In Sidney Sheldon's Angel of the Dark, LAPD Detective Danny McGuire could never forget the face of Angela Jakes and the nightmare she endured—raped, beaten, and tied to the murdered body of her elderly husband, multimillionaire art dealer Andrew. His obsession nearly cost McGuire his sanity, even after the stunning young widow disappeared without a trace. Ten years later, living in France and

working for Interpol, he's put the past behind him . . . until Matt Daley, Andrew Jakes's estranged son, walks into his life. Digging into his father's still-unsolved murder, Matt has uncovered three identical slayings, and soon he is joining forces with Danny to pursue a brilliant, elusive killer across the globe. But in Hong Kong everything starts to crumble as Matt is irresistibly drawn to the most recent widow,

beautiful Lisa Baring, whom Danny suspects may be someone far more sinister than just another victim.

Following the success of the New York Times bestseller Sidney Sheldon's Mistress of the Game, this sweeping tale

of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet of

yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children. The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for

their philanthropic contributions and their lavish annual fund-raising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo tournaments and G5 jets remains untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the

beginning of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie

Antoinette, alone and power-less to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion, glamour, twists, and driving suspense that made

Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself.
