 Deep Control: Dark Dominance Book Two
To Tame a Countess Scarlet Rose Press
 "Absolutely filthy." - Geoffrey Chaucer
 "Rather raunchy for a fairy tale, but we liked it." - The Brothers Grimm "Elegantly depraved. I'd love to have them to dinner." - Lord Byron "I enjoyed the anal punishments. And the happy ending!" - Vlad the Impaler "Seriously? I mean, really? He was far too gentle with her." - Marquis de Sade There's a problem in the kingdom of Hastings: the princess is too headstrong and ill-mannered to carry on

the royal line. In desperation, the king delivers his daughter to the darkly imposing Duke of Thornton, who promises to correct her behavior through a course of stringent and lowering physical chastisement. Despite the duke's harsh disciplinary measures, Princess Violet resists change, and Thornton is soon drawn into an escalating battle of wills with his spirited charge. How far will he go to humble the haughty royal, and put an end to her spoiled behavior? This fairy tale fantasy is a 50k-word tumble into spanking depravity, with a royally satisfying ending.
Deep in the Woods Cleis Press
 Over five seasons, Miss Harmony Barrett has managed to repel every gentleman of consequence and engineer a debacle at Almack's so horrifying that her waltzing

privileges are revoked. If she's not in the library reading about Mongol hordes, she's embarrassing her family or getting involved in impulsive scrapes. Enter the Duke of Courtland, a man known for his love of duty and decorum. Through a vexing series of events, he finds himself shackled to Miss Barrett in matrimony. But all is not lost. The duke harbors a not-so-secret affinity for spanking and discipline...and his new wife is ever in need of it. Will the mismatched couple find their way to marital happiness? Or will the duke be forever Disciplining the Duchess? This 85K word erotic romance novel contains domestic discipline themes and both harsh and loving spanking scenes.
Owing Wednesday Ellora's Cave
 A stranger in the wings, a traitorous pair of toe shoes, and a traumatic turn dancing

with *The Great Rubio*... For ballerina Ashleigh Keaton, it's been one hell of a night. But it's not over yet. When Rubio drags her to a private party at his friend's house in the ritzy part of London, she meets Liam Wilder, a lifestyle dominant and frighteningly seductive man. Liam pursues Ashleigh, attracted by her strength and talent, but she has secrets—an abusive past and a crippling fear of intimacy that prevents her from connecting to anyone, especially a playboy reputed to be legendary in bed. Eventually he wins her trust and sets out to heal the troubled dancer, awakening her to a world of sensual abandon in a series of BDSM “sessions” at his home. But how pure are his motives? Is he helping her or endangering her fragile soul? Liam hides his own destructive secrets, and so does Fernando Rubio, their temperamental friend. Over time the three become embroiled in a tangle of artifice, fears, and lies that threaten to undo everything they've worked for. Will Ashleigh and Liam find the strength to defeat their demons? Or are they cursed to sleepwalk through life forever, afraid to experience the passion and intimacy of love? This 81K word romantic novel contains reflections on childhood abuse and violence which may disturb some readers.

Lord Townsend's been skulking about France for weeks, having fled London with a broken heart. Why'd he have to lose the love of his life, the beautiful Lady Ophelia? And to his damned best friend? If he can't have Ophelia, he'll have vengeance. He vows retribution upon Lord Wescott and returns from France with a solid plan. A solid plan that swiftly goes awry. Lady Jane McConall is minding her business—and her small winter garden—when she learns she's to wed the devastatingly handsome Marquess of Townsend. Goodness, who on earth would refuse? She vows to be the very best wife to this dark, mysterious man, to make him love her even though they're little more than strangers. She doesn't realize yet that her prospective husband nurtures a long-standing affinity for order and discipline. Nor does she realize a plot is afoot, a plot that will come undone at the worst possible time...

Taming the Tease Scarlet Rose Press

Petra Hewitt's the top ballerina in the world, and *The Great Rubio* her obvious counterpart, so why does she want to strangle him whenever he's around? He's haughty, abrupt, demanding and alarmingly sexy. Petra knows Rubio is dangerous to her heart, to her peace of mind, and worst of all, to her career, but his rough flirtation compels her. When she gets a chance to play with him at a BDSM party, their professional partnership takes a feverish left turn. After that, any attempts to keep him at arm's length falter in the face of his obstinate sexuality. Rubio's methods are ruthlessly erotic as he introduces her to the pleasures of sadism, bondage, pain, and submission. The more Petra tries to resist him, the more she craves his strength and control. But as they play their sensual games of dominance and submission, career pressures mount, and an overzealous fan brings dangerous tension to their

relationship. Soon, the dream gives way to the stark reality of her vulnerability. Maybe, just maybe, some risks are too terrifying to take.

Carrie's Story Scarlet Rose Press

New from Annabel Joseph—a collection of four steamy shorts about friendship, love, and seduction. Definitely Kinky Ruby's known the guys in her string quartet forever. There's Jonathan, the bossy lead violinist, and Steve, the cellist, who plays ref when they're at each other's throats. Then there's Ethan, the viola player. After five years, he's still a mystery: quiet, unassuming, and intensely dedicated to the music they create. Who would've thought he'd be the one to step up and comfort her after a wedding reception gig goes haywire? Who would've thought they'd end up in each other's arms? And who would've thought he'd know how to tilt her world sideways using only his voice, his fingers, and a bundle of rope? Perfect and Powerful Sure, Ruby can't stand lead violinist Jonathan most of the time, but she agrees to play his girlfriend at a party so he can fend off a stalker-ish fan. Only problem—over the course of the night, she discovers Jon's an amazing dancer, and an even better kisser. When she's in his arms, she forgets how much he irritates her, because he's so passionate and forceful, so unapologetically in command. He's always a strict taskmaster during rehearsals and concerts, but maybe that translates into something more fun in the bedroom. With Ethan's support and encouragement, Ruby decides to find out... *Play With Me* Steve's the big brother type, always has been—tall, blond, fun-loving, faithful, and protective. When Ruby shows up on the wrong night for one of his famed pajama parties, he graciously invites her to stay and hang out. Everything's great, until she gets a little too drunk on hard cider and professes her horniness for him. Repeatedly. Well, the other two guys turned out to be fascinating learning experiences in the bedroom. Now Ruby and Steve have to decide if they want to cross that line too, or preserve their easy friendship. Maybe, with a little luck, they can do both. *The Full Concerto* The good news: the Gold Quartet has been invited to play one of their favorite concertos as guest artists with the noted Berlin Philharmonic. The bad news: the concert falls on Ruby's birthday, so she'll be traveling to Europe with her fellow musicians instead of celebrating at home with family and friends. The guys hatch a plan to make it up to her, a plan to celebrate Ruby's birthday in a way she'll never forget. Playing with one of the

foremost orchestras in the world is cool, but fulfilling one of Ruby's naughtiest fantasies is even better. Her three trusted friends and lovers take her on a ride of deep, passionate surrender, bringing this quartet of sensual stories to a spectacular close.

Training Lady Townsend Scarlet Rose Press

He got me out of my clothes the night we met. I was soaking wet and extremely dirty. And he swept me off my feet and gave me a ride I'll never forget. Unfortunately, not that kind of wet or dirty, and not that kind of ride. He literally swept me off my feet when I was walking on the side of the road in the pouring rain, he blinded me with his headlights and I landed in a ditch. At first I thought Asher Evans might be a serial killer with his dangerously blue eyes, a My Little Pony blanket and his insistence on getting me into his vehicle, but it turns out he's a firefighter and a single dad with three daughters. He's always wanted to save people, and I've always wanted to be saved. It's a match made in heaven—a platonic match. He's my boss who's fifteen years older than me, and I'm the nanny of his children. Romantically speaking, he's off limits. For the first time in my life, I have a home. A family. And I can't let anything or anyone destroy that. Definitely not some smoldering hot dad with a chiseled jaw, a panty-melting smile and three adorable daughters who almost instantly clawed their way into my heart. Because falling for him could burn everything I've built with the Evans family to the ground.

The Night Visitor Scarlet Rose Press

His dream girl lives right next door, but can she handle his needs? Rick Winter is tired of playing empty scenes with submissives, only to return home alone. He wants what he sees his friends getting - a real relationship with submissives who love them. Unfortunately, since his move to be closer to his friends and Stronghold, the BDSM club they all frequent, the only woman who has really sparked his interest not only isn't a submissive, she's his neighbor. Since he's always had strict rules for himself about not becoming entangled with women that he can't avoid (just in case things go badly), Rick's doing his best to ignore the distractingly gorgeous and curvy Maria. Maria Arias is the oldest of four sisters; the middle two are married and her baby-sister just got engaged. That doesn't bother her though, what bothers her are the assumptions everyone else seems to have about how it SHOULD bother her. She's just looking for some fun and maybe a few hot nights

when she meets her sexy new neighbor, but he's staying aloof - mostly. After a series of mixed-signals, and one very clear warning to stay away from him, this tease is about to find out what happens when she flirts with a Dom who demands more than just a casual affair. The girl next door has met the sexy teacher who likes to play rough in this hot neighbor romance. Heat Level: Play with fire and you'll get burned. 1. The Sassy Submissive 2. Taming the Tease 3. This is Saberhagen's classic book length collection of the first eleven Berserker stories. Meet Berserker hunter extraordinaire Johann Karlsen, his evil brother Felipe Nogara, The Third Historian of the Carpan Race, gallant fighters of the killer machines and the deranged killer machine, Mr. Jester.

Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.

Carrie's tale of uncompromising sexual adventure is like the Story of O starring a Berkeley Ph.D. in comparative lit (who moonlights as a bike messenger) with a penchant for irony, self-analysis and anal sex. Set in San Francisco and the Napa valley, Carrie's Story takes the reader on a journey into a netherworld of slave auctions, training regimes, and human 'ponies' preening for dressage competitions. 'My favourite neo-Victorian erotic romance writer... Bring on the ponies!' - Susie Bright

Ellora's Cave

Lady Ophelia's voice is so lovely, so incomparable, she's permitted to break convention and appear on the London stage. The young ingenue has more admirers than she realizes, but after long years cloistered at a Viennese music school, she has no idea how society's games of courtship and seduction are played. The Marquess of Wescott is prone to bucking convention too—not always in a good way. He and his friends are frequent subjects of gossip for their rakish behavior, like their regular forays to Pearl's Emporium, where lovers of discipline explore risqué fantasies in secret rooms. Wescott and Ophelia's fates collide on a dry autumn night, when a fast-moving fire strands them together on the outskirts of London. As the sun rises, they learn convention can only be stretched so far.

They're obliged to wed in a quick, quiet ceremony, and embark upon married life as little more than strangers. From the start, their dueling personalities tangle into knots of frustration and regret. But marriage is marriage, and they must learn to live with one another. Lord Wescott tries to bring his wife into line using the disciplinary tactics he's honed over the years, but Ophelia's not so easily tamed. She's a stubborn soul, determined to resist her husband at every turn. Life is not an opera, and love is not easy. For Wescott and Ophelia, the battle has only begun...
