his seminal work *Fraternities without Brotherhood: A Study of Prejudice on the American Campus*. Lee's book was the first and last book to explore diversity within college fraternal groups. More than fifty years later, Craig L. Torbenson and Gregory S. Parks revisit this issue more broadly in their edited volume *Brothers and Sisters: Diversity in College Fraternities and Sororities*. This volume draws from a variety of disciplines in an attempt to provide a holistic analysis of diversity within collegiate fraternal life. It also brings a wide range of scholarly approaches to the inquiry of diversity within college fraternities and sororities. It explores not only from whence these groups have come but where they are currently situated and what issues arise as they progress.

LOVE TWELVE MILES LONG

Chicago Review Press

In 2005, famed civil rights leader and education activist Robert Moses invited one hundred prominent African American and Latino intellectuals and activists to meet to discuss a proposal for a campaign to guarantee a quality education for all children as a constitutional right—a movement that would “transform current approaches to educational inequity, all of which have failed miserably to yield results for our children.” The response was passionate, and the meeting launched a movement. This book—emerging directly from that effort—reports on what has happened since and calls for a new scale of organizing, legal initiatives, and public

definitions of what a quality education is. Essays include · Robert Moses's historically rooted call for citizens, especially young people, to make the demand for quality education · Ernesto Cortés's view from decades of work organizing Latino communities in Texas · Charles Payne's interview with students from the Baltimore Algebra Project, who organized to make historic demands on their district · Legal scholar Imani Perry's nuanced analysis of the prospects of making a case for quality education as a right guaranteed by the Constitution · Perspectives from scholars Lisa Delpit and Joan T. Wynne, and by teachers Alicia Carroll and Kim Parker, who provide examples of what quality education is, describing its goal, and how to guide practice in the meantime

The Black Church Children's Book Press

This new textbook introduces key mechanisms and issues in international conflict management and engages students with a comprehensive interdisciplinary approach to mitigating, managing, and transforming international conflicts. The volume identifies key historical events and international agreements that have shaped and defined the field of international conflict management, as well as key dilemmas facing the field at this juncture. The first section provides an overview of key mechanisms for international conflict management, such as negotiation, mediation, nonviolent resistance, peacekeeping, peacebuilding, transitional justice, and

reconciliation. The second section tackles important cross-cutting themes, such as technology, religion, the economy, refugees and migration, and the role of civil society, examining how these issues contribute to international conflicts and how they can be leveraged to help address such conflicts. Each chapter includes a brief historical overview of the evolution of the issue or mechanism, identifies key theoretical and practical debates, and includes case studies, discussion questions, website links, and suggested further reading for further study and engagement. By providing a mixture of theory and practical examples, this textbook provides students with the necessary background to navigate this interdisciplinary field. This volume will be

of great interest to students of international conflict management, conflict resolution, peace studies, and international relations in general.

TRISTAN STRONG PUNCHES A HOLE IN THE SKY (VOLUME 1)

Houghton Mifflin Harcourt
Winner of the Stowe Prize Winner of the NBCC Prize for Nonfiction This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and activism continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that

offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A

deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

Educators Guide to Free Social Studies Materials New Leaf Publishing Group
A New York Times Bestseller The host of The Daily Show, Trevor Noah, tells the story of growing up half black, half white in South Africa under and after apartheid in this young readers' adaptation of his bestselling adult memoir *Born a Crime: Stories from a South African Childhood*. BORN A CRIME IS SOON TO BE A MAJOR MOTION PICTURE STARRING OSCAR WINNER LUPITA NYONG'O Trevor Noah, the funny guy who hosts The Daily Show on Comedy Central, shares his remarkable story of growing up in South Africa with a black South African mother and a white European father at a time when it was against the law for a mixed-race child to exist. But he did exist--and from the beginning, the often-

misbehaved Trevor used his keen smarts and humor to navigate a harsh life under a racist government. This fascinating memoir blends drama, comedy, and tragedy to depict the day-to-day trials that turned a boy into a young man. In a country where racism barred blacks from social, educational, and economic opportunity, Trevor surmounted staggering obstacles and created a promising future for himself, thanks to his mom's unwavering love and indomitable will. It's Trevor Noah: *Born a Crime* not only provides a fascinating and honest perspective on South Africa's racial history, but it will also astound and inspire young readers looking to improve their own lives. "Through the foreign, the familiar, and the funny, *Born a Crime* is a piercing reminder that every mad life--

even yours--could end up a masterpiece." --JASON REYNOLDS, New York Times bestselling author "His mother raised him with an imagination and showed that there were no barriers to whatever he wanted to be. Readers will find this journey through Noah's formative years humorous and exciting." --BOOKLIST "Startling in its honesty, humor, and humility." --KIRKUS REVIEWS "For readers who will appreciate and understand how a parent's love enabled Noah to become the successful man he is now." --SCHOOL LIBRARY JOURNAL

developed the first procedure used to perform open-heart surgery on children. *15 Primary Source Activities* Greenwood Publishing Group
This book will challenge you and awaken you to understand how the events of the past, shaped our present day. You will learn a concise history with factual events of the descendants of Noah's three sons, Ham, Sham, and Japheth. You will gain a deeper understanding and connection to your history, and its link to world history. Through this knowledge, you will acquire wisdom that can help you understand and gain tolerance towards other diverse cultures. Through gaining tolerance we can bring a willingness to work together. When we understand our past, and are willing to work together, we can change our

future.

Axis Rule in Occupied Europe Icon Books

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving,

sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

American History Disney Electronic Content

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won

him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. **LONG WALK TO FREEDOM** is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of

his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Forging Freedom iUniverse

Best-selling author Rick Riordan presents Kwame Mbalia's epic fantasy, a middle grade American Gods set in a richly-imagined world populated with African American folk heroes and West African gods. Seventh grader Tristan Strong feels anything but strong ever since he failed to save his best friend when they were in a bus accident together. All he has left of Eddie is the journal his friend wrote stories in. Tristan is dreading the month he's going to spend on his grandparents' farm in Alabama, where he's being sent to heal from the tragedy. But on his first night there, a sticky creature shows up in his bedroom and steals Eddie's notebook. Tristan chases after it--is that a doll?--and a tug-of-war ensues between them underneath a Bottle Tree. In a last attempt to wrestle

the journal out of the creature's hands, Tristan punches the tree, accidentally ripping open a chasm into the MidPass, a volatile place with a burning sea, haunted bone ships, and iron monsters that are hunting the inhabitants of this world. Tristan finds himself in the middle of a battle that has left black American folk heroes John Henry and Brer Rabbit exhausted. In order to get back home, Tristan and these new allies will need to entice the god Anansi, the Weaver, to come out of hiding and seal the hole in the sky. But bartering with the trickster Anansi always comes at a price. Can Tristan save this world before he loses more of the things he loves?

This Is Our Story, This Is Our Song
Beacon Press

The instant New York Times bestseller and companion book to the PBS series. “Absolutely brilliant . . . A necessary and moving work.” —Eddie S. Glaude, Jr., author of *Begin Again* “Engaging. . . . In Gates’s telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven.” —Jon Meacham, *New York Times Book Review* From the *New York*

Times bestselling author of *Stony the Road* and one of our most important voices on the African American experience comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the

transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists:

from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable

leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear. [Long Walk to Freedom](#) Greenwood Over 150 entries identify feature films, documentaries, and other film types that explore the experiences of racial and ethnic minorities in the United States,
