A symphony for full orchestra, composed by Ludwig van Beethoven.

Symphony Cambridge University Press

The authoritative Beethoven biography, endorsed by and produced in close collaboration with the Beethoven-Haus Bonn, is timed for the 250th anniversary of Beethoven's birth. With unprecedented access to the archives at the Beethoven House in Bonn, renowned Beethoven conductor and scholar Jan Caeyers expertly weaves together a deeply human and complex image of Beethoven--his troubled youth, his unpredictable mood swings, his desires, relationships, and conflicts with family and friends, the mysteries surrounding his affair with the "immortal beloved," and the dramatic tale of his deafness. Caeyers also offers new insights into Beethoven's music and its gradual transformation from the work of a skilled craftsman into that of a consummate artist. Demonstrating an impressive command of the vast scholarship on this iconic composer, Caeyers brings Beethoven's world alive with elegant prose, memorable musical descriptions, and vivid depictions of Bonn and Vienna--the cities where Beethoven produced and performed his works. Caeyers explores how Beethoven's career was impacted by the historical and philosophical shifts taking place in the music world, and conversely, how his own trajectory changed the course of the music industry. Equal parts absorbing cultural history and lively biography, *Beethoven, A Life* paints a complex portrait of the musical genius who redefined the musical style of his day and went on to become one of the great pillars of Western art music.

Especially notable for the final movement's glorious chorale setting of Schiller's Ode to Joy, Beethoven's Ninth Symphony is reproduced here in full in a convenient size for study.

LUDWIG VAN BEETHOVEN VIOLIN SHEET MUSIC

Courier Corporation

'My compositions bring me in a good deal ... I state my price and they pay.' Beethoven was an inspired composer but he was also a working musician with sound commercial sense. David Wyn Jones's account of Beethoven the man and composer reveals the life of a creative musician in Bonn and Vienna in the late eighteenth and early nineteenth centuries. While paying due regard to the image of Beethoven as one of the most single-minded composers in the history of music, this biography places his work in the context of the musical life of the period. Through an understanding of the changing nature of musical patronage, the private and public concert, the impact of the Napoleonic Wars on culture and society, and the increasing ambition of musical life in the period after the end of the wars, a varied and dynamic picture of Beethoven's musical career emerges.

SYMPHONIES, No.9, Op.125, D MAJOR

Courier Corporation

"A TIME Magazine Top 10 Nonfiction Book of 2012 New Yorker Best Book of the Year i>Los Angeles Magazine's #1 Music Book of the Year /b>unique and revelatory book of music history that examines in great depth what is perhaps the best-known and most-popular symphony ever written and its four-note opening, which has fascinated musicians, historians, and philosophers for the last two hundred years. Music critic Matthew Guerrieri reaches back before Beethoven's time to examine what might have influenced him in writing his Fifth Symphony, and forward into our own time to describe the ways in which the Fifth has, in turn, asserted its influence. He uncovers possible sources for the famous opening notes in the rhythms of ancient Greek poetry and certain French Revolutionary songs and symphonies. Guerrieri confirms that, contrary to popular belief, Beethoven was not deaf when he wrote the Fifth. He traces the Fifth's influence in China, Russia, and the United States (Emerson and Thoreau were passionate fans) and shows how the masterpiece was used by both the Allies and the Nazis in World War II. Altogether, a fascinating piece of musical detective work a tr

Symphony no. 7 in A major, op. 92 Vintage
 Beethoven's profound love of nature, nourished by his solitary rambles through the countryside, provided the wellspring for his sixth symphony. Five years in the making, the "Pastorale" particularly reflects his feelings for rustic pleasures, and performers and listeners rejoice in a work more nuanced and delicate than the composer's typically intense symphonies. The music is reproduced here from an authoritative edition, with bar-numbered movements and ample margins at the bottom of each score page for notes and analysis. Ideal for study in the classroom, at home, or in the concert hall, this affordable high-

quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.

Symphony Alfred Music

"This special adaptation of Ludwig van Beethoven's Symphony No. 9 has been created especially for very young children. Babies and toddlers will enjoy the beautiful illustrations of musicians and their instruments. And preschoolers as well as school-age children will learn from imaginative adult readers about orchestras, Beethoven and the joys of music."--Page [4] of cover.

THE FIRST FOUR NOTES
