Midsummer Moon Zondervan

A princess sparks devotion in a chivalrous knight in this medieval romance by a New York Times–bestselling author who “creates magic” (Lisa Kleypas). With Princess Melanthe di Monteverde widowed, a political marriage would tip the balance of power to any kingdom that possessed her. Determined to return to England alive and unwed, she hides behind a mask of witchery. Protecting her is Ruck d’Angleterre, a chivalrous knight who never wavers—and the only man Melanthe wishes could lift the veil of her disguise. He once desired her, but now his gaze reveals distrust. As they flee her enemies, Melanthe’s impossible love for the Green Knight grows. Ruck has remained chaste for thirteen miserable years, since his wife entered a nunnery, continuing to honor their marital vows. In that dark hour, when the church stripped him of his spouse and his possessions, the princess secretly came to his aid with two emeralds. Her safety is his duty, yet his heart is not pure. Each time he gazes upon Melanthe’s sable hair and twilight eyes, he wants more Showcasing Laura Kinsale’s gift for bringing unforgettable characters to life on the page, *For My Lady’s Heart* is yet another winner from the author of *Flowers from the Storm*, chosen as one of the “Greatest Love Stories of All Time” in a poll of *Washington Post* and *Glamour* magazine readers.

FLOWERS ON THE MOON

Harper Collins

A tornado, a blizzard, a forest fire, and a hurricane are met, in turn, with resilience and awe in this depiction of nature’s power and our own. In the face of our shifting climate, young children everywhere are finding themselves subject to unfamiliar and often frightening extreme weather. Beloved author Jane Yolen and her daughter Heidi Stemple address four distinct weather emergencies (a tornado, a blizzard, a forest fire, and a hurricane) with warm family stories of finding the joy in preparedness and resilience. Their honest reassurance leaves readers with the message: nature is powerful, but you are powerful, too. Illustrated in rich environmental tones and featuring additional information about storms in the back, this book educates, comforts, and empowers young readers in stormy or sunny weather, and all the weather in between.

An innocent long-distance correspondence leads to complications in this Regency romance by the New York Times–bestselling author of *For My Lady’s Heart*. Married to an elderly man, Folie Hamilton finds her lonely days brightened by light-hearted letters from her husband’s cousin, Lt. Robert Cambourne, stationed in Calcutta for the British East India Company. Robert calls her his princess, and she dubs him her knight errant. Unbidden love blossoms, yet upon the death of her husband, Robert’s last letter shatters her heart with three words: I am married. Four years later, Robert summons Folie and her stepdaughter to his estate in England. The girl is his ward, so they must go. The man who

greeted them, however, is nothing like the charming lieutenant of his letters. This Robert is demented. Screaming at ghosts in demonic rage, he is paranoid and frightening. Yet her body longs to caress his perfect features, to hold his tall, angular body, to find the man who once captured her heart . . . Someone is poisoning him, spinning his brain into madness, of that Robert is sure, but who—and why? Haunted by his dead wife, the one thing his tortured mind understands is that he must keep Folie safe. Folie, with her beautiful expressive eyes, the only warmth in his nightmare world . . . Nominated for a RITA award, *My Sweet Folly* is another unforgettable love story filled with passion and suspense from the author of *Flowers From the Storm*, whose work has been praised by Julia Quinn as “unfailingly brilliant and beautiful.”

THE STORM AT THE DOOR

Ballantine Books

The second book in the critically acclaimed *Obsidian and Blood* trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons—and to the return of their creator, a malevolent goddess only held in check by the War God’s power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. REVIEWS: ‘Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.’

—Publishers Weekly ‘Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can’t fault this book at all and recommend it to one and all but if you haven’t yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you

won’t be disappointed.’ —SF Book Reviews ‘Bodard’s writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5*’ —Examiner ‘Alette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.’ —Cybermage

Just outside Boston, in 1963, Frederick Merrill found himself a patient in the country’s premiere mental hospital, a world of structured authority and absolute control - a forced regression to a simpler time even as the pace of the outside world accelerated into modernity. Meanwhile, in a wintry New Hampshire village hours to the north, Frederick’s wife Katharine struggled to hold together her fracturing family and to heal from the wounds of her husband’s affliction. Nearly fifty years later, a writer in his twenties attempts to comprehend his grandparents’ story from that turbulent time, a moment in his family’s history that continues to cast a long shadow over his own young life. Spanning generations and genres, *The Storm at the Door* blends memory and imagination, historical fact and compulsive storytelling, to offer a meditation on how our love for one another and the stories we tell ourselves allow us to endure. Quietly incisive and unflinchingly honest, *The Storm at the Door* juxtaposes the visceral physical world of Frederick’s asylum with an exploration of how the subtlest damages can for ever alter a family’s fate.

A duke’s well-ordered world is turned upside down when a female inventor sends his heart soaring in this Regency romance by a New York Times–bestselling author. Merlin Lambourne has invented the “speaking box”—a sort of telephone—which is so valuable that Napoleon has killed for it. Sent by the crown to bring both inventor and invention to safety, Ransom Falconer, Duke of Damerell, is shocked to learn Mr. Lambourne is a Miss. Perhaps more shocking, however, are his feelings for the eccentric genius. She is everything he doesn’t like: incapable of following orders, unaware of conventional etiquette, preoccupied, disorganized, and unkempt. Yet she beguiles him. One of the most ingenious inventors in England, she is also one of the country’s greatest hopes in the defense against the power mad Napoleon Bonaparte. Now, if he could just get her mind out of the clouds and convince her to marry him . . . Merlin is not absentminded, it’s just that she

only seems to be able to pay attention to one thing at a time. And maybe she does take everything people say literally, but people ought to say what they mean. Now this Ransom Falconer wants her to forget her current interest in flying machines and focus on the speaking box she's lost interest in finishing. It's quite disconcerting. In fact, everything about him is disconcerting; in her isolated life Merlin has never met anyone who affects her quite like Ransom does. With her trademark blend of heartwarming characters and a hilarious conflict, *Midsummer Moon* is yet another winner from the author of *Flowers from the Storm*, praised by Lisa Kleypas as "the gold standard in historical romance."

The fourth and final novel in the magnificent saga of Britain's warrior queen (Boudica - "Bringer of Victory" and the last defender of the Celtic culture) will capture readers' hearts and minds, as Manda Scott brings the series to a stunning close. It is AD 60 and the flame of rebellion that has been smouldering for 20 years of Roman occupation has flared into a conflagration that will consume the land and all who live in it. There is no going back. Boudica has been flogged and her daughters raped, and her son has burned a Roman watchtower in an act of blatant insurgency. This is the time to act: the Roman governor has marched his legions west to destroy the druidic stronghold of Mona, leaving his capital and a vital seaport hopelessly undefended in the face of twenty-thousand warriors aching for vengeance. But to crush the legions for all time, Boudica must do more than lead her army in the greatest rebellion Britain has ever known. She must find healing for herself, for the land, and for Graine, her 8-year-old daughter, who has taken refuge on Mona. Is revenge worth it under any circumstances, or is the cost more than anyone can bear? Colchester is burning and London is lost without hope. Amidst fire and bloody revolution - a battle that will change the face and spirituality of a nation for centuries to come - Boudica and those around her must find what matters most, now and for ever.

A witty yet moving narrative worked up from sketched biographical fragments, 1913 is an intimate vision of a world that is about to change forever. The stuffy conventions of the nineteenth century are receding into the past, and 1913 heralds a new age of unlimited possibility. Kafka falls in love; Louis Armstrong learns to play the trumpet; a young seamstress called Coco Chanel opens her first boutique; Charlie Chaplin signs his first movie contract; and new drugs like cocaine usher in an age of decadence. Yet everywhere there is the premonition of ruin - the number 13 is omnipresent, and in London, Paris and Vienna, artists take the omen and act as if there were no tomorrow. In a Munich hotel lobby, Rilke and Freud discuss beauty and transience; Proust sets out in search of lost time; and while Stravinsky celebrates the Rite of Spring with industrial cacophony, an Austrian postcard painter by the name of Adolf Hitler sells his conventional cityscapes.
