Molly and Kevin are engaged. They have "normal" jobs. Kevin and Nate have known each other since they were kids. Nate used to be famous once. He just broke up with Lil, who does performance art, and she used to work with Molly, who wanted to be an actress a long time ago. These relationships come to a head when Kevin decides he no longer wants the regular life he convinced Molly to live with him. Friend Art asks how late is too late to give up on your dreams, when are you really a grown-up, and what the hell are you supposed to say when walking out of a friend's truly terrible performance?

**Law and the Senses** Jo Fletcher Books

Illustrating how the poems we love could have been written differently, or even badly, the author rewrites poems by authors ranging from Elizabeth Bishop to Shakespeare, and displays the reworked version side-by-side with the original, so one can gain a better understanding of the original work's merits.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

Dinosaurs Love Underpants meets Walter the Farting Dog, Everyone Poops, and Mel Brooks's movies in the latest Dinosaur That Pooped story by Tom Fletcher and Dougie Poynter of the English pop punk group McFly. When Danny and Dinosaur accidentally go back through history on a time-travelling swing, they zoom right past the Romans, Egyptians, and Greeks to the Jurassic Era, where they meet some new dino friends. But soon there's a rumbling noise...a volcano is about to erupt! Can Dinosaur save the day by pooping them back to the future?

New Foreword by Irvine Welsh. In *Before We Was We* Madness tell us how they became them. A story of seven originals, whose collective graft, energy and talent took them from the sweaty depths of the Hope and Anchor's basement to the Top of the Pops studio. In their own words they each look back on shared adventures. Playing music together, riding freight trains, spraying graffiti and stealing records. Walking in one another's footsteps by day and rising up through the city's exploding pub music scene by night. *Before We Was We* is irreverent, funny and full of character. Just like them.

### BILLY AND ME

Pluto Press (UK)

Offering a broad perspective on the Hollywood dad, looking at important Hollywood fathers and discussing films from many genres, this book adopts a multi-faceted theoretical approach, making use of psychoanalysis, sociology and masculinity studies and contextualising the father figure within both Hollywood and American history.

Ditch the storybook wedding, banish Bridezilla, and walk down the aisle in truth and in style: You are a Stone Fox Bride and this is your bridal guide. Molly Rosen Guy founded the brand Stone Fox Bride as an alternative to outdated, plastic-princess wedding culture. Her stylish and subversive approach is being embraced by creative, modern brides who believe in love and romance, but have no interest in running off into the sunset. In an inspiring mix of intimate storytelling, gorgeous visuals, and candid advice, with an aesthetic that channels Bianca Jagger in a white tux rather than Cinderella in a frilly gown, Molly Rosen Guy—your cool, hippie chic guide through the wilds of wedding planning—encourages brides-to-be, and their ladies in tow, to say no to all things phony,

frilly, and silly. Featuring personal essays that explore the nuances of the process, including a raw, unairbrushed look at the realities of the early days of marriage, she tells us that a Stone Fox Bride should never sacrifice her style, her story, or her sanity to please others; she reassures us that weddings don't have to be free of confusion, shades of gray, or cellulite; and reminds us that marriage, like love, is equal parts complicated and beautiful. Praise for Molly Rosen Guy and the Stone Fox Bride phenomenon "The current wedding-wear darling of the jammin' and Instagrammin' set [offers] an insouciant, antiestablishment approach to weddings."—The New York Times "[Molly Rosen Guy is] making waves in the bridal industry thanks to her eclectic eye and refusal to conform to clichéd traditions."—W "Molly Rosen Guy built a business filling the needs of women who long for something more than your run-of-the-mill, princess-y flou for their big day."—Vogue

Danny and Dino celebrate Christmas in the latest Dinosaur That Pooped story by Tom Fletcher and Dougie Poynter of the English pop punk group McFly. Danny wants everything for Christmas. But what he gets is a dinosaur, a very hungry dinosaur. Danny's new dino eats up all of Christmas, but as we all know, what goes in must come out. Danny is about to have the most explosive Christmas of his life! There's poop, presents, and prehistoric creatures in this festive feast! With a strong moral about the dangers of being greedy, *The Dinosaur That Pooped Christmas!* is sure to become a modern Christmas classic.

*My Life in Dire Straits* McFly - Unsaid Things...Our Story

The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame - and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, *Unsaid Things* offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.

'Wonderfully honest and relatable, and it's also extremely comforting and reassuring too' MIND, No.1 Mental Health charity 'I recommend this for anyone who's looking to find true consistent happiness' Craig David "This book is a way to release what's going on inside your head and to keep heading towards the good stuff. The simple stuff. The stuff that's going to really hit up that happiness on a deep and nourishing level. Whether you dip into these pages every now and then when you feel you need it, or use it daily as a positive exercise, I hope it brings you much relief, joy and calm. Amen to the pen." - Fearné Cotton For many of us, life can feel like it's moving too fast with pressure bearing down on us from all sides - whether that's from school or work, family or social media. As a result, we find ourselves frazzled, lost and - too often - feeling blue. It's a subject close to Fearné's heart. Drawing on her own experiences and including expert advice, HAPPY offers practical ways of finding joy each and every day. Happiness isn't a mountain to climb, it's just one foot in front of the other on the path of life, and here you'll find little steps that will help make the differences that count. With workbook elements to help you start and end the day well; get in touch with your creative side; and find peace through written exercises, simple practical ideas and visualisations, these are daily tricks and reminders to help you unlock that inner happiness.

Why settle for a pony or a puppy for Christmas when you could have a dinosaur? A rollicking adventure from singer-songwriter and YouTuber Tom Fletcher! Once upon a time--long, long ago, when dinosaurs roamed the Earth--an egg rolled away from its mother and landed in the ocean, where it froze solid and stayed peacefully for thousands of years. Then one day Santa and his elves discover the frozen egg, and Santa sits on it to see if it will hatch. But he can't guess what's inside. . . A dinosaur! Meanwhile, a young boy named William Trundle has only ever wished for one thing for Christmas: a dinosaur! So when Santa accidentally gives William the real *Christmasaurus* instead of a stuffed replica, it's the BEST CHRISTMAS EVER! Until an evil man known as the Hunter decides a dinosaur will be the perfect addition to his collection. A wild and hilarious adventure ensues in this instant Christmas classic!

The concept of the five senses underpins all modern academic disciplines. Recent work has pushed forward the debate about their significance, and the extent to which our techniques of perception are not merely biological, but constructed and contestable. This book reflects the ways in which ordering of the senses informs law. Starting from the modern legal system's treatment of prohibitions, liabilities, properties and methods of proof and punishment, the contributors look at how understandings of the senses vary across a variety of legal areas, from intellectual property law to criminal law. It covers a range of issues including New Age travellers, consent in female

### WONDERFUL LIFE: THE BURGESS SHALE AND THE NATURE OF HISTORY

Simon and Schuster

A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, *This Is How Your Marriage Ends* exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of *The Subtle Art of Not Giving a F\*ck*, and the practical insights of *The 5 Love Languages*, *This Is How Your Marriage Ends* helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of dysfunction and destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship.
