The	advantages of this book: - The exercises are written by a experienced teacher in French as a foreign language (FLE), who got Master's degrees from French universities (University Sorbonne Paris I, Paris II and Paris V - 2010, 2011 and 2012); - The activities are numerous: grammar, conjugation, written comprehension, writing notices, letters, recommendations, maps (geography of	Europe and France), crosswords, monument study, dialogues, choosing a telephone package, weather forecast, studying road safety instructions, replying to a job offer, writing a complaint letter related to a defective product....; - We study everyday spoken French, with common and familiar words used by people on a daily basis (the author has been
--	---	--

living in France since childhood, so he knows what he's talking about!); - The exercises are practical, adapted to daily life; - A lot of them are corrected in detail; - You will also be able to correct sentences containing mistakes made by learners, in order to help you avoid common errors; - You will find the answers right after the exercises no need to go to the end of the book! (but you

will still have to turn the page!). This workbook is intended for beginners and intermediates who already have a basic knowledge of French (level A2 and B1, or even B2 wishing to deepen their knowledge of the French language).
