SAWYER CHRISTINE

The Lacemaker and the Princess Dell “Danger, dread, mystery, and romance” (Booklist) continue in the second book of The Pledge trilogy, as Charlie’s reign is under siege from the most unusual of enemies. At the luminous conclusion of *The Pledge*, Charlaina defeated the tyrant Sabara and took her place as Queen of Ludania. But Charlie knows that Sabara has not disappeared: The evil queen’s Essence is fused to Charlie’s psyche, ready to arise at the first sign of weakness. Charlie is not weak, but she’s being pushed to the brink. In addition to suppressing the ever-present influence of Sabara, she’s busy being queen—and battling a growing resistance determined to return Ludania to its discriminatory caste system. Charlie wants to be the same girl Max loves, who Brook trusts, but she’s Your Majesty now, and she feels torn in two. As Charlie journeys to an annual summit to meet with leaders of nearby Queendoms—an event where her ability to understand all languages will be the utmost asset—she is faced with the ultimate betrayal. And the only person she can turn to for help is the evil soul residing within.

In *The Pledge*, seventeen-year-old Charlaina lives in Ludania, a country stratified by a caste system divided by language and ruled by the cruel tyrant Queen Sabara. But Charlie has a secret skill, and as clashes escalate between the totalitarian monarch and the rebel forces, Charlie might be her country’s only chance for freedom. And though Charlie lays claim to the throne in *The Essence*, the influence of the evil Sabara does not disappear. Faced with the ultimate betrayal, Charlie must turn to an unexpected resource for help—and to an unexpected ally for love. Then when peace negotiations go awry in *The Offering*, it seems the only option to secure Ludanian freedom is for Charlie to sacrifice herself. But things aren’t always as they seem. Is Charlie walking into a trap? Full of danger, intrigue, and blood-rushing romance, this gripping trilogy is sure to satisfy and makes an ideal gift.

Children Shouldn't Play with Dead Things Simon and Schuster

Set in a small town in Switzerland, *The Pledge* centers around the murder of a young girl and the detective who promises the victim's mother he will find the perpetrator. After deciding the wrong man has been arrested for the crime, the detective lays a trap for the real killer—with all the patience of a master fisherman. But cruel turns of plot conspire to make him pay dearly for his pledge. Here Friedrich Dürrenmatt conveys his brilliant ear for dialogue and a devastating sense of timing and suspense. Joel Agee's skilled translation effectively captures the various voices in the original, as well as its chilling conclusion. One of Dürrenmatt's most diabolically imagined and constructed novels, *The Pledge* was adapted for the screen in 2000 in a film directed by Sean Penn and starring Jack Nicholson.
