Chaldean Magic Simon and Schuster  
A Radical New Take On Norse Paganism The Way of Fire and Ice reimagines Norse Paganism with mystical practices and rituals for today's world as well as tips for building community and resisting fascism. This approach to working with Norse deities and beliefs is a living, adaptable tradition, representing a strong alternative to the reconstructionist

perspectives of Asatru and Heathenry. In these pages, the old ways come alive in a radically inclusive form. You will explore the secrets of the World Tree and the mysteries of the gods, work with the many spirits around us, and feel the deep rhythms that drive all life while creating new songs of power. You will also discover how to make these practices part of your every waking moment, developing your own personal spirituality and building healthy, sustainable communities along the way.

## **DEDICANT, DEVOTEE, PRIEST**

Llewellyn Worldwide  
Limited

Seidr - the Gate Is  
Open

Völuspá : seiðr as wyrd  
consciousness Simon  
and Schuster

A step-by-step guide to working with the spirits of ancient northern Europe • Explains how to build relationships with Earth, Sun, Moon, Plants, Animals, Water, Fire, Craft, Air, and the Ancestors through 83 practical exercises • Explores the role of altered states in spirit work • Outlines the ancient cultural rules and taboos to avoid spiritual debt or offense We are all surrounded by spirits. Many people feel called to work with them, but few know where to begin. Enjoined by the

gods and spirits to fulfill this need, Raven Kaldera and Galina Krasskova have reconstructed the indigenous spiritual traditions of northern Europe and Scandinavia extinguished more than one thousand years ago by the spread of Christianity. Arising from basic survival needs, these practical traditions are fundamentally tied to the elements found in the harsh world of the ancient North.

Beginning with the skills tied to the Earth element, necessary for grounding prior to the more demanding aspects of the practice--working with Sun, Moon, Plants, Animals, Water, Fire, Craft, and Air--the authors explain, step by step, how to build

relationships with each elemental spirit and the Ancestors. Offering 83 practical exercises, from cleansing with the Moon or borrowing the legs of Reindeer to making sacred space with Mugwort or creating an ancestor altar, they also explore building spirit relationships through altered states. Emphasizing the proper management of your spirit relationships to avoid spiritual debt or offense, the authors outline the ancient cultural rules and taboos that circumscribe these practices, essential knowledge for successful and fruitful spirit alliances. Detailing the beginning set of skills needed to work with the spirits of this ancient world, this comprehensive

workbook offers a unique ancestral spiritual outlet for those of northern European descent as well as an accessible guide for anyone trying to fulfill their shamanic callings.

### **WYRDWALKERS: TECHNIQUES OF NORTHERN- TRADITION SHAMANISM**

Mandrake of Oxford Seiðr is profound intuition and ineffable wisdom, and Völuspá is the single most important text on Seiðr - the European 'shamanistic' tradition. This is the only book that explains them both with remarkable depth and clarity. A must read for anyone who seeks to rekindle Old European spiritual traditions in their every day life!

## Icelandic Magic

Createspace  
Independent Publishing  
Platform  
Weaving Germanic  
Paganism with  
mysticism, magic, and  
his background as a  
transpersonal  
therapist, Matthew Ash  
McKernan introduces  
you to wyrd, a  
mysterious web of  
being that connects  
everything. Wyrd  
encompasses all  
organisms,  
ecosystems, matter,  
phenomena, purposes,  
and possibilities. It is  
destiny, nature, soul,  
magic, and mystery  
intertwined. In  
Wyrdcraft, McKernan  
guides you through a  
process of attuning to  
wyrd as it manifests  
within all the domains  
of your life, teaching  
you how to sense and  
intuit the ways of wyrd  
more clearly than ever

before. Exploring the  
intersections of  
psychotherapy,  
ecotherapy, Heathenry,  
and magic, this  
contemplative and  
experiential book offers  
nearly fifty exercises to  
help you cultivate wyrd  
consciousness—an  
awareness that is  
naturally revealing,  
healing,  
transformative, and  
becoming. Becoming  
what, you may ask?  
You will see as you  
align with the wisdom  
of wyrd, heal yourself  
and our interconnected  
world, and remember  
the nature of your  
Higher Self.

### *Becoming Dangerous*

Simon and Schuster  
A practical guide to the  
magic of the feminine  
side of the Norse  
pantheon • Provides  
invocations and rituals  
to call each goddess  
forth for personal and

group spirit work • Details the author's trancework to discover the personalities and powers of Frigg the Allmother, wife of Odin, and the 12 lesser-known Aesir goddesses associated with her • Offers a comprehensive guide to tranceworking to connect with the deities Combining traditional research on folklore and the Eddas with trancework and meditation techniques, Alice Karlsdóttir was able to rediscover the feminine side of the Norse pantheon and assemble working knowledge of 13 Norse goddesses for both group ritual and personal spirit work. Detailing her trancework journeys to connect with the goddesses, the author reveals the long-lost

personalities and powers of each deity. She explores the Norse goddess Frigg the Allmother, wife of Odin, along with the 12 Asynjur, or Aesir goddesses, associated with her, such as Sjöfn the peacemaker, Eir the Healer, and Vor the Wisewoman. She shares their appearances in the Eddas and Germanic mythology and explains the meanings of their names, their relationships to each other, and their connections to the roles of women in Old Norse society. She provides detailed instructions for invocations and rituals to call each goddess forth for personal and group spirit work. She also offers a comprehensive guide to ritual tranceworking

to allow anyone to directly experience deities and spiritual beings and develop spirit-work relationships with them.

## WITCHDOM OF THE TRUE

Weiser Books

With a wave and a flick, you'll discover the fascinating history, tradition, and modern uses of the wand. From a variety of spells and rituals to methods for making your own wand, master wandmaker Alferian Gwydion MacLir presents a wealth of knowledge that witches of all levels can use. Filled with valuable information on crafting wands with specific stones or crystals, incorporating the magical qualities of trees, and using wands

and staves in ceremonies and seasonal festivals, *The Witch's Wand* is a fun, easy-to-use guide to these powerful tools. It also features nuggets of wisdom written by well-known witches that show how the wand is a constant companion and source of inspiration in the magical life.

*Essential Asatru*

Lulu.com

These days, almost everyone is familiar with the 'rough guide' travel books that offer maps, advice and tips on the best places to visit when traveling abroad. In many ways you can consider this book in the same vein as these books, but rather than offering advice to backpackers and students on their gap year, this book offers advice for

anyone interested in rediscovering and experiencing for themselves the majik, mystery and beauty of the ancestral Heathen traditions of Northern Europe, as expressed through Yggdrasil; the mighty world tree that stands at the very centre of all existence. Just like the rough guidebooks, 'Up And Down The Tree' is about being active, about getting out there, seeing the sights, experiencing things for yourself, making new contacts in new lands and returning home to draw your own conclusions for yourself. Each chapter will in turn introduce you to either a new world or a different aspect of Yggdrasil and the vibrant mythology, folklore and Majikal

practices that are specific to that particular realm. Immersing yourself deep within the nine worlds you will breathe life into the ancient stories of Gods, heroes and wondrous beings that populate the myths, sagas, folk and Fairy tales of the North. As you do so, you will come to realise that these are not simply strange fictions from a bygone era, but everlasting truths that offer us a way of seeing and experiencing reality that is as meaningful to us today, as it was for our early ancestors. Your journey through Yggdrasil will be filled with practical Majik of all shapes and forms. Along the way you will learn of Seidr, the mysterious Majik of the 'other', and of Galdr,

the ancient Majik of the Runes. You will learn how to traverse the veil between the physical realm of Midgard and the many realms of the nonphysical otherworld and on your travels gain friends, allies and guides within these realms. You will discover how to manifest your intent and will using the Runes. How to sign, sing and empower the Runes, and how to use your own body to carve the Runes into the very fabric of reality itself. You will meet with Gods and Giants, Elves and Dwarves, ancient Ancestors and fantastic beasts of all shapes and forms. You will learn the Elven Majik of glamour and Fascination, how to turn the mind, kindle fire in the emotions,

change the past and weave the present according to your own desire. You will learn of Odhroerir, the precious mead of inspiration and the ancient power of the little red ones; the sacred mushroom Amanita Muscaria. All this and much, much more. Packed full of Majikal exercises, rituals and tasks, and illustrated throughout, this new edition of 'Up And Down The Tree' has been totally revamped and organized according to the authors original vision for his book. Accessible to complete beginners and more advanced Majikal practitioners alike, 'Up And Down The Tree' is a book you will return to time and time again and will prove an invaluable guide to anyone intent on

traveling the Heathen path and experiencing its Majik and majesty for themselves.

**A Heathen's Guide Experiences & Advice On Magic & Spiritworking**

University of Pennsylvania Press

The first book to offer an extensive presentation of Rune concepts, mythology and magical applications inspired by Dutch/Frisian traditional lore.

Includes a clear and concise explanation of the runes and their placement and significance in the runic alphabet.

Introduces the use of runes in counseling and healing of others.

**NORTHERN SHAMAN**

Llewellyn Worldwide  
In Essential Asatru,  
renowned author and

priestess Diana Paxson demystifies an ancient, rich, and often misunderstood religion, and offers a practical guide for its modern followers. A Journey to Fulfillment and Renewal Filled with clear, concise instructions on living Asatru every day, this truly accessible guide takes you on a journey from Asatru's origins in Scandinavian and German paganism to its recognition as an official religion in the 1970s and its widespread acceptance today. Essential Asatru also includes:

- A complete history of Asatru gods and goddesses, including Odin, Thor, and Ostara
- The life values, such as honor, truth, fidelity, and hospitality, that shape Asatru's tenets
- Indispensable

information on rituals, rune casting, ethics, and divination

Essential Asatru is an elegant and splendid introduction to a centuries-old religion that continues to enrich and fascinate its followers today. Praise for Essential Asatru

“This mainstreamed book on Asatru offers a thorough grounding in both history and the present and shows how those values—the true heart of any religion—are expressed in the lives of its faithful. This book is recommended for personal education, library shelves, and world religion classes.”

—Facing North “A solid and thorough yet concise introduction to the religion, its history, the gods and goddesses, and the basics of modern

practice.” —Idunna

*The Witch's Wand*

iUniverse

13 authors explore the threefold relationship between the landscape, the ancestors and ourselves. By focussing upon the essentials that shape Pagan and Heathen identity, this book reveals the connective pathways where beliefs, actions and metaphors lead to dynamic, practical and spiritual lives.

Contributors: Penny Billington (Order of Bards, Ovates and Druids); Dr. Jenny Blain (Former Senior Lecturer in Sociology, Sheffield Hallam); Paul Davies (Quaker, Independent Druid)

Introduction and Editor; Prof. Camelia Elias. (Roskilde University); Prof. Graham Harvey

(Reader in Religious Studies OU) Foreword; Sarah Hollingham MSc res. (Geographer, Quaker & Mother); Prof. Ronald Hutton (University of Bristol) Afterword; David Loxley (Chief of Ancient Druid Order); Caitlin Matthews (Teacher and author) Joint Editor; Emma Restall Orr (Author); Philip Shallcrass (Chief of British Druid Order); Prof. Robert Wallis (University of Richmond, London); Dr. Luzie U. Wingen (Quantitative Geneticist at the John Innes Centre). This *Ancient Heart* is essential reading for people with an interest in earth spirituality, our shared ancestors, sacred landscapes, shamanism, anthropology, archaeology, religion

and heritage studies. *This Ancient Heart* Llewellyn Worldwide Seidr is the intriguing and powerful early Norse system of shamanistic trance practices. In this book, Katie Gerrard has contributed major work on the practices of seidr and trance prophecy, providing a practical manual full of dynamic group rituals and techniques based on known Seidr practices. *The Deeper Arts of the Völva* Citadel Press This is a study of the history, lore, religion and magic of the Vanic branch of the Germanic way. Its contents will prove of extreme interest to those of the Wiccan path or modern witchcraft, for it is in the way of the Vanir, or Wanes, that their roots are to be found. From a

manuscript originally titled "True Wicca." "This is an exciting book, and a breath of fresh air in a field that long needed the windows and doors thrown open!" --

Stephen A. McNallen, AFA

**Honoring Your Ancestors** Macmillan

The Eight Steps to Seidr - how to arrive at your Calling! Are you looking for a hands-on Seidr format? Feel overwhelmed by the spread-out references and dead languages? Ready to answer the Wild Call that seethes beneath the surface of your skin? Then it's time to Ride the Hedge, Run with Wolves, and Galdr Aloud the Eight Whispers of Seidr Wisdom.

*Odin's Gateways* Simon and Schuster

Discover the Spiritual Nourishment and Magical Power of Ancestor Veneration Learn how to connect to your ancestors and receive the benefits that come from veneration—deeper spirituality, more love in your life, better outcomes in creative pursuits, powerful magic and spellwork, and an improved sense of wellness. Filled with hands-on techniques and tips, *Honoring Your Ancestors* shows you how to create an ancestor altar so you can work with ancestors of all kinds. Author Mallorie Vaudoise also shares fascinating ideas for incorporating rituals, spells, family recipes, and even practices like music and dancing to help you open this wonderful new

dimension of your spiritual journey. Ancestor veneration is one of the most widespread spiritual practices in the world. This book shares the important distinctions between working with blood ancestors, lineage ancestors, and affinity ancestors while helping you recognize the signs that your ancestors are responding to your petitions and offerings. You will also explore important topics like mediumship and ancestral trauma so you can be sure to develop a veneration practice that's uplifting and affirming for you.

### **WYRDCRAFT**

Llewellyn Worldwide  
A practical guide to the magical systems of pre-Christian Iceland • Reveals spells and

workings drawn directly from surviving magical books from the 16th to 20th century preserved at the National Library in Reykjavík • Explores the history of magic in Iceland through original translations of Icelandic folktales about famous magicians and about legendary grimoires, such as the Galdrabók, the oldest and most complete book of its kind • Explains how to personalize the spells through the creation of unique signs and symbols based on the mythic names of Odin and Icelandic magical alphabets During the Christianization of Europe in the Middle Ages, many books of magic were lost as the ancient pagan traditions were suppressed. But in

Iceland the practice of recording magical spells in books continued in secret for centuries, on a scale not seen elsewhere. Now housed in the National Library in Reykjavík, these surviving grimoires, which represent only a hundredth of what was lost, reveal a rich magical tradition that continued to evolve into the 20th century. Drawing directly from the actual surviving Icelandic books of magic, Stephen Flowers presents a complete system of magic based on Icelandic lore and magical practices from the 16th century onward. He explores the history of magic in Iceland in pagan and early Christian times and reveals specific practical techniques

and ritual templates that readers can adapt to their unique purposes. Illustrating traditional Icelandic magical practices and the Icelanders' attitudes toward them, he shares original translations of Icelandic folktales about famous magicians, such as the legend of Gray-Skin, and about legendary grimoires, such as the *Galdrabók*, the oldest and most complete book of its kind. After initiating the reader into the grammar and symbols of Icelandic magic through history and lore, Flowers then presents an extensive catalog of actual spells and magical workings from the historical Icelandic books of magic. These examples provide ready-made forms for practical

experimentation as well as an exemplary guide on how to create signs and symbols for more personalized magical work. The author also includes guidance on creating unique magical signs from the 100 mythic names of Odin, which he translates and interprets magically, and from Icelandic magical alphabets, symbols that connect Icelandic magic to the ancient runic tradition.

### **Neolithic Shamanism**

Asphodel Press

This accessible study of Northern European shamanistic practice, or seidr, explores the way in which the ancient Norse belief systems evoked in the Icelandic Sagas and Eddas have been rediscovered and reinvented by groups in Europe and North

America. The book examines the phenomenon of altered consciousness and the interactions of seidr-workers or shamanic practitioners with their spirit worlds. Written by a follower of seidr, it investigates new communities involved in a postmodern quest for spiritual meaning. [Norse Goddess Magic](#) Booksurge Publishing  
The ability to move from the ordinary into an altered state of consciousness is one of the most valuable skills in both magic and religion. From the ceremonial magician to the shaman, using trance work to explore inner realms is essential to the magical process of healing, transcendence, and wisdom desired throughout diverse

occult and spiritual traditions. Trance-Portation offers a comprehensive and multi-spirited way to enter the inner realm. Blending the modern world with the ancient arts, Trance-Portation's first three chapters, Travel Planning, Crossing the Threshold, and Getting Started, offer preparatory suggestions including meditations and relaxations, breathing, warding, shifting gears, and returning. Drawing on examples from varied traditions, from Western Mystery to Native American, Ancient Celtic to Eastern Mysticism, and peppered with folk lore and tales from popular science fiction stories, Trance-Portation explores spiritual journey work extensively, offering

readers the chance to find their own ways into the inner realm, encounter their own guides and fellow travelers, and create divine relationships with the deities and gods and goddesses that they meet.

*Sacred Sites--contested Rites/rights*  
Routledge

The definitive study of magical trance and possession techniques. The author is inspired by the Nordic tradition of Seidr, said to have been taught to the human race by Odin.

## **FUTHARK**

Llewellyn Worldwide Paganism is held to be the fastest growing 'religion' in Britain today. Pagan identities and constructions of sacredness contest assumptions of a 'closed' past and

untouchable heritage, within a socio-politics in which prehistoric archaeology - the stone circles, burial cairns, and rock art of the British Isles - is itself subject to political and economic threats. Pagans see prehistoric monuments in a living, enchanted landscape of deities, ancestors, spirits, 'wights, ' and other non-human agencies to be engaged with for personal and community empowerment. From all areas of Britain and indeed worldwide, people come to sacred sites of prehistory to make pilgrimages, befriend places, give offerings, act as unofficial 'site guardians, ' and campaign for 'site welfare.' Summer solstice access at

Stonehenge attracts tens of thousands of celebrants. Threats of quarrying near Derbyshire's Nine Ladies stone circle or Yorkshire's Thornborough Henges lead to protests and campaigns for the preservation of sacred landscapes and conservation of plant and animal species. Pagans can be seen as allies to the interests of heritage management, yet instances of site damage and recent claims for the reburial of non-Christian human remains disrupt the preservation ethos of those who manage and study these sites, and the large-scale celebrations at Stonehenge and Avebury are subject to continual negotiation. In this book, an anthropologist and

archaeologist examine interfaces between paganism and archaeology, considering the emergence of 'sacred sites' in pagan and heritage discourse and the implications of pagan involvement for heritage management, archaeology, and anthropology.
