It is 1912 and Grace Lampley has returned to St. Louis to work as a clerk in a real estate office. Ever

wary of romance, she enjoys a single life in the city's parks, nickelodeons and dance halls. That is, until she meets Ray, who has come out from New York to manage a new theatre. She is captivated by his tenderness and sweetness and awed by the glamorous company he keeps, so she accepts his proposal of marriage. Grace's demons of self-doubt nearly destroy the marriage, but it survives a move to New York. Ray is promoted and Grace goes to work for theatre mogul, Jacob J. Shubert. Her world explodes with excitement and she gradually emerges to full awareness of her strength and

identity. She also begins to recognize her hidden desires and to act on them. Grace and Ray blossom until war separates them. Will the war end soon enough?...

## JOURNEY WITH GRACE

Zondervan

This reissue of Grace Paley's classic collection—a finalist for the National Book Award—demonstrates her rich use of language as well as her extraordinary insight into and compassion for her characters, moving from the hilarious to the tragic and back again. Whether writing about the love (and conflict) between parents and children or between husband and wife, or about the struggles of aging single mothers or disheartened political organizers to make sense of the world, she brings the same unerring ear for the rhythm of life as it is actually lived. The Collected Stories is a 1994 National Book Award Finalist for Fiction.

[The Life and Times of an American Princess](#) A Grace Paley Reader Stories, Essays, and Poetry An essential book for all Grace Paley fans Grace Paley is best known for her inimitable short stories, but she was also an enormously talented essayist and poet. A Grace Paley Reader collects the best of Paley's writing, showcasing her breadth of work and her extraordinary insight and empathy. With an introduction by George Saunders and an afterword by the writer's daughter, Nora Paley, A Grace Paley Reader is sure to become an instant classic. Grace Paley's Life Stories A Literary Biography At the core of Judith Arcana's biographical reading of this strongly autobiographical writer. Grace Paley's Life Stories interweaves details about Paley with critical discussions of her works, examining her as a woman, mother, activist, and Jew. Arcana visited and interviewed Paley at her homes in Vermont and New York over a period of several years. She also interviewed Paley's family, friends, and colleagues. Such extensive research is unmatched in Paley scholarship. Gospel in Life Discussion Guide Grace Changes Everything Through this eight-week small group Bible study, Gospel in Life, Timothy Keller explores with participants how gospel can change hearts, communities, and how we live in the world. This pack includes one softcover 230-page Participant Guide and one DVD. Enormous Changes at the Last Minute Stories

'This is a collection full of energy and stunning, quiet innovation ... it spills over with contempt, raucous humour, sadness and generosity. In it, life and language are synonymous, and there is no higher praise. What a wonderful book' Ali Smith Here are all Grace Paley's classic stories in one volume. Paley's quirky, boisterous characters and rich use of language won her readers' hearts and secured her place as one of America's most accomplished short-story writers. Her stories are united by her signature interweaving of personal and political truths, her extraordinary capacity for

empathy and her pointed depiction of the small and large events that make up daily life. Books included in the VMC 40th anniversary series include: Frost in May by Antonia White; The Collected Stories of Grace Paley; Fire from Heaven by Mary Renault; The Magic Toyshop by Angela Carter; The Weather in the Streets by Rosamond Lehmann; Deep Water by Patricia Highsmith; The Return of the Soldier by Rebecca West; Their Eyes Were Watching God by Zora Neale Hurston; Heartburn by Nora Ephron; The Dud Avocado by Elaine Dundy; Memento Mori by Muriel Spark; A View of the Harbour by Elizabeth Taylor; and Faces in the Water by Janet Frame

Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh - after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

## A THEOLOGY OF EVERYDAY LIFE

Revell

A richly imagined and stunningly inventive literary masterpiece of love, art, and betrayal, exploring the genesis of evil, the unforeseen consequences of love, and the ultimate unreliability of storytelling itself. Paris in the 1920s shimmers with excitement, dissipation, and freedom. It is a place of intoxicating ambition, passion, art, and discontent, where louche jazz venues like the

Chameleon Club draw expats, artists, libertines, and parvenus looking to indulge their true selves. It is at the Chameleon where the striking Lou Villars, an extraordinary athlete and scandalous cross-dressing lesbian, finds refuge among the club's loyal denizens, including the rising Hungarian photographer Gabor Tsenyi, the socialite and art patron Baroness Lily de Rossignol; and the caustic American writer Lionel Maine. As the years pass, their fortunes—and the world itself—evolve. Lou falls desperately in love and finds success as a race car driver. Gabor builds his reputation with startlingly vivid and imaginative photographs, including a haunting portrait of Lou and her lover, which will resonate through all their lives. As the exuberant twenties give way to darker times, Lou experiences another metamorphosis—sparked by tumultuous events—that will warp her earnest desire for love and approval into something far more.

“Prose’s book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create.” — Minneapolis Star Tribune  
In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In *Anne Frank*, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank’s beloved classic, *The Diary of a Young Girl*. She investigates the diary’s unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter’s words; the controversy surrounding the diary’s Broadway and film adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world’s most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, Anne Frank unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.

Drawing on his unprecedented access to Grace Kelly, bestselling biographer Donald Spoto at last offers an intimate, honest, and authoritative portrait of one of Hollywood's legendary actresses. In just seven years—from 1950 through 1956—Grace Kelly embarked on a whirlwind career that included roles in eleven movies. From the principled Amy Fowler Kane in *High Noon* to the thrill-seeking Frances Stevens of *To Catch a Thief*, Grace established herself as one of Hollywood's most talented actresses and iconic beauties. Her astonishing career lasted until her retirement at age twenty-six, when she withdrew from stage and screen to marry a European monarch and became a modern, working princess and mother. Based on never-before-published or quoted interviews with Grace and those conducted over many years with her friends and colleagues—from costars James Stewart and Cary Grant to director Alfred Hitchcock—as well as many documents disclosed by her children for the

first time, acclaimed biographer Donald Spoto explores the transformation of a convent schoolgirl to New York model, successful television actress, Oscar-winning movie star, and beloved royal. As the princess requested, Spoto waited twenty-five years after her death to write this biography. Now, with honesty and insight, *High Society* reveals the truth of Grace Kelly's personal life, the men she loved, the men she didn't, and what lay behind the façade of her fairy-tale life. From the Hardcover edition.

#### **Finding Balance in the Christian Life** Harper Collins

*Grace in Practice* is a challenging call to live life under grace -- a concept most Christians secretly have trouble with. Paul Zahl pulls no punches, contending that no matter how often we talk about salvation by grace, in our "can-do" society we often cling instead to a righteousness of works. Asserting throughout that grace always trumps both law and church, Zahl illuminates an expansive view of grace in everything, extending the good news of grace to all creation. Conversationally written and filled with fascinating insights, *Grace in Practice* will reward any Christian who seeks to understand the full measure of God's grace and the total freedom it offers.

When a woman receives an unexpected positive pregnancy test, abortion often seems like the best or only option for a fulfilling future. Unplanned Grace beautifully challenges that myth, equipping

readers to support abortion-vulnerable women with love that values life in every way. Writing for the nonprofit organization Save the Storks, Natasha and Brittany draw on personal interviews, inspiring stories, and eye-opening facts to help readers understand: How economics, relationships, and health affect a woman's pregnancy decision The value of having empathy for women facing unplanned pregnancies The enormous potential churches have to support women in crisis Writing not just from a "pro-birth" perspective but from a "pro-abundant life" prospective, *Unplanned Grace* is an ideal resource for churches and individuals who want to make a difference in the pro-life movement.
