#### STRIPPED (JONATHAN STRIDE BOOK 2)

CreateSpace

Chiaki Ogawa has never doubted who he is, although the rest of the world hasn't been as kind. Bound by his mother's dying wish, Chiaki tries to be a good daughter to his ailing father. But when the burden becomes too great, Chiaki sets out to remake himself in his own image and discovers more than just personal freedom in his transition—he finds understanding from the people who matter most. -- VIZ Media

Stripped Forge Books

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

**Stripped Down** Createspace Independent Publishing Platform A woman disappears, leaving behind an incendiary diary chronicling a journey of sexual awakening. To all who knew her, she was the good wife: happy, devoted, content. But the diary reveals a secret self, one who's discovered that her new marriage contains mysteries of its own. She has discovered a forgotten Elizabethan manuscript that dares to speak of what women truly desire, and inspired by its revelations, she tastes for the first time the intoxicating power of knowing what she wants and how to get it. The question is: How long can she sustain a perilous double life?

Bruno Gmuender

Everyone keeps secrets in Vegas. Especially about murder... In the stunning follow-up to Brian Freeman's remarkable bestselling debut, Immoral, Detective Jonathan Stride discovers that there are only two ways to go in Las Vegas: you can hit the jackpot or you can get Stripped... Sure to enthral fans of Freeman's thrilling Frost Easton mysteries, The Nightbird and The Voice Inside. 'This guy can tell a story' Michael Connelly 'A strong narrative, rife with sex and violence' Publishers Weekly Elonda's seen most things working the streets. But it's a first when her client is shot dead in the act. Detective Jonathan Stride quickly establishes that the victim is M.J. Lane, son of a reclusive millionaire film producer.

Any number of people might have wanted to kill M.J. Another death is troubling the Vegas force - that of a little boy, killed in a hit-and-run incident involving a stolen car. Then the body of a woman is found in a remote farmhouse. Could the murders be linked? It seems the killer wants to send a message about the brutal slaying decades earlier of a nightclub dancer. That case was wrapped up quickly. Too quickly? Someone certainly thinks so - and he's set on murderous revenge for the sins of the past. What readers are saying about Stripped: 'I couldn't put this down. Breath-taking, brilliant, talented' 'This story has everything: greed, power, corruption, murder, love, revenge, desire, family feuds dating back forty years. There are a lot of very good thrillers out there, but Stripped is in a class above' 'Full of twists and turns - it's an exciting read, gripping from the very first page' *Stripped of Shame* Createspace Independent Publishing Platform "I'll do anything to get safe, even if that means working at the scariest club in town. I'll do anything to stay hidden, even if it means taking off my clothes for strangers. I'll do anything to be free. Except give him up"--Amazon.com.

**To Strip the Flesh** VIZ Media LLC

This is a wonderful comic novel, about philosophy, the nature of art, the beauty of the ordinary, and about quirky, complete, night & day victims of obsessive-compulsive disorder. Two charming, over-anxious, germ-phobic friends, Isaac and Greg take a road trip from Boston to Philadelphia. They are both obsessed with Marcel Duchamp, his art and his ideas, and thus the destination has to be the largest collection of Duchamp in the world, The Philadelphia Art Museum, the actual place "The Bride Stripped Bare by Her Bachelors, Even" was to be delivered when it was cracked and broken in shipment. The piece is sometimes known as The Large Glass, and today it sits in the middle of a large gallery proudly displayed in its broken state which Duchamp repaired and then certified had been his intention all along. The two men are driven in a rented disinfected Winnebago by Kelly, a beautiful art scholar who smells like a mixture of lemons and fresh sawdust. They intend to pick up an ancient chocolate grinder, an exact working sculptural copy of one used in a Duchamp painting. Isaac intends to grind his own pure chocolate, which will prevent the build-up or arterial plaque, because his mother died of a stroke. Every action has its own suitable reaction, and then some. Isaac hopes eventually to overcome his devotion to his many obsessions and to re-enter the world, evidently his version of the real world. He is not an unreliable narrator, he is a hyper-reliable narrator, consumed by his own attention and thrilled with the connections he sees everywhere all at once. Of course when he finally gets to the museum he must dress-up as a woman to visit the collection.

#### TO THE ENDS OF THE EARTH

Scholastic Inc.

Where else but a Tristan Taormino erotica collection can readers find a femme vigilante, a virgin baby butch and a snake charmer

jostling for attention? Stripped Down is a collection of riveting girl-girl erotica that showcases only the very best writers in the genre today. These fresh, original tales are imbued with passion, love and of course, a devilish dash of debauchery. Tales include naughty farm girls who decide to test their virginity pledges one rainy summer and a truck full of butch dykes cruising full throttle through the Nevada desert.

Kensington Books

An electrifying new biography about the four Essex lads who became award-winning stadium superstars and champions of synth pop! Jonathan Miller's groundbreaking book features in-depth interviews with founder member Vince Clarke and producers Gareth Jones and Mark Bell, and contains never-before seen interviews with the band members themselves. With additional input from Gary Human, Howard Jones and Thomas Dolby this is a unique portrait of a band that almost lost control when their lives went off the rails and lead singer Dave Gahan's heroin addiction nearly killed him. In the end Depeche Mode not only survived, they triumphed, racking up a staggering 40 million-plus album sales on the way. This is their amazing story, told in full for the first time. Born out of the post-punk backlash in the early 80's, Depeche Mode took their name from a phrase in a French style magazine and became the definitive international synth-pop group. Vince Clarke, Andy Fletcher and Martin Gore had started out as an Essex guitar band but it was their bright and upbeat synthesizer-driven brand of pop fronted by Dave Gahan that was to find global acceptance and enjoy unlikely success in the US. Despite a handful of early plaudits in the music press, the group won only intermittent critical acceptance over the years, its often light musical approach contrasting with lyrics that sometimes plunge into darker topics like S&M, religious fetishism and the scourge of capitalism. But whatever the music press said, the fans finally bought into Depeche Mode in a big way. Their Violator tour at the start of the 90s sold millions of records and

turned them into major US concert stars. In true rock style, Depeche Mode's members have suffered their share of internal strife over a long career. Dave Gahan reinvented himself as a lead singer with both a harder musical edge and a near-fatal drug habit, while internal acrimony often marred the later stages of their career. Jonathan Miller has made an exemplary job of telling the Depeche Mode saga in its entirety and goes a long way towards explaining how the group have managed to thrive when almost all their post-punk contemporaries fell by the wayside long ago.

### STRIPPED BARE

#### Headline

When you're looking for Mr. Right, strippers are for fantasies only—until one comes knocking on your door in this “fun and flirty” romance series debut (BookPage.com). The day Robyn Flores meets Zac Fallon is one of those days. Running on no sleep, she was late for work before dragging herself to the cleaners only to head home with the wrong bag. Star Spangled sequined thong, anyone? So Robyn is definitely not ready for the ridiculously gorgeous guy at her front door—except that they have each other's clothes. But then, is any woman ever ready to meet the love of her life? There's just one problem: Zac Fallon knows, despite the all-too-intimate dinner they share, that he doesn't have a shot with Robyn. Because the next time he sees her, he's front and center of the male revue headlining her best friend's bachelorette party. So much for wooing the pretty schoolteacher, much less impressing her old-fashioned family. Now he's only got one way to win his dream girl. It's gonna be the steamiest, most irresistible seduction she's ever seen. And this time it will be no act . . .

Divorced and strapped for cash, Candyce ?Dyce? Dare starts up Daring Finds, a furniture refinishing business. But when she goes dumpster diving for discarded furniture?and uncovers a corpse?Dyce may find herself redecorating a jail cell.

### LOVE THE WAY YOU LIE

#### Random House

Is lap dancing harmless fun, providing entertainment for men and well-paid, self-empowering work for women? The lap dancing industry has long argued that it offers an everyday service within free market guidelines, but in 2010 the UK government legislated that lap dancing venues in the UK should be classed as ‘sex establishments’. So, are lap dancers sex workers rather than exotic dancers? What attracts so many women to work within the industry? Are women being sexually exploited and their bodies used as objects for male gratification? Media depictions of lap dancers often fall prey to caricatured and stereotypical images. Having worked as a lap dancer herself, Jennifer Hayashi Danns knows about the industry from direct experience. In *Stripped* she tells her story, and gives a voice to many others who have either worked in the clubs or been directly affected by what goes on in them. In sometimes raw, direct language, the various contributors express their knowledge of the lap dancing industry and the impact it has had on their lives. These compelling narratives give dramatic perspectives into a secretive and largely undisclosed world, peeling away some of the gloss on the surface, and revealing the often seedy and desperate reality of the lap dancing industry. The second part of the book offers insightful commentary, analysis and solutions.

### STRIPPED

#### Harper Collins

“I may have had more lovers than you, and I may take my clothes off for countless women, but you are the only one who can strip me bare.” Do you ever stop loving someone just because they're

gone? Five years ago Ryan Pierce disappeared from Alana Remington's life without leaving so much as a post-it note behind. He was the one she gave her heart to, her soul to, and her virginity to. So imagine her surprise when she finds him dancing at one of NYC's hottest male revues as Jack the Stripper. Ryan never stopped loving Alana, and now that she serendipitously dropped back into his life, he's vowed never to lose her again. But being together has its costs, and challenges Alana isn't sure she can handle. She finally has Ryan back; but how in the world is she supposed to share the love of her life with half of the women in New York City?

#### *Stripped of the Tinsel. A Story of Bohemia* NYU Press

Detective Sawyer Matthews isn't just having a bad day—he's having the worst day. His hunt for the criminal who killed his team member has stalled and now... he's got to play nice with his new, totally unwanted partner. It's not that she isn't qualified, or that he doesn't like her—it's because he knows what she looks like naked. So very, very naked. Brooke Simmons finally landed her dream job working for H.E.A.T, an elite undercover detective squad, and she's not giving up simply because she had a one-night-stand with her sullen—but undeniably sexy—new partner. They'll just have to keep it professional. Easier said than done, considering their first case requires Sawyer to infiltrate a drug cartel operating out of a male strip show. Watching him do his best Magic Mike impression every night isn't just hot—it's torture. Sawyer doesn't need any distractions, yet his attraction to Brooke is explosive and he can't resist going for round two. Or three. Or four. But as their investigation progresses and danger mounts, they'll have to put their jobs, hearts, and lives on the line to fight... for each other, for survival, and for justice. “Tara Wyatt's *Stripped* serves up the sexy! Fresh and entertaining, it's the perfect summer read.” — Jessica Lemmon, author of *The Billionaire Bachelor* “*Stripped* is a scorching hot compulsive read! Sawyer and Brooke practically caught my Kindle on fire! Tara Wyatt is my newest one-click author!” — Katee Robert, New York Times and USA Today bestselling author “Wyatt brings the heat and strips these two down to their hearts. Sawyer and Brooke's partnership is dangerous, sexy, and meant to be.” — Jennifer Ryan, New York Times bestselling author “Pure, page-turning perfection. *Stripped* had off-the-charts chemistry, sharp writing, and the emotional moments delivered on every level.” — Lauren Layne, New York Times bestselling author “Super sexy right out of the gate, *Stripped* is everything I love in a romance: great emotion, loads of tension and deliciously grumpy hero. Highly recommend!” — Stefanie London, USA Today bestselling author

### DIPPED, STRIPPED, AND DEAD

#### CLAIRVIEW BOOKS

STRIPPED DOWN: A Naked Memoir is a look back at a surreal world kept carefully hidden from public view. This chronicle of life in the skin trade follows the meteoric rise of Stacey Keith, a girl scarcely out of her teens whose eye-popping assets launch her from wet T-shirt contests to the catwalks of Houston, strip bar capital of the world. Almost overnight, she is discovered by a famous porn star, who Svengalis her onto the pages of *Playboy*, *Penthouse*, and dozens of other men's magazines. While strutting her stuff onstage and across the country, Stacey makes the fateful decision to head to Hollywood. She's got everything a girl could want: fame, attention, endless piles of cash...but no idea what awaits her. With Internet porn overtaking men's magazines, everyone from her Mafia-boss road manager to her sarmy talent agent pressures Stacey to do more than just flash her flesh. Uber-boob filmmaker Russ Meyer verbally abuses her; rocker Don Henley tries to use her. Yet through it all, from the warped misogyny of *Playboy* to the S&M dungeons of the Pacific Palisades, Stacey's dark, self-deprecating humor will leave you laughing, crying and rooting for her at every step of the way. *Stripped from You (Stripped Duet #1)* HarperChristian + ORM NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST,

### VOGUE, MARIE CLAIRE, READER'S DIGEST, AND GOOD

HOUSEKEEPING “A gripping read...Unabashedly queer, probing and unafraid...Exceedingly engaging.” –USA Today “Sublimely weird, fluently paced, brazenly funny and gayer still, and it richly deserves to find readers.” –New York Times From the author of the New York Times–bestselling sensation *Mostly Dead Things*: a surprising and moving story of two mothers, one difficult son, and the limitations of marriage, parenthood, and love If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best—driving, cleaning, cooking, prodding him to finish projects for school—while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behavior, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess—and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, *Mostly Dead Things*, with a candid take on queer family dynamics, *With Teeth* is a thought-provoking portrait of the delicate fabric of family—and the many ways it can be torn apart.

#### *Stripped* Erin McCarthy

From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey through the New World. A coming-of-age story of unparalleled power, *Drown* introduced the world to Junot Díaz's exhilarating talents. It also introduced an unforgettable narrator—Yunior, the haunted, brilliant young man who tracks his family's precarious journey from the barrios of Santo Domingo to the tenements of industrial New Jersey, and their epic passage from hope to loss to something like love. Here is the soulful, unsparing book that made Díaz a literary sensation. *Stripped* Macmillan

“What we have here is a bad case of stripes. One of the worst I've ever seen!” Camilla Cream loves lima beans, but she never eats them. Why? Because the other kids in her school don't like them. And Camilla Cream is very, very worried about what other people think of her. In fact, she's so worried that she's about to break out in...a bad case of stripes!

#### *Stripped* Lulu.com

*Stripped Bare* by Shannon Baker is “A must read” (Alex Kava, New York Times bestselling author) that stars a female Longmire in the atmospheric Nebraska Sandhills. Kate Fox is living the dream. She's married to Grand County Sheriff Ted Conner, the heir to her beloved Nebraska Sandhills cattle ranch, where they live with Kate's orphaned teenage niece, Carly. With the support of the well-connected Fox Clan, which includes Kate's eight boisterous and interfering siblings, Ted's reelection as Grand County Sheriff is virtually assured. That leaves Kate to the solitude and satisfaction of Frog Creek, her own slice of heaven. One night Kate answers a shattering phone call from Roxy at the Bar J. Carly's granddad Eldon, owner of the ranch, is dead and Ted has been shot and may never walk again. Kate vows to find the killer. She soon discovers Ted responded so quickly to the scene because he was already at the Bar J . . . in Roxy's bed. And to add to her woes, Carly has gone missing. Kate finds out that Eldon was considering selling his ranch to an obscenely rich environmentalist. Some in town hate the idea of an outsider buying up land, others are desperate to sell . . . and some might kill to get their way. As she becomes the victim of several “accidents,” Kate knows she must find the killer before it's too late. . . .
