How I Made A Hundred Movies In Hollywood And Never Lost A Dime

Samuel French, Inc.

"By the time I was 24, I was pretty jaded -- I thought I'd seen and done it all. Then I met Gene. My life is divided into two sections: PG (well... maybe R) and AG (after Gene)." --Shannon Tweed Two decades and two children after their first meeting at the Playboy Mansion, Shannon Tweed and Gene Simmons are still happily together. "Kiss and Tell" is

the surprising side of the story from one of the world's most beautiful women.

The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the

accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of

psychological and spiritual growth.”—Tony Schwartz, author of *What Really Matters: Searching for Wisdom in America*
Orange Coast Magazine Phoenix Books
Journalist Debbie Nathan reveals the true story behind the famous case of Sybil, the woman with sixteen different personalities.

Updated version of an engaging overview of the television situation comedy. This updated and expanded anthology offers an engaging overview of one of the oldest and most ubiquitous forms of television programming: the sitcom. Through an analysis of formulaic conventions, the contributors address

critical identities such as race, gender, and sexuality, and overarching structures such as class and family. Organized by decade, chapters explore postwar domestic ideology and working-class masculinity in the 1950s, the competing messages of power and subordination in 1960s magicoms, liberated women and gender in 1970s workplace comedies and 1980s domestic comedies, liberal feminism in the 1990s, heteronormative narrative strategies in the 2000s, and unmasking myths of gender in the 2010s. From *I Love Lucy* and *The Honeymooners* to *Roseanne*, *Cybill*, and *Will & Grace* to *Transparent* and many others in between, *The Sitcom Reader* provides a comprehensive examination of this popular genre that will help readers think about the shows

and themselves in new contexts.

Dear Readers, There are at least five good reasons to Tip It! right now. 1. My daughter Kathy put out her memoir last year, which was real nice except for the controversial parts. And it got to be a #1 New York Times bestseller. Congratulations, Kathleen! But now it's

my turn. I've written my own book. I have things to say, too, without having to be all controversial like you were. Tip it! 2. People recognize me on the street a lot now and come over, nicely, and say "Maggie, you remind me of my own mother." And they say "Maggie, I love your show"--referring to Kathy Griffin: My Life on the D-List as my show. Sometimes I correct them, I say, "Oh, it's not my show." But sometimes . . . I don't correct them. It's kind of fun being a star, isn't it Tip it! 3. If you want to know a few things about my daughter Kathleen that only a mother could know (How the heck did she get this way? Did she always swear so much, for Chrissake?), you have come to the right book. Tip it! 4. You know how a box of wine is never empty just because the

spigot seems to have run dry (There's always a little more if you just tip it!) This book is like that. There's so much in it--never-before-published Griffin family photos!, a love story (me and my dear departed husband Johnny), a whole guide to good living (including how to survive on what's in your purse), and a lot of funny business in this book from Kathleen (she made comments in this book; readers, I was not able to stop her!). So take this book and Tip It! 5. And be sure to get the last drop out of living. Isn't it nice that "Tip It" acts as a toast I'm 90 years old, and I think "Tip It!" even works pretty well as a motto for living to the fullest. So, Tip It! today. Yours, Maggie Griffin A funny thing happened on the way to Kathy Griffin's sky-rocketing stardom. The more she

told stories about her mother, Maggie, in her stand-up act and on her Emmy-winning television show, *Kathy Griffin: My Life on the D-List*, the more popular her mother became. (At the mere mention of Maggie, a stadium full of fans will cheer, "Tip It! Tip It!") Shocked by Kathy, exasperated by Kathy, grudgingly amused by Kathy, and at the end of the day, always a loving mother to Kathy, Maggie Griffin has become the darling Gracie to Kathy's George Burns, the wry Cher to Kathy's Sonny Bono, the spry, sweet Roadrunner to Kathy's Wile E. Coyote.

Moonlighting Simon and Schuster

This first-ever biography of American actress Anne Francis will enlighten her casual fans and earn a nod of agreement from her diehard admirers. The star of such 1950s cinematic classics as *Bad Day at Black Rock*, *Blackboard Jungle* and *Forbidden Planet*, Anne made the risky decision to transplant her talents to television—and as a result, her acting has often been taken for granted. But TV supplied her with the groundbreaking title role in *Honey West* (1965–66), where she became the first leading actress to portray a private detective on a regular weekly series. All of Anne

Francis' film and television appearances are chronicled, including a full episode guide for *Honey West* and a complete listing of her guest roles on such series as *The Twilight Zone*, *The Untouchables* and *Murder, She Wrote*.

BREAKING NIGHT

In Las Vegas, there's a family-owned business called the Gold & Silver Pawn Shop, run by three generations of the Harrison family: Rick; his son, Big Hoss; and Rick's dad, the Old Man. Now *License to Pawn* takes readers behind the scenes of the hit History show *Pawn Stars* and shares the fascinating life story of its star, Rick Harrison, and the equally intriguing story behind the shop, the customers, and the items for sale.

Rick hasn't had it easy. He was a math whiz at an early age, but developed a similarly uncanny ability to find ever-deepening trouble that nearly ruined his life. With the birth of his son, he sobered up, reconnected with his dad, and they started their booming business together. License to Pawn also offers an entertaining walk through the pawn shop's history. It's a captivating look into how the Gold & Silver works, with incredible stories about the crazy customers and the one-of-a-kind items that the shop sells. Rick isn't only a businessman; he's also a historian and keen observer of human nature. For instance, did you know that pimps wear lots of jewelry for a reason? It's because if they're arrested, jewelry doesn't get confiscated like cash does, and ready

money will be available for bail. Or that WWII bomber jackets and Zippo lighters can sell for a freakishly high price in Japan? Have you ever heard that the makers of Ormolu clocks, which Rick sells for as much as \$15,000 apiece, frequently died before forty thanks to the mercury in the paint? Rick also reveals the items he loves so much he'll never sell. The shop has three Olympic bronze medals, a Patriots Super Bowl ring, a Samurai sword from 1490, and an original Iwo Jima battle plan. Each object has an incredible story behind it, of course. Rick shares them all, and so much more--there's an irresistible treasure trove of history behind both the Gold & Silver Pawn Shop and the life of Rick Harrison.

He also discusses his distribution of the Bergman, Fellini, and Truffaut movies that later won Academy Awards in the Best Foreign Film category. Corman alumni—John Sayles, Martin Scorsese, Jack Nicholson, Vincent Price, Francis Ford Coppola, Peter Bogdanovich, Peter Fonda, Joe Dante, and Jonathan Demme, among others—contribute their recollections to give added perspective to Corman's often hilarious, always informative autobiography.

Night is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times

scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

Lunch Hour Hachette Books

From America's most beloved comedic actress and the star of *Desperate Housewives* comes a personal, heartfelt, and often very funny manifesto on life, love, and the lessons we all need to learn -- and unlearn -- on the road to happiness. Teri Hatcher secured her place in America's heart when she stood up to accept her Golden Globe for Best Actress and declared herself a "has-been" on national television. That moment showcased her down-to-earth, self-deprecating style -- and her frank

openness about the ups and downs she's experienced in life and work. But what the world might not have seen that night is that Teri's self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle -- life, love, bake sale cookies, and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday (like the importance of letting your daughter spill her macaroni so she knows it's okay to make mistakes) to the rare (a rendezvous with a humpback whale -- and no, he was not a suitor), the message at the heart of *Burnt Toast* -- that happiness and success are choices

that we owe it to ourselves to make -- is sure to resonate with women everywhere.
