powerful digital tools accessible through LaunchPad, a learning platform

that that contains hundreds of videos, LearningCurve (our adaptive quizzing program), various assessment options, video assignment tools, instructor supplements, and a full e-book. *Be Bold!* Macmillan
