### THE FORM OF PRAYERS

Lulu.com

A wide-ranging introduction to Jungian psychology and its relevance to our lives and to the issues of our time.

**Ein Yaakov** Schechter Institute of Jewish Studies

Since man was created "in the image of God," each organ of the human body has a spiritual as well as physical meaning. Based on Rebbe Nachman of Breslov's teachings, this fascinating study uncovers the mystical connection between each aspect of the human body - the skeletal and muscular system, the circulatory and respiratory systems, the reproductive system, and more - and the Ten Sefirot, plus the five levels of the soul. Heighten your awareness of the awesome spiritual power you have at your fingertips, and in all your other limbs as well.

*Memorias de la ... Reunión Anual de Etnología* Simon and Schuster

This is the only complete English translation of the classic Jewish

text known as Ein Yaakov. Ein Yaakov is a collection of all the agaddah (the non-legal) material of the Talmud, compiled by Rabbi Yaakov ibn Chaviv, the fifteenth century talmudist.

Scattered among the more than 2,700 pages of the Talmud, aggadah focuses on the ethical and inspirational aspects of the Torah way of life. Through a wealth of homilies, anecdotes, allegories, pithy sayings, and interpretations of biblical verses, it has been said that the aggadah brings you closer to God and his Torah.

*Synagogues of Europe* Romance Al Divin Martir Juda C

In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

**Pirkei D'Rebbi Eliezer** Anthropos Editorial

THE BOOK OF GENESIS is the key to the Bible. In the New Testament it is quoted twenty-seven times literally and thirty-eight times substantially. It tells in a very few words how God first imaged man and the universe and then turned the development over to Jehovah, who has been in a process of manifestation for ages and aeons. The "Five Books of Moses," of which Genesis is the first, have always been credited to Moses, but that he was the author seems doubtful in the face of the many stories of creation found in the legends and hieroglyphs of ancient Egypt, Chaldea, and other nations that are almost identical with those of Genesis. It would thus seem that Moses edited the legends of the ages and compiled them into an allegorical history of creation. The truths in this book will be revealed to the reader through his own spiritual unfoldment. Spiritual things are spiritually discerned. The spiritual revelations that you seem to get from books and teachers already existed as submerged experiences in your own soul. The essential truths have been worked out in this or previous incarnations, and when you were reminded of the buried idea it blazed forth as a light from without. So all that you are or ever will be must come from your own spiritual achievements.

**To Be a Jew** Yale University Press

Superbly illustrated views from antiquity to modern times accompany concise profiles of synagogues across the continent, including Cracow's Old Synagogue, the Great Synagogue of Vilnius, and Vienna's Tempelgasse. 253 illustrations.

**The Zohar** Mod Books

This is the most significant work to come from the pen of Antonio Enriquez Gomez. This volume contains the manuscript of Romance al divin Martir in its entirety--in its original form as well as edited--with a full and wide-ranging analysis that resolves some of the mysteries of Antonio Enriquez Gomez's biography as well as clearly explaining Gomez's political views and religious attitudes.

**THE BAHIR**

KTAV Publishing House, Inc.

The classic guide to the ageless heritage of Judaism Embraced over many decades by hundreds of thousands of readers, To Be a Jew offers a clear and comprehensive introduction to traditional Jewish laws and customs as they apply to daily life in the contemporary world. In simple and powerful language, Rabbi Hayim Halevy Donin presents the fundamentals of Judaism, including the laws and observances for the Sabbath, the dietary laws, family life, prayer at home and in the synagogue, the major and minor holidays, and the guiding principles and observances of life, such as birth, naming, circumcision, adoption and conversion, Bar-mitzvah, marriage, divorce, death, and mourning. Ideal for reference, reflection, and inspiration, To Be a Jew will be greatly valued by anyone who feels that knowing, understanding, and observing the laws and traditions of Judaism in daily life is the essence of what it means to be a Jew.

**Introducing Jungian Psychology** Kabbalah Publishing

The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us. It is a systematic method that has evolved over thousands of years, nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it. The Book of Zohar (The Book of Radiance) is an ageless source of wisdom and the basis for all Kabbalistic literature. Since its appearance nearly 2,000 years ago, it has been the primary, and often only, source used by Kabbalists. Written in a unique and metaphorical language. The Book of Zohar enriches our understanding of reality and expands our worldview. However, this text should not be read in an

ordinary fashion. We should patiently and repeatedly read and think about each sentence as we try to penetrate the author's feelings. We should read it slowly and try to extract the nuances of the text. Although the text deals with one subject only-how to relate to the Creator-it approaches it from different angles. This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom.

**Anatomy of the Soul** Feldheim Publishers

A completely redone version of a treasured classic. This newly translated volume, complete with facing Hebrew-English text and shoulder captions for clarity, revitalizes the study of Rabbi Moshe Chaim Luzzatto's classic ethical work. The Path of the Just has long been regarded as the crown-jewel of mussar study. The Gaon of Vilna constantly kept a copy of Mesillas Yesharim at his side, and yet the piercing wisdom of the Ramchal is just as relevant to our own lives. The author gently guides the reader through various levels of character refinement, shining a beacon of life on the path to perfection.

**Responsa and Halakhic Studies** Laitman Kabbalah Publishers

Explores Divine regulation of the world. With Rabbi Yosef Begun's marginal notes. Vowelized, facing Hebrew and English texts.

**Prohibitions in Marriage** Macmillan

Meditative methods of Kabbalah. A lucid presentation of the meditative methods, mantras, mandalas and other devices used, as well as a penetrating interpretation of their significance in the light of contemporary meditative research.

**A Guide to Jewish Religious Practice** Jazzybee Verlag

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**THE HISTORY OF LASHON HAKODESH**

Arkose Press

One hundred and fifty years after Abraham Lincoln's death, the full story of his extraordinary relationship with Jews is told here for the first time. Lincoln and the Jews: A History provides readers both with a captivating narrative of his interactions with Jews, and with the opportunity to immerse themselves in rare manuscripts and images, many from the Shapell Lincoln Collection, that show Lincoln in a way he has never been seen before. Lincoln's lifetime coincided with the emergence of Jews on the national scene in the United States. When he was born, in 1809, scarcely 3,000 Jews lived in the entire country. By the time of his assassination in 1865, large-scale immigration, principally from central Europe, had brought that number up to more than 150,000. Many Americans, including members of Lincoln's cabinet and many of his top generals during the Civil War, were alarmed by this development and treated Jews as second-class citizens and religious outsiders. Lincoln, this book shows, exhibited precisely the opposite tendency. He also expressed a

uniquely deep knowledge of the Old Testament, employing its language and concepts in some of his most important writings. He befriended Jews from a young age, promoted Jewish equality, appointed numerous Jews to public office, had Jewish advisors and supporters starting already from the early 1850s, as well as later during his two presidential campaigns, and in response to Jewish sensitivities, even changed the way he thought and spoke about America. Through his actions and his rhetoric—replacing "Christian nation," for example, with "this nation under God"—he embraced Jews as insiders. In this groundbreaking work, the product of meticulous research, historian Jonathan D. Sarna and collector Benjamin Shapell reveal how Lincoln's remarkable relationship with American Jews impacted both his path to the presidency and his policy decisions as president. The volume uncovers a new and previously unknown feature of Abraham Lincoln's life, one that broadened him, and, as a result, broadened America.

### **JEWISH SOURCES IN EARLY CHRISTIANITY**

Fairleigh Dickinson Univ Press

A philosophical and historical presentation of the doctrine of the

Seven Laws of Noah.

Oxford University Press, USA

On the Sabbath, calling women to the Torah, and counting them in the minyan.

### **La religión de la razón desde las fuentes del judaísmo**

Laitman Kabbalah Publishers

This book of prophetic Kabbalah teaches how to create the "external" and "internal" environment for successfully receiving the "Spirit of Prophecy." It presents a clear, precise and revolutionary method for the one who feels the call but has gotten lost along the way and failed to reach the state of enlightenment.

### **DUTIES OF THE HEART**

Courier Corporation

Among the minority religions of the Western world Judaism is the oldest-established and in many ways the most familiar. Yet it is a religion about which there are many misconceptions, partly because of certain stereotypes derived from Christian missionary propaganda of an earlier age. Nicholas de Lange aims to set the record straight by presenting Judaism from the inside, but in a way accessible to non-Jewish readers.
