The current favorite son seems to be the 700-R4/4L60E four-speed automatic, but there are also places

where a TH400 might be the best solution for a 1,500-hp, blown LS engine, or a simple 200-R4 fits best behind a 5.3L LS daily driver. The Great Chevy Auto Trans Interchange Guide A transmission interchange guide is a listing of transmissions that shows which model of transmissions fit into specific model vehicles. Transmission interchange guides provide necessary information when replacing a faulty transmission or choosing a new one with different

features than the original. Transmission interchange guides typically list the model, year, engine type, transmission type and transmission model number. What Is a Transmission Interchange Guide?
