Shame Knopf Canada

After centuries of British rule, nobody expected Indian Independence and the birth of Pakistan to be so bloody - they were supposed to be the answer to the dreams of Muslims and Hindus. Jawaharlal Nehru, Gandhi's protégé and the political leader of India, believed Indians were an inherently nonviolent, peaceful people. Pakistan's founder, Mohammad Ali Jinnah, was a secular lawyer, not a firebrand. But in August 1946, exactly a year before Independence, Calcutta erupted in street-gang fighting. A cycle of riots - targeting Hindus, then Muslims, then Sikhs - spiraled out of control. As the summer of 1947 approached, all three groups were heavily armed and on edge, and the British rushed to leave. Hell let loose. Trains carried Muslims west and Hindus east to their slaughter. Some of the most brutal and widespread ethnic cleansing in modern history erupted on both sides of the new border, carving a gulf between India and Pakistan that remains a root cause of many evils. From jihadi terrorism to nuclear proliferation, the searing tale told in *Midnight's Furies* explains all too many of the headlines we read today.

THE SATANIC VERSES

Vintage

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious

young filmmaker. Researching a movie about the Golden House, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

JOSEPH ANTON

National Geographic Books

Offspring Fictions: Salman Rushdie's Family Novels is the first book-length study that examines families and especially the parent-child relationship in Rushdie's core works. It argues that Sigmund Freud's concept of the family and the author's variations thereon are central to a full understanding of the four novels *Midnight's Children*, *Shame*, the controversial *The Satanic Verses* and *The Moor's Last Sigh*, a quasi-sequel to Rushdie's first success. Through close readings that make use of a variety of critical approaches, *Offspring Fictions* provides a sustained examination of how the parents and children that people Rushdie's fictions reflect the larger issues his work is concerned with: nationalism, religion, history and authorship. Aimed primarily at academics and students, but also of interest to the general reader, *Offspring Fictions* provides a clear and insightful analysis of Rushdie's family tetralogy.

Random House

An urgent, illuminating exploration of the social nature of shame and of how it might be used to promote large-scale political change and social reform. "[Jacquet] exposes the ways shame plays into collective ideas of punishment and reward, and the social mechanisms that dictate the ways we dictate our behavior." —The Boston Globe Examining how we can retrofit the art of shaming for the age of social media, Jennifer Jacquet shows that we can challenge corporations and even governments to change policies and behaviors that are detrimental to the environment. Urgent and illuminating, *Is Shame Necessary?* offers an entirely new understanding of how shame, when applied in the right way and at the right time, has the capacity to keep us from failing our planet and, ultimately, from failing ourselves.

THE BEST AMERICAN SHORT STORIES 2008

VIZ Media LLC

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to

fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for Joseph Anton "A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie's work throughout his career."—Michiko Kakutani, *The New York Times* "A splendid book, the finest . . . memoir to cross my desk in many a year."—Jonathan Yardley, *The Washington Post* "Thoughtful and astute . . . an important book."—USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism."—*The Wall Street Journal* "Gripping, moving and entertaining . . . nothing like it has ever been written."—*The Independent (UK)* "A thriller, an epic, a political essay, a love story, an ode to liberty."—*Le Point (France)* "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens—firmly placed in one perspective and never out of focus."—*Los Angeles Review of Books* "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."—*de Volkskrant (The Netherlands)* "One of the best memoirs you may ever read."—*DNA (India)* "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer's freedom."—*The Boston Globe*

SHAME

Random House

Professor Malik Solanka, retired historian of ideas, irascible doll maker, and since his recent fifty-fifth birthday celibate and solitary by his own (much criticized) choice, in his silvered years found himself living in a golden age. Outside his window, a long humid summer, the first hot season of the third millennium, baked and perspired. The city boiled with money. Rents and property values had never been higher, and in the garment industry it was widely held that fashion had never been so fashionable. - from *Fury* From one of the world's truly great writers comes a wickedly brilliant and pitch-black comedy about a middle-aged professor who finds himself in New York City in the summer of 2000. Not since the Bombay of *Midnight's Children* have a time and place been so intensely captured in a novel. Salman Rushdie's eighth novel opens on a New York living at break-neck speed in an age of unprecedented decadence. Malik Solanka, a Cambridge-educated self-made millionaire originally from Bombay, arrives in this town of IPOs and white-hot trends looking, perversely, for escape. He is a man in flight from himself. This former philosophy professor is the inventor of a hugely popular doll whose multiform ubiquity - as puppet, cartoon and talk-show host - now rankles with him. He becomes frustratingly estranged from his own creation. At the same time, his marriage is disintegrating, and Solanka very nearly commits an unforgivable act. Horrified by the fury within him, he flees across the Atlantic. He discovers a city roiling with anger, where cab drivers spout invective and a serial killer is murdering women with a lump of concrete, a metropolis whose population is united by petty spats and bone-deep resentments. His own thoughts,

emotions and desires, meanwhile, are also running wild. He becomes deeply embroiled in not one but two new liaisons, both, in very different ways, dangerous. Professor Solanka's navigation of his new world makes for a hugely entertaining and compulsively readable novel. *Fury* is a pitiless comedy that lays bare, with spectacular insight and much glee, the darkest side of human nature.

QUICHOTTE

Vintage

The novel that set the stage for his modern classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated wagger of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation—"shamelessness, shame: the roots of violence." *Shame* is an astonishing story that grows more timely by the day.

A POSTMODERN READER

Vintage Canada

These readings are organized into four sections. The first explores the wellsprings of the debates in the relationship between the postmodern and the enterprise it both continues and contravenes: modernism. Here philosophers, social and political commentators, as well as cultural and literary analysts present controversial background essays on the complex history of postmodernism. The readings in the second section debate the possibility—or desirability—of trying to define the postmodern, given its cultural agenda of decentering, challenging, even undermining the guiding "master" narratives of Western culture. The readings in the third section explore postmodernism's complicated complicity with these very narratives, while the fourth section moves from theory to practice in order to investigate, in a variety of fields, the common denominators of the postmodern condition in action.

Form and Disorder in Salman Rushdie's "Shame" Random House

Presents a collection of stories selected from magazines in the United States and Canada

EAST, WEST

Bloomsbury Publishing

Salman Rushdie's writing is engaged with translation in many ways: translator-figures tell and retell stories in his novels, while acts of translation are catalysts for climactic events. Covering his major novels as well as his often-neglected short stories and writing for children, *Salman Rushdie and Translation* explores the role of translation in Rushdie's work. In this book, Jenni Ramone draws on contemporary translation theory to analyse the part translation plays in Rushdie's appropriation of historical and contemporary Indian narratives of independence and migration.

SHALIMAR THE CLOWN

Columbia University Press

NEW YORK TIMES BESTSELLER • An epic Don Quixote for the modern age, "a brilliant, funny, world-encompassing wonder" (Time) from internationally bestselling author Salman Rushdie SHORTLISTED FOR THE MAN BOOKER PRIZE • "Lovely, unsentimental, heart-affirming . . . a remembrance of what holds our human lives in some equilibrium—a way of feeling and a way of telling. Love and language."—Jeanette Winterson, *The New York Times* Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TIME AND NPR Inspired by the Cervantes classic, Sam DuChamp, mediocre writer of spy thrillers, creates Quichotte, a courtly, addled salesman obsessed with television who falls in impossible love with a TV star. Together with his (imaginary) son Sancho, Quichotte sets off on a picaresque quest across America to prove worthy of her hand, gallantly braving the tragicomic perils of an age where "Anything-Can-Happen." Meanwhile, his creator, in a midlife crisis, has equally urgent challenges of his own. Just as Cervantes wrote Don Quixote to satirize the culture of his time, Rushdie takes the reader on a wild ride through a country on the verge of moral and spiritual collapse. And with the kind of storytelling magic that is the hallmark of Rushdie's work, the fully realized lives of DuChamp and Quichotte intertwine in a profoundly human quest for love and a wickedly entertaining portrait of an age in which fact is so often indiscernible from fiction. Praise for Quichotte "Brilliant . . . a perfect fit for a moment of transcontinental derangement."—Financial Times "Quichotte is one of the cleverest, most enjoyable metafictional capers this side of postmodernism. . . . The narration is fleet of foot, always one step ahead of the reader—somewhere between a pinball machine and

a three-dimensional game of snakes and ladders. . . . This novel can fly, it can float, it's anecdotal, effervescent, charming, and a jolly good story to boot."—The Sunday Times "Quichotte [is] an updating of Cervantes's story that proves to be an equally complicated literary encounter, jumbling together a chivalric quest, a satire on Trump's America and a whole lot of postmodern playfulness in a novel that is as sharp as a flick-knife and as clever as a barrel of monkeys. . . . This is a novel that feeds the heart while it fills the mind."—The Times (UK)

Shame Vintage Canada

Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is celebrated as "a master of perpetual storytelling" (The New Yorker), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, *Languages of Truth* chronicles Rushdie's intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects, he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself. Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to him, whether on the page or in person. He delves deep into the nature of "truth," revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie's signature wit and dazzling voice, *Languages of Truth* offers the author's most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant

and fearless imagination.

GRIMUS

Macmillan

When Kayu Saitoh wakes up, she is in an unfamiliar place. Taken to a snowy mountainside, she was left there by her family and her village according to the tradition of sacrificing the lives of the elderly for the benefit of the young. Kayu was supposed to have passed quickly into the afterlife. Instead, she finds herself in Dendera, a utopian community built over decades by old women who, like her, were abandoned. Together, they must now face a new threat: a hungry mother bear. "Dendera is riveting, hilarious, dark, gory, and absolutely brilliant...it's as if Elena Ferrante and Stephen King collided on a Japanese mountaintop." —Jami Attenberg, New York Times best-selling author of *The Middlesteins* -- VIZ Media

THE CAMBRIDGE COMPANION TO SALMAN RUSHDIE

A&C Black

The Wizard of Oz 'was my very first literary influence,' writes Salman Rushdie in his account of the great MGM children's classic. At the age of ten he had written a story, 'Over the Rainbow', about a colourful fantasy world. But for Rushdie *The Wizard of Oz* is more than a children's film, and more than a fantasy. It's a story whose driving force is the inadequacy of adults, in which 'the weakness of grown-ups forces children to take control of their own destinies'. And Rushdie rejects the conventional view that its fantasy of escape from reality ends with a comforting return to home, sweet home. On the contrary, it is a film that speaks to the exile. *The Wizard of Oz* shows that imagination can become reality, that there is no such place like home, or rather that the only home is the one we make for ourselves. Rushdie's brilliant insights into a film more often seen than written about are rounded off with his typically scintillating short story, 'At the Auction of the Ruby Slippers,' about the day when Dorothy's red shoes are knocked down to \$15,000 at a sale of MGM props. In his foreword to this special edition, published to celebrate the 20th anniversary of the BFI Film Classics series, Rushdie looks back to the circumstances in which he wrote the book, when, in the wake of the controversy surrounding *The Satanic Verses* and the issue of a fatwa against him, the idea of home and exile held a particular resonance.

THE ENCHANTRESS OF FLORENCE

BRILL

His impulse, instead, is to deconstruct the colonizer/colonized binary and in doing so attempt to clear a "new" postmodern space."--BOOK JACKET.
